The Modern Corporation Profits Power Growth And Performance:

The Modern Corporation Dennis C. Mueller,1986 **The Economics of the Modern Construction Sector** G. Ive,S. Gruneberg,2000-07-31 This book will be of interest to built environment professionals and to students of the economics and management of the built environment It shows the value of integrating ideas and data about the production of the built environment as an industrial process with theories and data about the demand for construction The approach taken is institutional and post Keynesian and illuminates an important and distinctive sector of the economy embracing design construction and property industries This book offers some new and important perspectives for research and teaching in construction economics and management **The Growth of Big Business in the United States and Western Europe, 1850-1939** Christopher J. Schmitz,1995-09-28 This is the first available introductory comparative account of the rise of giant business corporations in America and Europe in the century before WW2 The book discusses the evolution of firms like Ford Exxon Unilever and Siemens **The Oxford Handbook of the Economics of the Biopharmaceutical Industry** Patricia M. Danzon,Sean Nicholson,2012-04-24 This volume examines the economics of the biopharmaceutical industry with eighteen chapters by health economists *Handbook on the Economics and Theory of the Firm* Michael Dietrich,Jackie Krafft,2012-01-01 This unique Handbook explores both the economics of the firm and the theory of the firm two areas which are traditionally treated separately in the literature On the one hand the former refers to the structure organization and boundaries of the firm while the latter is devoted to the analysis of behaviours and strategies in particular market contexts the novel concept underpinning this authoritative volume is that these two areas closely interact and that a framework must be articulated in order to illustrate how linkages can be created This interpretative framework is comprehensively developed in the editors introduction and the expert contributors more than fifty academics of renowned authority further elaborate on the linkages in the seven comprehensive sections that follow encompassing background equilibrium and new institutional theories the multinational firm dynamic approaches to the firm modern issues firms strategies and economic policy and the firm Bridging economics and theory of the firm and providing both technical and institutional perspectives on real corporations this path breaking Handbook will prove an invaluable resource for academics researchers and students in the fields of economics heterodox economics business and management and industrial organization *Schumpeterian Puzzles* Maria Brouwer,1991 Combines Schumpeter s theory and modern economics to give a new view of innovation in small and large firms **Keynes, Uncertainty and the Global Economy** Sheila C. Dow,John Hillard,2002-01-01 This book should be welcomed by post Keynesian economists microeconomists and those interested in international economics New Information Technology and Industrial Change: The Italian Case Cristiano Antonelli,2012-12-06 The 'Uncertain' Foundations of Post Keynesian Economics Stephen Dunn,2010-04-05 Pt 1 The uncertain foundations of post Keynesian economics pt 2 The nature of uncertainty pt 3 The future of post Keynesianism Statistical Models for Strategic

Management Michel Ghertman, Jacques Obadia, Jean-Luc Arregle, 2013-03-14 Statistical Models for Strategic Management offers practical guidance in the use of statistical models for empirical research in strategic management The contributions in this edited volume come from distinguished researchers in the field of Strategic Management and provide illustration of most statistical models that are relevant for strategy research The book is divided into four major topical areas Strategic Analysis and Firm Strategies The Resource Based View of the Firm Transaction Costs Agency Theory and the Boundaries of the Firm and Corporate Alliances Acquisitions and Networks
