The Blue-Glow Fire Unbeatable Marble Edward Connor, 2018-01-09 This is a fanciful story as the main character mainly recounts one particularly eventful year of his life as a young boy living in a fictional small town in rural Australia Sawtip was a unique hamlet that had strangely attracted a hodgepodge of characters from all over the world People who never quite felt they belonged anywhere until they found Sawtip Among the folk who entered the boy's life was his teacher Mr Cramburn a troubled soul who escaped what he could of life by anchoring himself to his cherished Rules of Life The somewhat dotty but dear Miss Julia Castalia and Mr Cramburn's mother whose sad life had turned her into a selfishly possessive parent and drove her son to his excesses but whose eccentricities revealed a woman of imagination and love There were also the O Nancyitches an impish family of peplechauns a cross between leprechauns and people In particular the daughter of that family Peggy O Nancyitch who kept to herself but was ever present when the young narrator needed rescuing The narrator's family consisted of his nine siblings which

included his elder twin brothers whom he had always perceived as the worst of his tormentors There was his story telling father and his mother who was always there with tenderness and wise comforting words And not to forget the was his walking stick wielding and cantankerous grandmother who was also always there and always to be avoided The narrator s life revolved around his friends school playing marbles avoiding the bullies and his lifelong infatuation with Charlotte Prissy Face Righteous Worthington Having fun and getting into mischief were prime ingredients in the boy s life In pursuit of these he and his companions tormented the valley s cows into going on a milk strike before getting their revenge The young narrator had constantly to be on his toes to cope with the bullies that plagued his life However although bullies had the brawn he had a reservoir of cunning and imagination and of course Peggy Playing marbles was a great attraction to the boys of Sawtip and the narrator was a champion Unfortunately Simon the Bulldog from Brooklyn Jones also fancied himself as a marbles aficionado and worse still he was also enamoured with the beautiful Charlotte This led to several potentially unpleasant encounters as she manipulated them both that culminated in the greatest marbles game in the entire history of all marbles games It was during that game that the fabled Blue Glow Fire Unbeatable Marble appeared when utter defeat loomed large In adulthood he saw his friends from childhood drifting away and out of his life His infatuation with Charlotte eventually led to a wedding ceremony however the enigmatic Peggy O Nancyitch and another appearance of the mythical Marble saved the young man this time from a fate of nagging and mundane boredom

The Taunch Bowl and Moon Glow Wood Richard Spink, 2019-03-26 On the unknown planet Interk sits the dense and mysterious Moon Glow Wood The planet mirrors Earth in all aspects of life and landscape Two owls learn to read in the forgotten library of a dilapidated mansion which sits on the edge of The Wood Smilecramp the young owl uses his newfound knowledge to form a plan that could present a life of peace and harmony to all the diverse woodland creatures But to implement his plan to the predators of The Wood who live by the dreaded food chain for survival he calls for a self imposed amnesty on preying A group of courageous like minded creature friends of the young owl who are mystifyingly identified by unique silver adornments join forces to promote the plan Yuno the old spider who has a silver dot on his forehead is derided for creating his artistic webs which are purely for visual pleasure What a waste of valuable capturing thread scorn preying creatures A frustrated mole named Sleames bearing a silver circle around his right eye has always nurtured a private aspiration to build things and not simply scrape tunnels with my claws Sleames sighs Stay positive Sleames advises Smilecramp with his silver beak gleaming A new way of life is coming soon Then I will build you a school Sleames declares with excitement in his voice I could create a hospital to cure sick and lame creatures who now become victims of the predators says Netta the bee who sports an attractive silver waistband She is famous in The Wood for saving the life of a raven by administering her honey lotions and potions They say that preying is nature s way Well now there can be another way urges Smilecramp to Spitlan the mighty vulture who with his fellow vultures cast a brooding menace over The Wood Meanwhile hidden under the ground of Moon

Glow Wood unknown to any humind or any creature lies the Taunch Bowl with its very own intriguing magical powers What follows is a unique and gripping tale of intelligence tenderness and humor amongst the endearing and far reaching creatures who enter into a romantic quest in the search for the improbable the pursuit of a harmonious society
