Sixty Years In Sitka

LL Leslie

Sixty Years In Sitka:

The Tlingit Encounter with Photography Sharon Gmelch, 2008-10-31 Based on research in 13 North American archives including the Penn Museum's Shotridge Collection examination of hundreds of photographs and extensive oral history interviews with both Tlingit and non Natives Sharon Bohn Gmelch presents valuable insights on the reactions of Native subjects to being photographed and their own early use of photography Today these now historical images are being reclaimed from public archives by the Tlingit contributing to a new sense of empowerment and pride in their rich heritage This is the first book to explore the photographic imagery of the Tlingit during a critical period of change from the 1860s through the 1920s It also provides the first full treatment of the Tlingit photography of Elbridge W Merrill a neglected figure in the history of ethnographic photography The author has included 129 rare photographic images a map bibliography and index **BOOK JACKET**

Alaska at War, 1941-1945 Fern Chandonnet, 2007-09-15 Over the course of the past two hundred years only one United States territory has experienced foreign occupation Alaska Available for the first time in paperback *Alaska at War* brings readers face to face with the North Pacific front in World War II Wide ranging essays cover the war as seen by Alaskan eyes including the Japanese invasion of the Attu and Kiska islands the effects of the war on Aleutian Islanders and the American campaign to recover occupied territory Whether you're a historian or a novice student interested in this pivotal period of American history *Alaska at War* provides fascinating insight into the background history and cultural impact of war on the Alaskan homefront

Space and Place in Jewish Studies Barbara E. Mann, 2012-02-10 Scholars in the humanities have become increasingly interested in questions of how space is produced and perceived and they have found that this consideration of human geography greatly enriches our understanding of cultural history This spatial turn equally has the potential to revolutionize Jewish Studies complicating familiar notions of Jews as people of the Book displaced persons with only a common religious tradition and history to unite them *Space and Place in Jewish Studies* embraces these exciting critical developments by investigating what space has meant within Jewish culture and tradition and how notions of Jewish space diaspora and home continue to resonate within contemporary discourse bringing space to the foreground as a practical and analytical category Barbara Mann takes us on a journey from medieval Levantine trade routes to the Eastern European shtetl to the streets of contemporary New York introducing readers to the variety of ways in which Jews have historically formed communities and created a sense of place for themselves Combining cutting edge theory with rabbinic anthropology and literary analysis Mann offers a fresh take on the Jewish experience

The Tlingit Indians George Thornton Emmons, Frederica De Laguna, 1991 This comprehensive study of the Tlingit Indians of southern Alaska and the coast of British Columbia is an edited version of manuscripts by the ethnographer G T Emmons compiled in the 1880s and 1890s Extensive bibliography and illustrations

Sacred Body Roberta Sterman Sabbath, 2023-05-30 *Sacred Body Readings* in Jewish Literary Illumination provides fresh and insightful interpretations of Jewish texts narratives and cultural practices

that show how these artifacts un hinge the sacred from the divine and focus instead on the everyday sacred of a dynamic earthly existence that emphasizes the body celebrates life affirming decisions actions and relationships and avoids abstraction metaphysics and apocalypticism Roberta Sabbath argues that a diverse array of Jewish artifacts from sacred scripture to contemporary novels and ballet performance articulate a tradition that has existed for millennia in mythic proto historic legalistic mystical philosophical and aesthetic expressions of Jewishness The author refers to this tradition as Jewish literary illumination and she deftly demonstrates how it illuminates the most salient message of Judaism that earthly existence and the body are also the site of the spiritual and the sacred *The Midland Monthly Magazine* ,1894

Reading the Waves Lidia Yuknavitch,2025-02-04 The frank and revealing memoir of a writer who draws from her own creativity to heal I believe our bodies are carriers of experience Lidia Yuknavitch writes in her provocative memoir Reading the Waves I mean to ask if there is a way to read my own past differently using what I have learned from literature how stories repeat and reverberate and release us from the tyranny of our mistakes our traumas and our confusions Drawing on her background her father s abuse her complicated dynamic with her disabled mother the death of her child her sexual relationships with men and women and her creative life as an author and teacher Yuknavitch has come to understand that by using the power of literature and storytelling to reframe her memories she can loosen the bonds that have enslaved her emotional growth Armed with this insight she allows herself to look with the eye of an artist at the wounds she suffered and come to understand the transformational power this has to restore her soul By turns candid and lyrical stoic and forgiving blunt and evocative Reading the Waves reframes memory to show how crucial this process can be to gaining a deeper understanding of ourselves Reading Michael Chabon Helene Meyers,2010-03-23 The world of Michael Chabon comes alive in the first full length analytical guide devoted to this brilliantly creative writer Pulitzer Prize winning author Michael Chabon is considered one of the most distinguished contemporary American novelists Reading Michael Chabon the first full length volume on the writer views his career as bridging the gap between literary and popular culture Designed for book club members and high school and college students this reference guide will help readers keep track of Chabon s intricate plots and draw thematic connections between and among his major novels It will also help them understand his fiction as cultural commentary on contemporary masculinity and Jewish identity The book treats both Chabon s life and work including film adaptations of his novels his love affair with comics and his forays into detective and adventure fiction A chapter is dedicated to each of his major novels including Mysteries of Pittsburgh Wonder Boys The Amazing Adventures of Kavalier and Clay and The Yiddish Policemen s Union **Tongass National Forest** United States. Congress. Senate. Committee on Energy and Natural Resources. Subcommittee on Public Lands, National Parks, and Forests,1989 The Midland Monthly ,1894

The Management of Forests F. C. Osmaston,2024-06-25 Originally published in 1968 this book discusses the principles and methods on which forest management has been founded in the past and how these principles and methods still apply or

are affected by modern management skills changing demands social habits and resources The book is concerned mainly with the technical aspects of forestry and the classic foundations of management To a lesser degree it deals with commercial efficiency labour relations and the implications of these The historical chapter shows the trends in the development of forestry particularly in Europe

Post-9/11 Historical Fiction and Alternate History Fiction Pei-chen Liao, 2020-09-19 Drawing on theories of historiography memory and diaspora as well as from existing genre studies this book explores why contemporary writers are so fascinated with history Pei chen Liao considers how fiction contributes to the making and remaking of the transnational history of the U S by thinking beyond and before 9 11 investigating how the dynamics of memory as well as the emergent present influences readers reception of historical fiction and alternate history fiction and their interpretation of the past Set against the historical backdrop of WWII the Vietnam War and the War on Terror the novels under discussion tell Jewish Japanese white American African Muslim and Native Americans stories of trauma and survival As a means to transmit memories of past events these novels demonstrate how multidirectional memory can be not only collective but connective as exemplified by the echoes that post 9 11 readers hear between different histories of violence that the novels chronicle as well as between the past and the present

The Rough Guide to Alaska Paul Whitfield, 2004 The Rough Guide to Alaska is the indispensable guidebook to one of the world s greatest adventure destinations The Rough Guide will ensure the reader gets the most from their time in this extraordinary region The opening pages feature a full colour introduction to Alaska s highlights with inspirational photography of the stunning sights and activities on offer from viewing the ethereal glow of the Northern Lights to cruising the epic highways There are evocative accounts of the state s vast wilderness from the majestic peak of Denali to the glaciers of Prince William Sound and lively reports on Anchorage Fairbanks and all Alaska s rough hewn towns There is also expert advice on the multitude of outdoor activities such as hiking mountain biking rafting fishing and kayaking plus lesser known activities such as panning for gold or riding a husky sled

Memory Eternal Sergei Kan, 2014-07-01 In *Memory Eternal* Sergei Kan combines anthropology and history anecdote and theory to portray the encounter between the Tlingit Indians and the Russian Orthodox Church in Alaska in the late 1700s and to analyze the indigenous Orthodoxy that developed over the next 200 years As a native speaker of Russian with eighteen years of fieldwork experience among the Tlingit Kan is uniquely qualified to relate little known material from the archives of the Russian church in Alaska to Tlingit oral history and his own observations By weighing the one body of evidence against the other he has reevaluated this history arriving at a persuasive new concept of converged agendas the view that the Tlingit and the Russians tended to act in mutually beneficial ways but for entirely different reasons throughout the period of their contact with one another The Russian American Company began operations in southeastern Alaska in the 1790s Against a description of Tlingit culture at the time of the Russians arrival Kan examines Russian Orthodox theology ritual practice and missionary methods and the Tlingit response to them An uneasy symbiosis characterized the early era of the Russian

American Company when the trading relationship outweighed any spiritual or social rapprochement A second major focus of Kan s study is the Tlingit experience with American colonial domination He attributes a sudden revival of Tlingit interest in Orthodoxy in the 1880s as their attempt to maintain independence in the face of concerted efforts by the newcomers and especially Presbyterian missionaries to Americanize them Memory Eternal shows the colonial encounter to be both a power struggle and a dialogue between different systems of meaning It portrays Native Alaskans not as helpless victims but as historical agents who attempted to adjust to the changing reality of their social world without abandoning fundamental principles of their precolonial sociocultural order or their strong sense of self respect *New Directions in Jewish American and Holocaust Literatures* Victoria Aarons, Holli Levitsky, 2019-02-28 What does it mean to read and to teach Jewish American and Holocaust literatures in the early decades of the twenty first century New directions and new forms of expression have emerged both in the invention of narratives and in the methodologies and discursive approaches taken toward these texts The premise of this book is that despite moving farther away in time the Holocaust continues to shape and inform contemporary Jewish American writing Divided into analytical and pedagogical sections the chapters present a range of possibilities for thinking about these literatures Contributors address such genres as biography the graphic novel alternate history midrash poetry and third generation and hidden child Holocaust narratives Both canonical and contemporary authors are covered including Michael Chabon Nathan Englander Anne Frank Dara Horn Joe Kupert Philip Roth and William Styron

NGDC Key to Geophysical Records Documentation ,1996 *The Rainbow of Delta Tau Delta* ,1924 **Alternate History** Kathleen Singles, 2013-10-14 While strictly speaking Alternate Histories are not Future Narratives their analysis can shed a clear light on why Future Narratives are so different from past narratives Trying to have it both ways most Alternate Histories subscribe to a conflicting set of beliefs concerning determinism and freedom of choice contingency and necessity For the very first time Alternate Histories are here discussed against the backdrop of their Other Future Narratives The volume contains in depth analyses of the classics of the genre such as Philip K Dick s *The Man in the High Castle* and Philip Roth s *The Plot against America* as well as less widely discussed manifestations of the genre such as Dieter K hn s *N* Christian Kracht s *Ich werde hier sein im Sonnenschein und im Schatten* and Quentin Tarantino s film *Inglourious Basterds*

The Virginia Quarterly Review ,2007 **Routledge Library Editions: Higher Education** Various, 2021-03-29 The volumes in this set originally published between 1964 and 2002 draw together research by leading academics in the area of higher education and provide a rigorous examination of related key issues The volume examines the concepts of learning teaching student experience and administration in relation to the higher education through the areas of business sociology education reforms government educational policy business and religion whilst also exploring the general principles and practices of higher education in various countries This set will be of particular interest to students and practitioners of education politics and sociology

Sixty Years In Sitka Book Review: Unveiling the Power of Words
