Margaret Pullan, Elizabeth Fisher

The Monument Guide To England And Wales A National Portrait In Bronze And Stone:

The Monument Guide to England and Wales Johanna Darke,1991 **The Monuments of the Parish Church of St Peter-at-Leeds** Margaret Pullan,Elizabeth Fisher,2020-10-28 The Parish Church has not only played a significant part in the life of Leeds it captures within it the history of the great events and people who together have shaped that city through the centuries Hundreds of monuments and memorials dating from the Middle Ages to the present day encrust its walls and floors telling as they do the part Leeds people have played in that story Here we see memorials to members of the Leeds Volunteers formed to offset Napoleon s threatened invasion and to the men from the city who fought in the Crimea in South Africa and in two World Wars Here also we find tributes to hundreds of local men women and children who lived out their lives in the town some now forgotten others nationally famous like Richard Oastler the Factory King Now for the first time those memorials have been captured in Margaret Pullan s pioneering publication the product of years of devoted research The range of information offered includes records of births marriages and deaths full inscriptions background histories explaining why the deceased were buried in the Parish Church and the artistic merits of their tombs Architectural ecclesiastical and local historians will find this an invaluable contribution in their respective fields of work whilst the general public will find it gives a fascinating view of the people of Leeds who lived through the years as the old town grew into a major city **Evidence,**

History and the Great War Gail Braybon,2004-12-01 In the English speaking world the Great War maintains a tenacious grip on the public imagination and also continues to draw historians to an event which has been interpreted variously as a symbol of modernity the midwife to the twentieth century and an agent of social change Although much common knowledge about the war and its aftermath has included myth simplification and generalisation this has often been accepted uncritically by popular and academic writers alike While Britain may have suffered a surfeit of war books many telling much the same story there is far less written about the impact of the Great War in other combatant nations Its history was long suppressed in both fascist Italy and the communist Soviet Union only recently have historians of Russia begun to examine a conflict which killed maimed and displaced so many millions Even in France and Germany the experience of 1914 18 has often been overshadowed by the Second World War The war s social history is now ripe for reassessment and revision The essays in this volume incorporate a European perspective engage with the historiography of the war and consider how the primary textual oral and pictorial evidence has been used or abused Subjects include the politics of shellshock the impact of war on women the plight of refugees food distribution in Berlin and portrait photography all of which illuminate key debates in war history

Alfred the Great Timothy Reuter,2017-05-15 1999 marked the eleven hundredth anniversary of the death of Alfred the Great and to mark this event two international conferences were held to re evaluate and contextualise Alfred s achievements and the developments of his reign This volume includes papers given at both events and provides substantial assessments by leading scholars of issues of source criticism of the large corpus of Old English literature associated with Alfred and of

developments in government and society in late ninth century England It also explores how Alfred and his kingdom related to the wider geo political and cultural situation in the British isles and continental Europe and closes with a substantial survey of the uses and shifts in Alfred s reputation in the centuries following his death This substantial and wide ranging volume will become a standard reference work for anyone interested in Old English literature or Anglo Saxon history and will set the pattern of future scholarly debate

Public Sculpture of Greater Manchester Terry Wyke,Harry Cocks,2004-01-01 Public Sculpture of Greater Manchester is a complete catalog and illustrated guide to all of Greater Manchester s public sculptures and monuments Manchester historian Terry Wyke provides detailed individual entries for each sculpture featured including information about the artist and the commissioning agent date of installation and the sculpture s historical and artistic significance More than 350 black and white photographs reveal the diversity and beauty of Manchester s many public monuments The eighth volume in Liverpool University Press s highly acclaimed and prize winning Public Sculpture of Britain series Public Sculpture of Greater Manchester will be an incomparable resource for both armchair and actual travelers as well as for English historians and art scholars alike These are excellent volumes in an outstanding and continuing series one of the most original and important such projects under way They set an international standard for the recording and publication of public sculpture Judging panel 2003 William MB Berger Prize for British Art History on the Public Sculpture of Britain series

Guide to the Literature of Art History 2 Max Marmor,Alex Ross,2005 This bibliography supplements the greatest of modern art bibliographies Etta Arntzen and Robert Rainwater s Guide to the literature of art history ALA 1980 Preface
