The Miniature Of Easter:

Performing the Gospels in Byzantium Roland Betancourt, 2021-05-13 Tracing the Gospel text from script to illustration to recitation this study looks at how illuminated manuscripts operated within ritual and architecture Focusing on a group of richly illuminated lectionaries from the late eleventh century the book articulates how the process of textual recitation produced marginalia and miniatures that reflected and subverted the manner in which the Gospel was read and simultaneously imagined by readers and listeners alike This unique approach to manuscript illumination points to images that slowly unfolded in the mind of its listeners as they imagined the text being recited as meaning carefully changed and built as the text proceeded By examining this process within specific acoustic architectural spaces and the sonic conditions of medieval chant the volume brings together the concerns of sound studies liturgical studies and art history to demonstrate how images texts and recitations played with the environment of the Middle Byzantine church *Medieval Texts and Images* Margaret M. Manion, Bernard J. Muir, 2019-07-08 Originally published in 1991 *Medieval Texts and Images* is a collection of essays which critically examines medieval manuscripts The book contains a wide range of contributions the first examines the relationship of the Lindisfarne Gospels and its relationship to the aristocratic patrons who commissioned these manuscripts the second scrutinises the tradition of French illumination as it was developed in Paris in the so called Bedford Master's workshop in the 1420s The text examines liturgical texts of the medieval period and written and liturgical contributions to Renaissance art Other contributions include an investigation into the written scroll within the painted composition comparing various compositional and thematic functions in the depiction of a Crucifixion and a study of Christian vernacular poetry This collection provides a comprehensive overview of the use of text and image in medieval literature [A Cowboy's Easter Redemption](#) Janet Tronstad, Lois Richer, 2023-02-21 A holiday of hope Easter in Dry Creek by Janet Tronstad Clay West is back in town after four years in jail for a crime he did not commit and he's determined to restore his good name His first priority is convincing childhood friend Allie Nelson of his innocence Allie can't admit how much she's missed Clay and she can't betray her family by putting her trust in him But Clay will settle for nothing less than her forgiveness and her heart The Cowboy's Easter Family Wish by Lois Richer After a heartbreaking tragedy youth pastor Jesse Parker stopped believing he had anything to offer kids Working with the boys at Wranglers Ranch he's slowly beginning to trust himself And when he meets widow Maddie McGregor and her young autistic son his connection with both is instant And as Jesse spends time with the McGregors he rediscovers his purpose including an Easter holiday surprise of renewed faith and love New York Times Bestselling Author Janet Tronstad 2 Uplifting Stories Easter in Dry Creek and The Cowboy's Easter Family Wish **Voices from the Easter Rising** Joseph McKenna, 2017-06-23 For a week in April 1916 2 000 Irish Volunteers rose up in armed rebellion against the British Empire in a bid to establish an independent Irish state Tracing the establishment of the various organizations involved this account of the Easter Rising provides a day to day narrative by those
