The Motherless Children:

Motherless Child Glen Hirshberg, 2014-05-13 In his powerful novel *Motherless Child* Bram Stoker Award nominee Glen Hirshberg author of the International Horror Guild Award winning *American Morons* exposes the fallacy of the Twilight style romantic vampire while capturing the heart of every reader It's the thrill of a lifetime when Sophie and Natalie single mothers living in a trailer park in North Carolina meet their idol the mysterious musician known only as the Whistler Morning finds them covered with dried blood their clothing shredded and their memories hazy Things soon become horrifyingly clear the Whistler is a vampire and Natalie and Sophie are his latest victims The young women leave their babies with Natalie's mother and hit the road determined not to give in to their unnatural desires Hunger and desire make a powerful couple So do the Whistler and his Mother who are searching for Sophie and Natalie with the help of Twitter and the musician's many fans The violent emotionally moving showdown between two who should be victims and two who should be monsters will leave readers gasping in fear and delight Originally published in a sold out limited edition *Motherless Child* is an extraordinary Southern horror novel that Tor Books is proud to bring to a wider audience At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied **The Motherless Children** Karen

Yarborough, 2019-01-15 The children were scared and confused but most importantly they felt lost when the one person who is supposed to love you and care for you abandon you and cares more about the men in her life rather than her children who she left behind for what A man who probably doesn't love you a life without your own children Children are supposed to count on their parents not be forced to grow up fast and experience life without a true relationship of a mother **The Motherless Children** Madeline Leslie, 1865 , **Good Girls** Glen Hirshberg, 2016-02-23 Three time International Horror Guild and Shirley Jackson Award Winner Glen Hirshberg brings his flair for the grim grisly and emotionally harrowing to *Good Girls* the standalone sequel to *Motherless Child* Still in college Rebecca is the responsible one She keeps her friends from getting too crazy though Human Curling is kind of out there She's a safety valve for Joel her foster father and helps out at Halfmoon House which he runs with his wife Amanda Rebecca's foster mother who makes sure her children able to protect themselves To take care of themselves Mostly Rebecca takes care of everyone else She works at the university's crisis center doing whatever she can to help the troubled souls who call the hotline Until the night he calls Jess has lost so much her job her home her daughter Natalie no longer human thanks to the creature who called himself the Whistler She tried desperately to save Natalie but in the end Jess herself pulled the trigger and killed her child Deep in mourning Jess flees with the remnants of her family the man she loved seriously injured her infant grandson somehow still innocent and pure And Sophie Natalie's best friend Jess's almost daughter and a mother herself though her son is dead Sophie's alive but not alive half mad half vampire half a person and Jess's responsibility The Whistler is hunting Jess She killed his Mother and Natalie who was his destiny But he's not so single minded that he can't have a little fun along the way take what he needs from Rebecca's

friends and family take Rebecca for his own Fates collide in a small town where fear and love are two sides of the same coin and life and death lie far too close together At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *The Motherless Children* Madeline Leslie,1858 *The Motherless Children* Casaundra Foreman-Harris,2002-01-01 *Male Daughters, Female Husbands* Professor Ifi Amadiume,2015-03-12 In 1987 more than a decade before the dawn of queer theory Ifi Amadiume wrote *Male Daughters Female Husbands* to critical acclaim This compelling and highly original book frees the subject position of husband from its affiliation with men and goes on to do the same for other masculine attributes dislocating sex gender and sexual orientation Boldly arguing that the notion of gender as constructed in Western feminist discourse did not exist in Africa before the colonial imposition of a dichotomous understanding of sexual difference *Male Daughters Female Husbands* examines the structures in African society that enabled people to achieve power showing that roles were not rigidly masculinized nor feminized At a time when gender and queer theory are viewed by some as being stuck in an identity politics rut this outstanding study not only warns against the danger of projecting a very specific Western notion of difference onto other cultures but calls us to question the very concept of gender itself **Motherless Families** Victor George,Profesor Paul Wilding,2023-02-03 First published in 1972 *Motherless Families* shows how with the slow disappearance of the extended family and the support that it could offer in such situations society has found itself responsible for lone parent families The authors cover the situation of about six hundred families in the East Midlands where the father was caring for his children on his own They examine the father s feelings about his new circumstances the problems he faces and how he copes with them They look at the ways in which the social services the modified extended family and the immediate community react to the father s position They also consider the children s adaptation to the motherless situation and their new relationships with the father or a mother substitute In the final chapter the authors examine the ways in which social class and social values affect the definitions of social problems and the formulation of social policy Both administrators and practitioners in the social services as well as students of related subjects will welcome the research contained in this book and will find the authors conclusions of particular help in their approach to the problems of all types of one parent families **The Mother's Magazine** ,1833
