Suck It, Sister! Crystal-Rain Love, 2019-10-31 What can suck more than a vampire Family Sure Danni's sister is spoiled rotten and self centered but she couldn't let her die after she stumbled into an ambush meant for Danni and her hunky sire To save her Rider had to turn her and he's not too happy about it Danni and Rider's relationship is strained Danni's succubus side is acting up Daniel's looking at her kind of funny Danni's sister is turning out to be a major problem Selander Ryan's out there somewhere Rider's gorgeous and powerful old friend just pops into his room whenever she feels like it Danni's become Nannette's lab rat She kind of adopted a teenager and she still can't even have a freaking cupcake *Sister Light, Sister Dark* Jane Yolen, 2011-08-02 Jenna a warrior is sister of light and can call forth her sister of darkness Skada **The Chinese Sisters of the Precious Blood and the Evolution of the Catholic Church** Cindy Yik-yi Chu, 2016-11-09 This book traces the origins of the Chinese Sisters of the Precious Blood in Hong Kong and their history up to the early 1970s and contributes to the neglected area of Chinese Catholic women in the history of the Chinese Catholic Church It studies the growth of an indigenous community of Chinese sisters who acquired a formal status in the local and universal Catholic Church and the challenge of identifying Chinese Catholic women in studies dealing with the Chinese Church in the first half of the twentieth century as these women remained faceless and nameless in contrast to their Catholic male counterparts of the period Emphasizing the intertwining histories of the Hong Kong Church the churches in China and the Roman Catholic Church it demonstrates how the history of the Precious Blood Congregation throws light on the formation and development of indigenous groups of sisters in contemporary China **A Remonstrance Against an Established Religion in**

vulnerability as an index of social position along intersecting axes of sex gender status and class Erika Zimmermann Damer underscores the fluid dynamic and contingent nature of identities in Roman elegy in response to a period of rapid legal political and social change Recognizing this power of material flesh to shape elegiac poetry she asserts grants figures at the margins of this poetic discourse mistresses rivals enslaved characters overlooked members of households their own identities even when they do not speak She demonstrates how the three poets create a prominent aesthetic of corporeal abjection and imperfection associating the body as much with blood wounds and corporeal disintegration as with elegance refinement and sensuality **Childbirth and the Display of Authority in Early Modern France** Lianne McTavish,2017-03-02

Throughout the early modern period in France surgeon men midwives were predominantly associated with sexual impropriety and physical danger yet over time they managed to change their image and by the eighteenth century were summoned to attend even the uncomplicated deliveries of wealthy urban clients In this study Lianne McTavish explores how surgeons strove to transform the perception of their midwifery practices claiming to be experts who embodied obstetrical authority instead of intruders in a traditionally feminine domain McTavish argues that early modern French obstetrical treatises were sites of display participating in both the production and contestation of authoritative knowledge of childbirth Though primarily written by surgeon men midwives the texts were also produced by female midwives and male physicians McTavish's careful examination of these and other sources reveals representations of male and female midwives as unstable and divergent undermining characterizations of the practice of childbirth in early modern Europe as a gender war which men ultimately won She discovers that male practitioners did not always disdain maternal values In fact the men regularly identified themselves with qualities traditionally respected in female midwives including a bodily experience of childbirth Her findings suggest that men's entry into the lying in chamber was a complex negotiation involving their adaptation to the demands of women One of the great strengths of this study is its investigation of the visual culture of childbirth McTavish emphasizes how authority in the birthing room was made visible to others in facial expressions gestures and bodily display For the first time here the vivid images in the treatises are analysed including author portraits and engravings of unborn figures McTavish reveals how these images contributed to arguments about obstetrical authority instead of merely illustrating the written content of the books At the same time her arguments move far beyond the lying in chamber shedding light on the exchange of visual information in early modern France a period when identity was largely determined by the precarious act of putting oneself on display *Hubbell's Legal Directory for Lawyers and Businessmen ...* ,1876 *Bad Blood* Linda Fairstein,Simon & Schuster, Limited,2007 Krimi Alexandra Cooper er anklager i en sag i New York om et lejemord Midt under retssagen sker der en eksplosion i en af vandtunnelerne dybt under jorden og tilsyneladende er der en sammenheng Det tvinger Alexandra til at gå i dybden på mere end normalt *A Phone Call Away...* Molly Brown,2024-09-30 A phone call away an important call which can make or break a relationship Life is messy not perfect Emma is trying to change

Leonhard,2010-05-03 Gabriel Jordan lives a lonely life on the streets taking the rare job that usually means spending hours in the cold waiting for a chance to take a photograph of a cheating spouse That s how he meets Dr Aleksei Tennant who he sees suspiciously jumping from a window of a woman s apartment Tennant introduces Gabriel to the hidden worlds magical worlds connected to this one by portals Gabriel is eager to learn the runes for opening them Tennant is eager to teach and a fragile friendship develops amidst a series of murders These aren t just any murders The killer has a grudge against the mixture of other races he doesn t kill humans only those of the hidden worlds who are producing children of tainted blood When the killer attacks them directly Gabriel and Tennant have to team up to find the murderer even though they re putting themselves their love and any chance at a future together in danger **Spirits of Blood, Spirits of Breath** Barbara Alice Mann,2016-01-06 Before invasion Turtle Island or North America was home to vibrant cultures that shared long standing philosophical precepts The most important and wide spread of these was the view of reality as a collaborative binary known as the Twinned Cosmos of Blood and Breath This binary system was built on the belief that neither half of the cosmos can exist without its twin Both halves are therefore necessary and good Western anthropologists typically shorthand the Twinned Cosmos as Sky and Earth but this erroneously saddles it with Christian baggage and worse imposes a hierarchy that puts sky quite literally above earth

None of this Western ideology legitimately applies to traditional Indigenous American thought which is about equal cooperation and the continual recreation of reality. *Spirits of Blood* examines traditional historical concepts of spirituality among North American Indians both at and to the extent it can be determined before contact. In doing so, Barbara Alice Mann rescues the authentically indigenous ideas from Western and especially missionary interpretations. In addition to early European source material, she uses Indian oral traditions traced as much as possible to their earliest versions and sources and Indian records including pictographs, petroglyphs, bark books, and wampum. Moreover, Mann respects each Indigenous culture as a discrete unit rather than generalizing them as is often done in Western anthropology. To this end, she collates material in accordance with actual historical linguistic and traditional linkages among the groups at hand with traditions clearly identified by group and where recorded by speaker. In this way, she provides specialists and non-specialists alike a window into the purportedly lost and often caricatured world of Indigenous American thought. Written in Blood Diane Fanning, 2025-09-23 A 2006 Edgar Award Nominee for Best Fact Crime. With intimate access to the families, award-winning journalist Diane Fanning's *Written in Blood* spins a heart-wrenching true crime tale that's been the subject of an acclaimed documentary *The Staircase* and an HBO TV miniseries starring Colin Firth. An army brat turned marine, Michael Peterson saw combat in Vietnam and returned a decorated soldier. An avid reader, his dreams of being an acclaimed novelist came true. His desire to find love was fulfilled when he married brilliant executive Kathleen Atwater, the first female student accepted at Duke University's School of Engineering. The Petersons seemed the ideal academic couple: well-respected, prosperous, and happy. All that came crashing down in December of 2001 when Kathleen apparently fell to her death in their secluded home in an exclusive area of Durham, North Carolina. But blood-spattered evidence and a missing fireplace poker suggested a calculated, cold-blooded murder. Her trusted husband stood accused. Prosecutors introduced evidence at trial that sixteen years earlier, Peterson was one of the last people to see his neighbor alive before she was found dead at the bottom of a staircase in her home in Germany. A dramatic trial followed in the explosive final chapter of a life that no novelist could ever have conceived. **The Official Catholic Directory**, 1921 The Native Tribes of Central Australia Baldwin Spencer, Francis James Gillen, 1898.
