

WHAT IS MULTIMEDIA?

Multimedia is a way of presenting and combining different types of content, such as text, images, audio, and video, into a single interactive experience.

It allows for the transmission of information in a more comprehensive and engaging manner, as different media are used to communicate a message.

Examples of **multimedia** include digital presentations, online videos, interactive games, and educational applications. By leveraging the combination of visual, auditory, and textual elements, multimedia provides an enriching and dynamic experience, facilitating understanding and entertainment for all kinds of audiences.
