Workman, 2008-11-24 Herbert Brook Workman 1862-1951 was born in London and educated at Owens College, Manchester. He entered the Wesleyan ministry in 1885 and served as a circuit minister in England and Scotland until 1903 when he was appointed Principal of Westminster College. He was elected President of the Wesleyan Conference in 1930. A distinguished historian, Workman was Cole Lecturer at Vanderbilt University in 1916 and Visiting Professor of Methodist Church History at the University of Chicago in 1927. He published extensively in the field of medieval church history as well as Methodism. His other publications include *Persecution in the Early Church*, *The Dawn of the Reformation*, *The Evolution of the Monastic Ideal*, *Martyrs of the Early Church*, *Methodism*, and *The Age of John Hu*. **Christ the Ideal of the Monk (Unabridged)** Columba Marmion, 2022-08-16 Every vocation, even the simple Christian vocation, comes from God. Our Lord Himself says, "No man can come to Me except the Father draw him." But it is God's love for us, and as we are born miserable, it is His merciful love which is the origin of this call. A work which goes to the heart of the Rule of St. Benedict, this classic of the Irish Benedictine, Blessed Columba Marmion, has fed generations of God-seeking souls. Capable of touching the heart of anyone drawn to the monastic virtues, it is a book which grounds every aspect of the religious life in the person of Christ. All the Divine mercies towards us have for their first principle this invitation to share by adoption in the Sonship of Christ. Jesus writes, Abbot Marmion: "The monastic vocation itself only aims at perfecting this adoption, at making it more extensive by a deeper participation in Christ's grace by a more finished imitation of the Divine Model." Drawing on centuries of tradition and monastic literature as well as decades of personal experience as a monk and father of souls, Abbot Marmion presents monastic observance in a way which is both accessible and profound. In the foreword to this new edition, Abbot Xavier Perrin says of this book: "Full of wisdom and simplicity, it provides an almost complete commentary on the Rule. One feels in it the power of the Gospel and the real grandeur of monasticism. It is able to give to monks and nuns, oblates and friends of monasteries as well as to many Christians a renewed trust in Christ and in St. Benedict's sure guidance." This centenary edition features entirely re-typeset, corrected references, new translations of all of Marmion's Latin quotations, and a new foreword by Abbot Xavier Perrin. *The Evolution of the Monastic Ideal* Herbert B. Workman, 2008-11-24 **Intercessory Prayer and the Monastic Ideal in the**

Time of the Carolingian Reforms Renie Shun-Man Choy, 2016 In early medieval Europe monasticism constituted a significant force in society because the prayers of the religious on behalf of others featured as powerful currency The study of this phenomenon is at once full of potential and peril rightly drawing attention to the wider social involvement of an otherwise exclusive group but also describing a religious community in terms of its service provision Previous scholarship has focused on the supply and demand of prayer within the medieval economy of power patronage and gift exchange Intercessory Prayer and the Monastic Ideal in the Time of the Carolingian Reforms is the first volume to explain how this transactional dimension of prayer factored into monastic spirituality Renie S Choy uncovers the relationship between the intercessory function of monasteries and the ascetic concern for moral conversion in the minds of prominent religious leaders active between c 750 820 Through sustained analysis of the devotional thought of Benedict of Aniane and contemporaneous religious reformers during the reigns of Charlemagne and Louis the Pious Choy examines key topics in the study of Carolingian monasticism liturgical organization and the intercessory performances of the Mass and the Divine Office monastic theology and relationships of prayer within monastic communities and with the world outside Arguing that monastic leaders showed new interest on the intersection between the interiority of prayer and the functional world of social relationships this study reveals the ascetic ideal undergirding the provision of intercessory prayer by monasteries The Evolution of the Monastic Ideal... Workman, 2017-10-23 Excerpt from *The Evolution of the Monastic Ideal From the Earliest Times Down to the Coming of the Friars* A Second Chapter in the History of Christian Renunciation The reader will notice that I have called this study A Second Chapter in the History of Christian Renunciation Some explanation is due for this sub title Some ten years ago in the enthusiasm of youth and ignorance I set out to write a short history of Christian Renunciation intending if I remember rightly to compress it into one volume But as I wrote the matter grew and I was driven to alter my plans In August 1906 I published a First Chapter in the History of Renunciation 1 in a book entitled *Persecution in the Early Church* The favour with which critics of all schools in different countries received this work led me to hope that a similar welcome might be given to a further instalment of the original scheme After six years of work sadly broken by the ever increasing pressure of official duties during the most part of which the manuscript has lain upon my desk oftentimes alas Reproaching me for my unavoidable neglect I have ventured to publish A Second Chapter in the History of Christian Renunciation If it meets from the critic the favour which was bestowed upon my *Persecution in the Early Church* I shall feel that the delay has not been in vain It has certainly enabled me to make use of some valuable works of but recent publication The Third Chapter of my original design the history of early missions will shortly be published in an abbreviated form by the Student Volunteer Christian Union About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at
