The Moon Lake:

The Moon Lake Legend L.J. Russell, 2002-08-01 A woman whose father has just passed away tries to keep the resort her dad left behind alive A college kid who has a knack for finding trouble with his anger and aggressive attitude toward women has been banished to the woods A thirty something man who has not grown up teaching in a prep school and working as a bartender in the summer begins a normal summer at the resort A young woman who just graduated from a high school in the Adirondacks and desperately wants to escape but needs money finds a job And a college professor who escapes to the mountains to relax during the summer finds himself swept into the mix These people spend the summer at Moon Lake a small body of water in the Adirondacks that has a small resort with a lodge and cabins along the shore Each has their own strengths and issues and must live together in an isolated setting next to a lake with an ancient legend passed down from the local American Indians The legend spoke of an alien rock under the water that when disturbed released a horrific entity The summer moves along and the resort enjoys success with a variety of guests great and miserable But when a duo of divers want to search for the legend there is a worry that the legend might be released A hot summer day will reveal the truth behind the Moon Lake Legend
