

The MYSTERIOUS BIBLE CODES

WHY HAVE THE CONTROVERSIAL BIBLE
CODES ASTOUNDED RESEARCHERS
WORLD-WIDE?

Because 3,000 year-old writings seem to predict such
modern events as:

- The assassination of former Israeli Prime Minister
Yitzchak Rabin.
- The plague of AIDS.
- The 1995 bombing of the federal building in Oklahoma,
and the name of convicted terrorist Timothy McVeigh.
- Tensions and peace negotiations between Israel
and the Palestinian Labor Organization.

In this book, best-selling author Grant Jeffrey shows why the
modern discovery of ancient Bible Codes propelled the topic to
the best-seller list of the *New York Times*. Taking the Codes out
of the scholar's study and making them understandable to non-
technical readers, Jeffrey shows how the Codes prove
that the Bible is true.

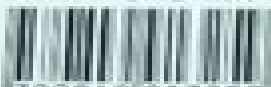

The author reveals codes that Hebrew scholars have been
deciphering for years. Now using techniques made available
only by the development of modern computer programs, Jeffrey
shows that codes also appear in the New Testaments.

This book reports on the publication of the Codes, in 1988,
not by Bible scholars but by mathematics and computer
experts in this country and Jerusalem. In his easy-to-read
style Jeffrey even invites the reader to participate in this
exciting new field of study. He points to Internet web sites
and word-search suggestions that equip non-specialists
with research techniques never before available.

The author's clear explanation of the codes and their
significance, plus his highly accessible style, make this book
essential reading for everyone who is interested in how the
Bible speaks to modern times.

The Mysterious Bible Codes:

The Mysterious Bible Codes Grant R. Jeffrey, 1998 Author Grant Jeffrey undertakes to explain the mysterious codes purported to be discovered by mathematicians and computer experts in the Old and New Testaments of the Bible

The Mysterious Numerical Bible Code and Other Revelations Lawrence D. Shawbrooks, 2016-06-01 The Hebrew Christian religion remains the most potent verifiably truthful religion on the planet It suffers horrendously from murderous oppression in the Middle East its homeland and was crushed flat by the largest political State the world has ever known Soviet Russia and it endures heavy disheartenment by flawed innuendo and secularisation throughout Europe Despite these massive attacks from mistaken religion hard line atheists and dont know cant be bothered groups yet it remains And more than this It remains philosophically socially prophetically and scientifically the largest most credible and consistent belief system on the planet Its not by accident that non violent Christianity believing in the non violent Ten Commandments and the beautiful spirit of them in the Beatitudes can survive such intense mentalphysical violent persecution and still remain so vibrant True Christians know The only reason it is so is because the holy Messiah God of Israel is the only true God He rules over all the kingdoms of men but its only the kingdom of Christianity which knows this He loves all humans but not their thoughtsactions However only Christians recognise this and sincerely give thanks that He is their God their prophet priest and king He prophesied that enormous ungodliness would come against His church and followers but these gates of hell would not overcome it and so it is now as we head towards Armageddon and the end of the human age This book explains His prophecies and associated key milestone calculations This is one of many ways witnessing that He is the genuine unique article just as the Hebrew Christian Bible says The purpose of our existence is to have a loving relationship with Him When humans choose to reject Him it causes us to create corrupt and false gods Without realising it many religious people worship corrupt gods and atheism worships its false no God god These cannot bring a person into the paradise of fruitful everlasting life their ways effectively bring people into a fruitless everlasting living death This grieves the Messiah God of Israel because He loves fruitful life To encourage us and to verify who He is He leaves indicators throughout history evidencing even now in these days of the deeply sceptical cheating spirit that humans are without excuse come the judgement Lawrence D Shawbrooks is now retired but continues to work as an Elder in the Church oversight

Bible Code Bombshell R. Edwin Sherman, 2005 Explosive evidence that Bible codes point to the life of Christ When Ed Sherman a mathematician with 30 years of experience and Nathan Jacobi an Israeli physicist set out to debunk claims that there were mysterious codes in the Hebrew Old Testament they could not have envisioned the startling conclusions they would reach As Dr Jacobi an agnostic Jew looked for lengthy Hebrew codes about Christ repeatedly he discovered compelling excerpts from the life of the man from Nazareth Time and again Dr Jacobi found that one or two word codes were actually part of much longer encoded sentences that echoed the Gospel accounts Moreover these encoded sentences were extensively embedded in two passages

most widely regarded as prophecies of the crucifixion of Christ Isaiah 53 and Psalms 22 Bible Code Bombshell sets forth startling new evidence that code sequences in Scripture are irrefutable evidence of a Divine hand In this highly readable book Sherman offers both skeptics and believers a gold mine of information that will prompt much thinking about the origins of the Bible Unlike other Bible code books this unique book features codes that are phrases and sentences and not just one or two word codes The only code book by researchers that are internationally recognized mathematicians and statistical experts Responds directly and accurately to Bible code critics

Who Wrote the Bible Code?

Randall Ingermanson, 2013-10-22 What is the truth about the Bible code How can you decide what to believe Why does it matter Around the world men and women are captivated by a theory so incredible that if proven true it would forever revolutionize mankind's view of Scripture Some experts have claimed the Bible contains a code that accurately predicts today's events Others renounce the Bible code theory as unfounded Using a new statistical test that promises to provide an authoritative credible answer to the Bible code debate computational physicist Dr Randall Ingermanson leads you on an easily understandable meticulously planned investigation of the evidence at hand addressing the most urgent questions surrounding the Bible code controversy and carefully examining how recent findings could affect your faith

The Numerical Structure of the Holy Bible Charles Stockford Jr., 2016-12-22 Most Bible students are aware of the use of numbers in scripture The number 7 is a prime example with its connotations of perfection and completeness The study of numbers as used in the Bible is infrequent and the Lord's people therefore miss some of that which is profitable for correction and instruction in the Word of God This volume goes a long way toward correcting the deficiency by providing a great introduction to the subject and showing that these patterns provide proof of the completeness and inspiration of the Holy Scriptures The reader will find profit as well as inspiration from this intriguing study

The Signature of God, Revised Edition

Grant R. Jeffrey, 2010-07-20 YOU CAN BELIEVE THE BIBLE WITHOUT ANY DOUBT As American society becomes more secularized Christians need to know all the facts about the Bible Dr Grant R Jeffrey has spent decades researching history science archaeology medicine and prophecy finding that each discipline confirms the truth of Scripture This revised and updated edition of The Signature of God proves that the Bible is not only accurate in its spiritual claims but is completely reliable as well on matters of origins medicine history and science Historians of the ancient world as well as recent archaeological finds confirm the names of kings and kingdoms and the dates of wars and mass migrations mentioned in the Bible Recent breakthroughs in astronomy physics and medical science have shown that God's Word accurately described the universe and the processes of human life before scientific research caught up And hundreds of fulfilled prophecies show that God revealed the future to his prophets in order to undergird the faith of his people No matter how loudly the skeptics argue against Christian faith only one conclusion makes sense the Bible is God breathed You can believe every word every claim every prophecy and every miracle With no doubts
