The Mirror Of Relationship:

The Mirror of Relationship J. Krishnamurti, 1992-01-15 Looking at relationship Krishnamurti delves into topics close to each one of us He discusses his views on sex and love and explores the word and delusion of chastity In Chapter 5 he says The person who has taken the vow of celibacy knows no love because he is concerned with himself and his own fruition This is a great book for anyone in a relationship

The Mirror of Relationship Jiddu Krishnamurti, 1992 This book features excerpts on the title's theme from Krishnamurti's talks and discussions held between 1933 and 1967 They have proven helpful in dialogues and for use in high school and college classrooms There are talks on marriage love relationship and sex Krishnamurti states sex becomes an extraordinary difficult and complex problem so long as you do not understand the mind Krishnamurti asks the reader to investigate essential questions How can I live with another without conflict Why are relationships difficult What is awareness in relationship Do I really know what love is What does it mean to learn in a relationship What is the role of thought and memory in relating to another There is no escape from relationship In that relationship which is the mirror in which we can see ourselves we can discover what we are our reactions our prejudices our fears depression anxieties loneliness sorrow pain grief We can also discover whether we love or there is no such thing as love So we will examine this question of relationship because that is the basis of love J Krishnamurti Madras India 1982 Why does the mind think about sex at all Why Why has it become a central issue in your life Sex has become an extraordinary difficult and complex problem so long as you do not understand the mind which thinks about the problem The act itself can never be a problem but thought about the act creates the problem J Krishnamurti *The First and Last Freedom*

The Mirror of Relationship , Love , Sex , and Chastity J Krishnamurti, 2012-08-08 Krishnamurti stressed that relationship is the mirror in which we see ourselves as we are Topics discussed include the nature of image making pleasure and desire sex chastity marriage and love When sexual feeling is born out of pleasure it is lust If it is born out of love it is not lust even though great delight may then be present

The Mirror of Relationship Jiddu Krishnamurti, 2008 [The Mirror of Relationship](#) J. Krishnamurti, 2008-08-30 Krishnamurti offers provocative new and sensitive answers to perennial questions about Why relationships are difficult The difference between pleasure and desire Why is a sex a problem in my life What is chastity Am I really in love How can I live with another without conflict

The Mirror of Relationship Jiddu Krishnamurti, 1969 *The Mirror Cards* Geoff Charley, Lucy Lidell, 2003-10-01 This book and card set is designed for use by one person to intuitively examine their strengths and weaknesses in their personal relationships

1936-1944, The mirror of relationship Jiddu Krishnamurti,

The Mirror of Relationship J Krishnamurti, 2022-09-09 The answer to the question What are you Seeking is simple We want to find truth God everlasting peace The real question says Krishnamurti is Why do you seek at all Knowing conflict repression self doubt and fear as consistent companions we naturally wish for them to come to an end So begins the search for relief the search for everlasting peace through ideas religions self help self analysis etc and we think of this search

as a right action towards finding what we are looking for But do we know what we are looking for or are we merely seeking relief from what is happening presently Are we seeking at that point only an idea the supposed opposite of the emotion that we are experiencing now It is the search that maintains the present emotion and its projected opposite in a state of mutually co existent conflict inherently **The Anthroposophical Soul Calendar and the Incarnation Cycle of Man** Roland Schrapp, 2021-01-14 This book takes a completely new look at the Anthroposophical Soul Calendar It is about the deeper meaning of the fifty two weekly verses which has remained essentially unexplored in the last hundred years since the first edition by Rudolf Steiner A dense veil of Isis was spread over them of which is well known that no mortal person can lift it Only the immortal psycho spiritual human being who knows himself at home in the extrasensory higher worlds is capable of doing this Only to him the weekly verses reveal themselves as a travel guide through these worlds and lift him up to ever higher spiritual cosmic realms until he reaches the experience of God from where he gradually descends again into a new life on Earth enriched in spirit and fertilized in his soul If the reader embarks on this journey the spiritual archetype of the Soul Calendar is ultimately unveiled to him and he achieves an extended understanding of Man and Christ By many quotations from Rudolf Steiner's lectures and books the author virtually lets Steiners himself elucidate the breathtaking depths of his mysterious weekly verses
