Sins And Sacrifices:

Levitical Sacrifice and Heavenly Cult in Hebrews Benjamin J. Ribbens, 2016-06-06 This monograph examines Hebrews understanding of the relationship between old covenant sacrifices and Christ's new covenant sacrifice especially as it relates to the question of efficacy. Most scholars think the author of Hebrews strips the levitical sacrifices of most if not all efficacy but this work affirms a more positive depiction of the levitical sacrifices. A mystical apocalyptic tradition stands behind Hebrews description of the heavenly cult which establishes the framework for relating the levitical sacrifice to Christ's sacrifice. The earthly levitical cult was efficacious when it corresponded to or synchronized with the heavenly sacrifice of Christ. Still the author of Hebrews develops the notion of the heavenly cult in unique ways as Christ's sacrifice both validates the earthly practice but also due to his new covenant theology calls for its end. Ribbens' bold proposal joins a growing number of scholars that place Hebrews in the mystical apocalyptic tradition. Highlights positive statements in Hebrews related to the efficacy of levitical sacrifices that are often overlooked and relies on the heavenly cult to reconcile the positive and negative descriptions of the levitical cult. *A Short Explanation of the Epistle of Paul to the Hebrews* David Dickson, 1839

Discourses and Dissertations on the Scriptural Doctrines of Atonement and Sacrifice William Magee, 1842 Christ in Leviticus; the one Sacrifice for Sin. [The preface signed: R. H. N. B., i.e. Robert Henry Nisbett Browne.] R. H. N. B., Robert Henry Nisbett BROWNE, 1871 **The Works of Thomas Cranmer ...: Writings and disputations, relative to the sacrament of the Lord's Supper** Thomas Cranmer, 1844 **Restoring Lost Truths** Donald Werner, 2016-02-29 The Book of the Revelation tells us that Satan deceives the whole world and causes them to wonder after the Beast follow his teachings and that's happening today. What are those teachings that have deceived the whole world? Surprising enough those false teachings are coming from within the church which left its Apostolic Hebrew Roots. This Book will shock, amaze and bless you. It will reveal to you critical Biblical truths that were lost or perverted over the centuries. These lost truths have caused some of the church's core doctrines to no longer be in harmony with the Scriptures. Those that are deceived by the false teachings revealed in this book are unknowingly on the Broad Way leading to destruction; they have accepted a false God and a false Gospel. What is revealed in the book is staggering; you will wonder how could this happen. Then you will ask yourself: Could I be deceived? This book will challenge your beliefs and your understanding of God. **Jesus the Sacrifice** Scott Shauf, 2022-04-14 *Jesus the Sacrifice: A Historical and Theological Study* investigates interpretations of Jesus' death as a sacrifice in the New Testament. Scott Shauf argues that sacrifice as a practice has been largely misunderstood by Christians and scholars and that a better understanding of ancient sacrificial practices will change how we understand New Testament interpretations of Jesus' death. Contrary to traditional Christian theological interpretation, the interpretation of Jesus' death as a sacrifice should not be considered a subcategory of the idea of atonement. Sacrifices had a variety of purposes in the ancient world and atonement was only one of these. Different NT texts interpret Jesus' death as different kinds of sacrifice and

each text must be evaluated in the context of the particular kinds of sacrifice drawn upon. The interpretations have in common that they serve to relate the death of Jesus to early Christians' understanding of themselves to what God had done in Jesus and to what God was doing in their midst. Shauf's conclusions also address modern theological questions such as the problem of the violence of the cross and whether Jesus' death was necessary in a theological sense. What Happened on the Cross Nick Peros, 2020-08-07 What Happened on the Cross offers a new and biblical understanding of how salvation was accomplished upon the cross showing that the Penal Substitution view common since the 1500s does not have a biblical basis and also showing that the Christus Victor understanding is inadequate. The book is founded upon the understanding that Jesus Christ is the Second Adam and that is the foundation of how we are to understand how salvation was accomplished. Both the shedding of blood and death were essential in the accomplishment of salvation and What Happened on the Cross shows why these were essential. Using over 740 Scripture verses to make its argument, the book gives a comprehensive picture from Genesis to Revelation of the many aspects involved in the accomplishment of salvation, above all showing clearly that the cross had nothing to do with punishment for sins; our sins were never punished upon the cross; rather, our sins were forgiven. Understanding how salvation was accomplished upon the cross and that it was about forgiveness, not punishment, both exalts God and his greatness, demonstrates his perfect love and justice as well as liberates our hearts towards him.

Penitence and Sacrifice in Early Israel Outside the Levitical Law R. J. Thompson, 1963 *Sacrifice* Robert Petkovsek, Bojan Zalec, 2018 Various fundamental and vital areas and aspects of human life are in some way crucially interwoven with the ideas, ideals, and practices of sacrifice. As an attention-grabbing example of how important sacrifice may influence society, let us mention suicide terrorist attacks that by spreading sorrow, panics, and fear have changed the face of today's world. But the importance of sacrifice reaches broader and deeper. The authors of this book show that it is connected with the origins of human culture and its transformations. This interdisciplinary book brings the results of the research in the areas of humanities and social science. Various aspects of sacrifice are considered and connected. The book is an important contribution to the formation of a culture of sacrifice and offering appropriate for the modern world. Professor Robert Petkovsek is the Dean of the Faculty of Theology, University of Ljubljana. Research Professor Bojan Zalec is the Head of the Institute of Philosophy and Social Ethics at the Faculty of Theology, University of Ljubljana. **Expository Notes, with**
