## **The Ministry Of Law In The Church Today:**

**The Ministry of Law in the Church Today** Kevin E. McKenna, 1998 Many members of the Catholic Church today clergy as well as laity find no useful purpose for the Church's legal structure or canon law They may view canon law as arbitrary antiquated or even a hindrance to the movement of the Spirit especially within the context of developments following the Second Vatican Council Kevin E McKenna counters this attitude with an overview of the positive features of Church law and a modern analysis of the canonical tradition of the Church McKenna argues that the utilization of canon law in the Church today is not only desirable but necessary and that it can be highly constructive when the law is viewed as a ministry of service The call of the Church since Vatican II has been towards communion with Christ among Christians and between local churches The concept of communion provides a structure and a path that can clarify and encourage individual participation in developing the common good After a discussion of the development of Church law and the effect Pope Paul VI and Pope John Paul II have had on contemporary canon law McKenna's work underscores the role of canon law in highlighting the rights of all members of the Church Canon law is necessary to assist in the orderly carrying out of the gospel demands and to protect the freedom of individual Church members Practical applications of canon law include the annulment process and alternatives for resolving disputes within the Christian community The Ministry of Law in the Church Today provides practical guidance and rationale for the role of law in the Church for pastoral ministers who are accustomed to seeing canon law as a problem rather than a solution This book will also appeal to laity who harbor a curiosity about the usefulness of Church law in everyday Christian life      **A Concise Guide to Canon Law** Kevin E. McKenna, Aldean B.

Hendrickson, 2023-03-10 For more than twenty years A Concise Guide to Canon Law has provided priests deacons and lay pastoral ministers with essential information about Church laws that regularly impact the lives of everyday Catholics This compact reference guide addresses topics such as who can receive the sacraments and when the responsibilities of pastors and bishops administration of parishes and the role of finance and pastoral councils The book also now includes the teachings of Popes Benedict XVI and Francis on issues such as marriage and annulment as well as a new chapter on Catholic funerals Canon lawyer Aldean Hendrickson director of the tribunal for the Diocese of New Ulm also has updated this practical guide with additional material that includes a chapter on the Liturgy of the Hours an updated section of frequently asked questions and answers at the end of each chapter a revised and enhanced glossary of key terms and a suggested reading list for deeper study

**Behold the Man** Harold Burke-Sivers, 2015-09-22 Lucid and inspiring Behold the Man is a unique exploration of Catholic spirituality for men Much of the literature written for Catholic men focuses on topical issues such as fatherhood and sexuality While this book does not exclude these subjects it is the first to present a comprehensive picture of Catholic male spirituality What is authentic male Catholic spirituality What distinguishes it from Protestant male spirituality How does masculine spirituality complement feminine spirituality These questions and many more are answered in this book Drawing

from Scripture and Church teaching the author roots Catholic male spirituality in a covenant relationship with God and the cross of Jesus Christ He demonstrates that when a man embraces the cross he is truly able to be himself the man that God created and calls him to be Behold the Man can deepen a man's experience of Christ and help him to know the Lord more intimately *Encyclopedia of Political Theory* Mark Bevir, 2010-03-18 Looking at the roots of contemporary political theory this three volume set examines the global landscape of all the key theories and the theorists behind them and provides concise to the point definitions of key concepts ideas schools and figures *Israel's Law and the Church's Faith* Stephen Westerholm, 1988 Westerholm is admirably concerned to focus our attention on Paul's theology specifically on the theological issues that arose for the Apostle in his valiant attempt to assess the role of the law after the advent of Christ Beginning with an unusually mature account of the debate that is currently raging over Paul's understanding of the law Westerholm has provided an analysis of his own that will certainly claim the attention of all students of Paul the theologian J Louis Martyn This is the most clearly written and understandable treatment of the debate over the law in Pauline thought that I have seen Robert Jewett Westerholm has produced an illuminating engaging and refreshing book He sets forth the views of major interpreters of Paul with clarity and candor engages them and then makes proposals of his own which are both well considered and instructive The book is both interesting and informative a reader's delight Arland J Hultgren [Deborah Needed in the Church Today](#) Dessa Figueroa, 2022-06-22 Why would God call a woman into leadership when He has plenty of capable men to choose from What if a woman has a continual galling dream to minister the gospel Would God put that burden on a woman It is time we see women for what God made them to be not sexual icons but powerful leaders and spiritual mothers of the church body God fully intends to use the leadership qualities He gave women In this book you will discover what the Bible says about women in lead positions why women are needed and necessary in ministry for the building up of the body of Christ and why and how God calls equips and ordains women leaders to lead alongside the men of God This book will equip you to encourage women leaders around you You will learn how to empower women into God's perfect will and plan Be open to what God may want you to do Allow yourself to be used in the way God chooses **Same Sex Marriage and Church Law: A liberal evangelical call for greater inclusivity within Christianity according to scripture** Kevin Mahoney, 2014-11-04 In this book layperson Kevin Mahoney argues that Christian churches should embrace same sex marriage Although many conservative Christians reject homosexuality due to the laws of Moses Kevin points out that very few if any of these three thousand year old Mosaic laws are upheld today and that homophobia is contrary to the spirit and manner of our Lord Jesus Christ Jesus himself never condemned homosexuality however He did illuminate the hypocrisy of the Pharisees Kevin argues that the Pharisees are very much alive today in the form of conservative Christians that proscribe homosexuality Since most of the laws against homosexuality around the world have a religious basis then this book's demolition of the conservative Christian argument against homosexuality will also be instructive for non religious

LGBT rights campaigners Using the Parable of the Prodigal Son as an analogy Kevin outlines how liberal and conservative Christians can finally agree on the divisive issue of same sex marriage      The Church and Employment Law John Duddington,2022-12-16 This book examines the current law on the employment status of ministers of religion together with religious workers and volunteers and suggests reforms in this area of the law to meet the need for ministers to be given a degree of employment protection It also considers the constant theme in Christian history that the clergy should not be subject to the ordinary courts and asks whether this is justified with the growth of areas such as employment law The work questions whether it is possible to arrive at a satisfactory definition of who is a minister of religion and along with this who would be the employer of the minister if there was a contract of employment Taking a comparative perspective it evaluates the case law on the employment status of Christian and non Christian clergy and assesses whether this shows any coherent theme or line of development The work also considers the issue of ministerial employment status against the background of the autonomy of churches and other religious bodies from the State together with their ecclesiology The book will be of interest to academics and researchers working in the areas of law and religion employment law and religious studies together with both legal practitioners and human resources practitioners in these areas      *The Law of Love* Wylark Day,2002-12-09 What does it mean to be righteous To be holy By what standard will God judge us when we die As the Bible tells us in 1Corinthians 8 2And if any man think that he knoweth any thing he knoweth nothing yet as he ought to know For nearly two millennia Christians have followed the philosophy of Asceticism a philosophy which teaches that ignorance about sex is bestbecause it is based on Fear Yet God s philosophy is LOVE and to love requires knowledge In this the second volume of Sex and the Bible we will therefore take a very close look at the teachings of the Bible in order to discover what God really thinks about SEX Roll over St Augustine      **The Old Testament Law for the Life of the Church** Richard E. Averbeck,2022-09-06 How does the Old Testament Law fits into the arc of the Bible and how it relevant to the church today Exploring how God intended the Law to work in its original context as well as the New Testament perspective on the Law Richard Averbeck argues that the whole Law applies to Christians our task is to discern how it applies in the light of Christ
