Gorji, 2008-01-01 Traditional accounts of Romantic poetry have depicted John Clare as a peripheral figure an original genius whose talents removed him from the mainstream This volume helps to show that far from being brilliant yet isolated Clare was deeply involved in the rich cultural life of both his village and the larger metropolis Offering an account of Clare's poems as they relate to the literary culture and burgeoning literary history of his day Mina Gorji defines the context in which Clare's work can best be understood in relation to eighteenth century traditions as they persisted and developed in the Romantic period The British Critic, and Quarterly Theological Review, 1821 The Autobiography of Leigh Hunt Leigh Hunt, 1903

Joshua, 2016-02-24 This important contribution to both Romantic and cultural studies situates literature by Wordsworth Southey Hunt Clare and Blake within the context of folklore and popular customs associated with May Day Romantic responses to May Day bring into focus a range of issues now regarded as central to the writing of the period the natural world city life the pastoral regional and national identities popular culture cultural degeneration and cultural difference Essaka Joshua explores new connections between these issues in the context of a set of heterogeneous cultural practices that are rooted in the traditions and activities of diverse social groups She shows how Romantic writers have positioned themselves in relation to what has become known as the public sphere and the way in which they articulate an understanding of the common sphere as a site of plebeian self expression Joshua's nuanced account acknowledges the full complexity of class formations and inter class relationships and permits noncanonical and canonical texts such as the Prelude Songs of Innocence and Experience and The Village Minstrel to be reinterpreted in a cultural context that has not been previously explored by literary critics Book Sales of 1895[-97/98] Temple Scott, 1899 **Legislative Documents** Iowa.
