New and Enlarged Edition** Allan PINKERTON, 1897 *Making Sense of the Molly Maguires* Kevin Kenny, 1998-02-12 Twenty Irish immigrants suspected of belonging to a secret terrorist organization called the Molly Maguires were executed in Pennsylvania in the 1870s for the

murder of sixteen men Ever since there has been enormous disagreement over who the Molly Maguires were what they did and why they did it as virtually everything we now know about the Molly Maguires is based on the hostile descriptions of their contemporaries Arguing that such sources are inadequate to serve as the basis for a factual narrative author Kevin Kenny examines the ideology behind contemporary evidence to explain how and why a particular meaning came to be associated with the Molly Maguires in Ireland and Pennsylvania At the same time this work examines new archival evidence from Ireland that establishes that the American Molly Maguires were a rare transatlantic strand of the violent protest endemic in the Irish countryside Combining social and cultural history Making Sense of the Molly Maguires offers a new explanation of who the Molly Maguires were as well as why people wrote and believed such curious things about them In the process it vividly retells one of the classic stories of American labor and immigration Pinkerton's Great Detective Beau Riffenburgh, 2014-11-25 The story of the legendary Pinkerton detective who took down the Molly Maguires and the Wild Bunch The operatives of the Pinkerton s National Detective Agency were renowned for their skills of subterfuge infiltration and investigation none more so than James McParland So thrilling were McParland s cases that Sir Arthur Conan Doyle included the cunning detective in a story along with Sherlock Holmes Riffenburgh digs deep into the recently released Pinkerton archives to present the first biography of McParland and the agency s cloak and dagger methods Both action packed and meticulously researched Pinkerton s Great Detective brings readers along on McParland s most challenging cases from young McParland s infiltration of the murderous Molly Maguires gang in the case that launched his career to his hunt for the notorious Butch Cassidy and the Wild Bunch to his controversial investigation of the Western Federation of Mines in the assassination of Idaho s former governor Filled with outlaws and criminals detectives and lawmen Pinkerton s Great Detective shines a light upon the celebrated secretive agency and its premier sleuth
