Excerpt from *The Missionary Heroes of Africa* It is no easy task to determine what names should stand in the front rank of the Missionary Heroes of Africa In making his selection the present writer has at least the consolation of believing that while many doubtless would desire some honored name to be added few would wish any name on the list to be displaced The following sketches are offered in the hope that brief and imperfect as they are they may serve to communicate some spark of that divine fire which burns in all heroic lives and nowhere clearer than in the lives of Christlike and Apostolic men In the hope also that they may aid the imagination in forming some picture of the marvelously varied and romantic scenery of the African mission field About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
