and I am just trying to survive until my fated mate arrives Which may be easier said than done Rejection is the last straw Whispering my acceptance of his rejection I run through the pack house out across the manicured lawn into the forest I m sorry my sweet girl I say to my wolf I m sorry you have been stuck with me and have had to suffer everything I have She whispers it s not your fault Katia We came to a cliff with a waterfall The hurt keeps pounding at me I need it to stop My sweet girl and I just want peace I keep running and leap off the cliff Spreading my arms wide with tears streaming down my face I fall not making a sound waiting for sweet oblivion where we feel nothing ever again I love you my sweet girl Until we meet again My wolf replied just before we hit the water I love you too Katia I have never regretted a moment with you The Snow Moon pack is having their last barbecue of the summer next to the waterfall on their land The adults are laughing and joking while watching the pups play The alpha beta and gamma are swimming with some of the older children and playing a game of Marco Polo Someone yells Oh my goddess someone just jumped over the waterfall Everyone is frozen as they watch what looks to be a child falling arms spread wide no one makes a sound The small body hits the water like a plane crashing into the side of a mountain The alpha beta and gamma spring into action swimming towards the area the person went under The alpha is screaming his wolf is going crazy repeating Find her Find her find her They dive and the beta surfaces with a small person in his arms Alpha takes the girl from his beta laying her on the ground The men are shocked by what they see She is covered in scars and injuries Her body is twisted and broken The Beta asks Who could have done this to someone so defenseless Alpha drops to his knees repeating MATE MATE MATE This part 2 of the series Reviews this book is nothing short of brilliant I love werewolf books but this one is so different but in a really great way It s interesting captivating emotional so well written the premise is fantastic with the involvement of so many other mystical species gods etc The characters are well written but I must admit that Katia is my favourite I love Aza as well I just hope everyone we know so far survives all of this This book was really interesting a completely different take to any I ve read before about the supernatural world It was well written took you on a rollercoaster of emotions 5 **Beneath the moon** Dolly Pentreath (pseud.),1899
