Sir Boss:

A Connecticut Yankee, Intensive-Learning English, Clung Frederick Schiller Faust, 1920 **Peculiar Whiteness** Justin Mellette, 2021-03-01 Peculiar Whiteness Racial Anxiety and Poor Whites in Southern Literature 1900 1965 argues for deeper consideration of the complexities surrounding the disparate treatment of poor whites throughout southern literature and attests to how broad such experiences have been While the history of prejudice against this group is not the same as the legacy of violence perpetrated against people of color in America individuals regarded as white trash have suffered a dehumanizing process in the writings of various white authors Poor white characters are frequently maligned as grotesque and anxiety inducing especially when they are aligned in close proximity to blacks or to people with disabilities Thus as a symbol much has been asked of poor whites and various iterations of the label e g white trash tenant farmers or even people with a little less money than average have been subject to a broad spectrum of judgment pity compassion fear and anxiety Peculiar Whiteness engages key issues in contemporary critical race studies whiteness studies and southern studies both literary and historical Through discussions of authors including Charles Chesnutt Thomas Dixon Sutton Griggs Erskine Caldwell Lillian Smith William Faulkner and Flannery O Connor we see how whites in a position of power work to maintain their status often by finding ways to recategorize and marginalize people who might not otherwise have seemed to fall under the auspices or boundaries of white trash Don Quixote Kathy Acker, 1986 In this extraordinary and unique novel Don Quixote is an indomitable woman on an intractable quest to become a knight and defeat the evil enchanters of modern America **Mr. Block** Graphic History Collective, 2023-08-01 Before the Golden Age of comic books there was Mr Block a bumbling boss loving anti union blockhead brought to life over a hundred years ago by subversive cartoonist Ernest Riebe A dedicated labour activist and member of the Industrial Workers of the World Riebe dreamed up his iconic union hating anti hero to satirize conservative workers faith in the capitalist system that exploits them This wickedly funny anthology of Riebe s writings and comics is a treasure trove of radical 20th century art and an essential addition to the bookshelves of comics lovers historians and labour activists alike As income inequality skyrockets and the collective power of the working class is undermined the lessons from Mr Block s misadventures and misbeliefs are as relevant today as ever Building the new world from the ashes of the old demands many tools and laughter will always be one of them If Truth Be Told William Friday, 2012-07-10 If Truth Be Told is a tapestry of mostly true stories taken from the author s life as a Federal employee These stories are used as the backdrop for a surprisingly ruthless attack by management on a worker s program conceived by the Carter Administration The author uses biting humor cutting satire and in places outright slapstick comedy as he guides us through the futile attempts of petty bureaucrats determined to scuttle a Young Adult Conservation Corps camp on the Oregon coast They make one fatal mistake as so often happens to the rich and powerful They underestimate the resourcefulness of their opposition deceived by their own overblown conceits If Truth Be Told law students or union

representatives could use this book as a primer and guide to defend labor against persistent assaults by management Which side are you on is a question oft asked by the author You decide as you journey through this tapestry of fact based historic fiction set in splendidly beautiful Oregon landscapes Betrayal in the City F. D. Imbuga,1987 Betrayal in the City first published in 1976 and 1977 was Kenya s national entry to the Second World Black and African Festival of Arts and Culture in Lagos Nigeria The play is an incisive thought provoking examination of the problems of independence and freedom in post colonial African states where a sizeable number of people feel that their future is either blank or bleak In the words of Mosese one of the characters It was better while we waited Now we have nothing to look forward to We have killed our past and are busy killing our future Page 4 of cover Investigation of Crime and Law Enforcement in the District of Columbia United States. Yankee in King Arthur's Court Jeffrey Hatcher, Mark Twain, 2017-03-16 Lancelot Guinevere and Merlin come tumbling your way in this contemporary adaptation of the satirical tale from America's favorite humorist. Wander with Twain as he time travels to 6th century England through the eyes of Hank Morgan of Hartford, Connecticut, who is unexpectedly transported back to the time of legendary King Arthur. Hank astonishes the Middle Ages with modern technology and pop culture. These tricks from the future initially advance and improve King Arthur's Court, but society ultimately struggles to evolve 1,300 years into the future. Jeffrey Hatcher's adaptation of Twain's romp exposes the foibles and fortes of both ages, leading audiences to question and laugh at themselves and the principles of the 21st century.

Medieval Imaginaries in Tourism, Heritage and the Media Jennifer Frost, Warwick Frost, 2021-08-12 This book examines the pervading influence of medieval culture through an exploration of the intersections between tourism, heritage, and imaginaries of the medieval in the media. Drawing on examples from tourist destinations, heritage sites, fictional literature, television, and cinema, the book illustrates how the medieval period has consistently captured the imagination of audiences and has been reinvented for contemporary tastes. Chapters present a range of international examples from nineteenth-century Victorian notions of chivalry knights in shining armour, exemplified by King Arthur and damsels in distress, to the imagining of the Japanese samurai as medieval knights. Other topics explored include the changing representations of medieval women, the Crusades, and the Vikings, and the challenges faced by medieval cathedrals to survive economically and socially. This book offers multidisciplinary perspectives and will appeal to scholars and students across a variety of disciplines such as cultural studies, history, tourism, heritage studies, historical geography, and sociology.
