Anne Rice

The Mummy Or Ramses The Damned:

The Mummy or Ramses the Damned Anne Rice, 2011-03-16 NEW YORK TIMES BESTSELLER Ramses the Great returns in this darkly magical USA Today novel from bestselling author Anne Rice The reader is held captive and ultimately seduced San Francisco Chronicle Ramses the Great lives But having drunk the elixir of life he is now Ramses the Damned doomed forever to wander the earth desperate to quell hungers that can never be satisfied for food for wine for women Reawakened in opulent Edwardian London he becomes Dr Ramsey expert in Egyptology He also becomes the close companion of voluptuous adventurous Julie Stratford heiress to a vast shipping fortune and the center of a group of jaded aristocrats with appetites of their own to appease But the pleasures Ramses enjoys with Julie cannot soothe him Searing memories of his last reawakening at the behest of Cleopatra his beloved Queen of Egypt burn in his immortal soul And though he is immortal he is still all too human His intense longings for his great love undiminished over the centuries will force him to commit an act that will place everyone around him in the gravest danger *The Mummy, Or, Ramses the*

Damned Anne Rice, 1990 **The Mummy Or Ramses the Damned** Anne Rice, 2000-08 **The Mummy** Anne Rice, 2004 Doomed forever to wander the earth desperate to quell his insatiable hungers Ramses the Damned turns up in Edwardian London as Dr Ramsey and begins a romance with heiress Julie Stratford but his cursed past again propels him toward disaster **Ramses the Damned**, 1990 *The Mummy! A Tale of the Twenty-Second Century* Jane Webb, 2022-04-05

Frankenstein wasn't the only classic horror novel created by a woman Within a decade of the 1818 publication of Mary Shelley's *Frankenstein* another Englishwoman invented a foundational work of science fiction Seventeen year old Jane Webb Loudon took up the theme of reanimation moved it three hundred years into the future and applied it to Cheops an ancient Egyptian mummy Unlike Shelley's horrifying death dealing monster this revived creature bears the wisdom of the ages and is eager to share his insights with humanity Cheops boards a hot air balloon and travels to 22nd century England where he sets about remedying the ills of a corrupt government In recounting Cheops attempts to put the futuristic society to rights the young author offers a fascinating portrait of the preoccupations of her own era as well as some remarkably prescient predictions of technological advances *The Mummy* envisions a world in which automatons perform surgery undersea tunnels connect England and Ireland weather control devices provide crop irrigation and messages are transmitted with the speed of cannonball fire The first novel to feature the concept of a living mummy this pioneering tale offers an engaging mix of comedy politics and science fiction Other books in the Haunted Library of Horror Classics series *The Phantom of the Opera* by Gaston Leroux *The Beetle* by Richard Marsh *Vathek* by William Beckford *The House on the Borderland* by William Hope Hodgson *The Parasite and Other Tales of Terror* by Arthur Conan Doyle *Of One Blood* by Pauline Hopkins *The King in Yellow* by Robert W Chambers "You, who Disturb My Sleep..." - *The Figure of the Mummy in 19th and 20th Century American Literature* Desirée Kuthe, 2007-11 Seminar paper from the year 2006 in the subject American Studies Literature grade 1 3

University of Dortmund Institut für Anglistik und Amerikanistik course Way down to Egypt's Land 9 entries in the bibliography language English abstract The fascination with old Egypt which came up in the western world after Napoleon's conquest of Egypt in 1798 and reached a peak in 19th century America was uttered in a vast amount of novels and stories concerned with Egypt and its symbols One of the most important of these symbols among pyramids and Pharaohs is the mummy the human body which has survived not only centuries but millennia The interest of novelists with Egypt in general and the mummy in particular may have been in its zenith in 19th century but it has never completely ceased as the great variety of books about mummies recently published shows In this paper Louisa May Alcott's little known short story Trafton 2005 126 Lost in a Pyramid or the Mummy's Curse which was published in 1869 will be compared to a novel by Anne Rice The Mummy or Ramses the Damned having been published in 1980 but having chosen a setting at the beginning of the 20th century 1914 This paper wants to show that in spite of having been written with 111 years time distance the two texts use a surprisingly similar set of themes and motives to develop their story After a short exploration of the historical background of the two texts I will try to identify and analyze these elements The examination of the single motives will then lead to the question of a general classification of the two texts answering the question if or if not they belong to the Gothic genre This paper will also try to make clear that regardless of the similarity of the set of conventions used in the texts the means with which this set has been used differ very much

Antony and Cleopatra: A Critical Reader Domenico Lovascio, 2019-10-17 Arden Early Modern Drama Guides offer students and academics practical and accessible introductions to the critical and performance contexts of key Elizabethan and Jacobean plays Essays from leading international scholars give invaluable insight into the text by presenting a range of critical perspectives making the books ideal companions for study and research Key features include Essays on the play's critical and performance history A keynote essay on current research and thinking about the play A selection of new essays by leading scholars A survey of resources to direct students further reading about the play in print and online Antony and Cleopatra is among Shakespeare's most enduringly popular tragedies A theatrical piece of extraordinary political power it also features one of his most memorable couples Both intellectually and emotionally challenging Antony and Cleopatra also tests the boundaries of theatrical representation This volume offers a stimulating and accessible guide to the play that takes stock of the past and current situation of scholarship while simultaneously opening up fresh thought provoking critical perspectives

Mummies around the World Matt Cardin, 2014-11-17 Perfect for school and public libraries this is the only reference book to combine pop culture with science to uncover the mystery behind mummies and the mummification phenomena Mortality and death have always fascinated humankind Civilizations from all over the world have practiced mummification as a means of preserving life after death a ritual which captures the imagination of scientists artists and laypeople alike This comprehensive encyclopedia focuses on all aspects of mummies their ancient and modern history their scientific study their occurrence around the world the religious

and cultural beliefs surrounding them and their roles in literary and cinematic entertainment Author and horror guru Matt Cardin brings together 130 original articles written by an international roster of leading scientists and scholars to examine the art science and religious rituals of mummification throughout history Through a combination of factual articles and topical essays this book reviews cultural beliefs about death the afterlife and the interment entombment and cremation of human corpses in places like Egypt Europe Asia and Central and South America Additionally the book covers the phenomenon of natural mummification where environmental conditions result in the spontaneous preservation of human and animal remains

The Mummy's Curse Jasmine Day, 2006-09-27 The most penetrating study of the curse ever conducted The Mummy's Curse uncovers forgotten nineteenth century fiction and poetry revolutionizes the study of mummy horror films and reveals the prejudices embedded in children's toys Examining original surveys and field observations of museum visitors demonstrate that media stereotypes to which museums inadvertently contribute promote vilification of mummies which can invalidate demands for their removal from display Jasmine Day shows that the curse's structure and meaning has changed over time as public attitudes toward archaeology and the Middle East were transformed by events such as the discovery of Tutankhamun's tomb The riddle of the curse of the pharaohs is finally solved via a radical anthropological treatment of the legend as a cultural concept rather than a physical phenomenon A must for anyone interested in this ancient and mystifying legend

Right here, we have countless ebook **The Mummy Or Ramses The Damned** and collections to check out. We additionally present variant types and also type of the books to browse. The within acceptable limits book, fiction, history, novel, scientific research, as competently as various further sorts of books are readily genial here.

As this The Mummy Or Ramses The Damned, it ends up monster one of the favored ebook The Mummy Or Ramses The Damned collections that we have. This is why you remain in the best website to see the amazing ebook to have.
