Soundings Conversations About Catholicism

Elizabeth Lumley

Soundings Conversations About Catholicism:

Soundings Michael W. Higgins, Douglas Richard Letson, 2000 **Bible Conversations: Catholic-Protestant Dialogues on the Bible, Tradition, and Salvation** Dave Armstrong, 2007-04-27 Fifteen dialogues loosely based on encounters of a Catholic apologist with Protestants over the course of nearly five years of Internet discussions on lists bulletin boards and private correspondence The most important and fundamental issues that divide Protestants and Catholics are dealt with the relationship of Bible and tradition the authority of the Church whether the Church and tradition can be infallible like the Bible how one is saved the relationship of faith and works whether Catholics believe in salvation by works grace alone etc **Stalking the Holy** Michael W. Higgins, 2006 In *Stalking the Holy* writer and scholar Michael W Higgins explores the Roman Catholic pursuit of saint making the pre eminent Christian model he argues with its elaborate features and arcane cast of players such as the relator and the promotor of the faith He points out that if saints are not actually made so much as recognized by the Church nevertheless this official recognition is a form of manufacture involving motivation expertise and risk **The Jesuit Disruptor** Michael W. Higgins, 2024-09-10 A fresh look at a complex pope with a simple agenda radically reforming the Catholic Church Jorge Mario Bergoglio is the consummate disruptor disrupting archaic modes of church governance disrupting our collective spiritual complacency in the face of new challenges to our human flourishing while at the same time remaining deeply faithful to the organic traditions of the church He is the leader of the Roman Catholic Church but beyond that he is a universal leader with commanding moral presence able to connect with laypeople and with non Christian faiths Pope Francis is also a credible moral voice on issues of immigration economic inequity the devastating consequences of political populism and the accelerating threats to the environment in spite of the fact that he faces deep infrastructure and governance scandals in his organization In his determination to reform the Vatican and ensure the Catholic faith evolves in a way that is relevant to the 21st century Francis is very much carrying on the tradition of the Jesuits an order known for their work in education humanitarian missions and social justice A deep understanding of the Jesuit order informs Michael W Higgins s approach in this novel reading of a papacy unlike any other *Dialogues on the Catholic and Protestant rules of faith, between a member of the British Reformation Society and a Catholic layman. With an appendix* James SMITH (Controversialist.), 1831 **The Conversation of Faith and Reason** Aidan Nichols, 2011 **A Reply to Smith's Dialogues on the Catholic and Protestant Rules of Faith** William MacGavin, 1832 **Canadian Books in Print. Author and Title Index**, 1975 [The Oxford History of British and Irish Catholicism, Volume V](#) Alana Harris, 2023-09-01 The fifth volume of *The Oxford History of British Irish Catholicism* covering the period from the Great War through the Second World War and the Second Vatican Council surveys the transformed ecclesial landscape between the papacies of Benedict XV and Pope Francis It explores the efforts of bishops priests and people in Ireland and Scotland Wales and England to respond to modern challenges and reintegrate the experiences and expertise of the laity into the ministry of

the Church Alongside the twentieth century s designation as an era of technological innovation war peace globalization decolonization and liberation this period has also been designated the People s Century Viewed through the lens of the Catholic church in Britain and Ireland these same dynamics are explored within thematic synoptic chapters by leading scholars As a century characterized by the rise or better renewal of the apostolate of the laity this edited collection traces the struggles to reconcile tradition re evaluate hierarchical authority adapt to social and educational mobility as well as to adjudicate serious challenges from outside and within including inflammatory biopolitics and clerical sexual abuse to religious belief and the legitimacy of the Church as an institution

Canadian Who's Who 2008 Elizabeth

The Future of Catholic Biblical Scholarship Luke Timothy Johnson,William S. Kurz,2002

This volume considers the current state of research offering a critique of current approaches to Catholic Biblical scholarship from a Catholic viewpoint The authors they re both Catholic theologians Johnson teaches at Emory U Kurz at Marquette U have contributed five chapters each on their approaches to Biblical interpretation chapters in which they respond to each other s work and a co written conclusion offering their views on the importance of maintaining a Catholic identity in Biblical scholarship

Good Catholics Patricia Miller,2014-05-20 Good Catholics tells the story of the remarkable individuals who have engaged in a nearly fifty year struggle to assert the moral legitimacy of a pro choice position in the Catholic Church as well as the concurrent efforts of the Catholic hierarchy to suppress abortion dissent and to translate Catholic doctrine on sexuality into law Miller recounts a dramatic but largely untold history of protest and persecution which demonstrates the profound and surprising influence that the conflict over abortion in the Catholic Church has had not only on the church but also on the very fabric of U S politics Good Catholics addresses many of today s hot button questions about the separation of church and state including what concessions society should make in public policy to matters of religious doctrine such as the

Catholic ban on contraception Good Catholics is a Gold Medalist Women's Issues in the 2015 IPPY awards an award presented by the Independent Publishers Book Association to recognize excellence in independent book publishing

About Merton, 2002 **Ecclesiology and Postmodernity** Gerard Mannion, 2017-01-13 What in the world is postmodernity Is it the dominant reality today If it is what does it mean to be a church in a postmodern world It seems that the church had a difficult time coming to terms with a modern world an era ruled by the claims of scientific certainty Having done so more or less it is now confronted by the claims of postmodernity which seem to reverse the whole equation to say that certainty and objectivity are chimeras What is truth Pilate asked and postmodernity at least as caricatured by its opponents responds There's no such thing Gerard Mannion in *Ecclesiology and Postmodernity* addresses the situation of the church in a postmodern world The fundamental changes in human society and culture wrought by the twentieth century require the church to consider its response in the twenty first century What is the church's moral Vision how does its practice look what is the nature of its aspiration toward holiness in our times Mannion believes that since Vatican II the Catholic Church has been in a kind of limbo awaiting a Vision of its own life for the future Rather than focusing on specific controversies Mannion offers concrete suggestions about how the church can create a better harmony between its own self understanding its ecclesiological Vision and its day to day life its ecclesial practice Gerard Mannion PhD educated at King's College Cambridge University and New College Oxford University is Associate Professor of Ecclesiology and Ethics in the Department of Theology and Religious Studies at Liverpool Hope University UK He is also the director of Church In Our Times Centre for the Study of Contemporary Ecclesiology co director of the Applied Ethics Initiative at Liverpool Hope co chair of the AAR American Academy of Religion Ecclesiological Investigations Program Unit and co ordinator of the Ecclesiological Investigations International Research Network Mannion is the author of *Schopenhauer Religion and Morality* and co editor of *Readings in Church Authority Gifts and Challenges for Contemporary Catholicism* both published by Ashgate in 2003 and co editor of the forthcoming volumes *The Routledge Companion to the Christian Church* and *Catholic Social Justice Theological and Practical Explorations* **Mortal Sins: Sex, Crime, and the Era of Catholic Scandal** Michael D'Antonio, 2013-04-09 An explosive sweeping account of the pedophile scandal that has sent the Catholic church into a tailspin and the fight to bring it to justice *Catholic World*, 1909 *Sounding Feminine* David Kennerley, 2020-05-01 Between 1780 and 1850 the growing prominence of female singers in Britain's professional and amateur spheres opened a fraught discourse about women's engagement with musical culture Protestant evangelical gender ideology framed the powerful well trained and expressive female voice as a sign of inner moral corruption while more restrained and delicate vocal styles were seen as indicative of the performer's virtuous femininity Yet far from everyone was of this persuasion and those from alternative class and religious milieux responded in more affirmative ways to the sound of professional female voices The meanings listeners ascribed to women's voices reflect crucial developments in the musical world of the period

such as the popularity of particular genres with audiences of certain social backgrounds and the reasons underpinning the development of prevalent types of nineteenth century professional female vocality *Sounding Feminine* traces the development of attitudes towards the female voice that have decisively shaped modern British society and culture Arguing for the importance of the aural dimension of the past author David Kennerley draws from a variety of fields including sound studies sensory histories and gender theory to examine how audiences heard different kinds of femininities in the voices of British female singers *Sounding Feminine* explores the intense divisions over the correct use of the female voice and the intricate links between gender nationality class and religion in ascribing status purpose and morality to female singing Through this lens Kennerley also explores the formation of British middle class identities and the cultural impact of the evangelical revival deepening our understanding of this period of transformational change in British culture *The Bible and the Anointing of the Sick (A Catholic Biblical Theology of the Sacraments)* Michael Patrick Barber,2025-07-22 The Catholic Biblical Theology of the Sacraments series provides readers with a deeper appreciation of God s gifts and call in the sacraments through a renewed encounter with God s Word In this addition to the series Michael Barber offers a biblical approach to anointing of the sick drawing from both the Old and New Testaments This book unpacks the riches of the Scriptures to explain what true healing in Christ involves In addition Barber demonstrates how an exegetical approach to the sacrament can advance our understanding of it Topics include the biblical significance of oil the relationship of physical healing and spiritual healing including the forgiveness of sins sin and death Christ as the New Adam the continuation of Jesus s ministry in the church the power of sacral anointing Christ s fulfillment of messianic hopes and participation in Christ s royal priestly and prophetic mission The book is suitable for classroom use and parish ministry Series editors Timothy C Gray and John Sehorn teach at the Augustine Institute Graduate School of Theology and Gray is also president of the Augustine Institute *Accountability and Leadership in the Catholic Church* Brian Dive,2020-01-06 The Catholic church is many things a sign and instrument of Christ a gathering of flawed human beings a mystery It is in some ways unlike any other organization in the world yet it is nevertheless an organization as St John Henry Newman observed it has developed according to the laws under which combinations of men develop Over the past century a body of knowledge has emerged concerning how to create healthy effective organizations This volume innovatively applies this knowledge to the church identifying ways in which its organizational life needs to improve One fundamental problem considered here is that there is a gap in leadership above the bishops about 6 000 people report to the pope which is unworkable with the result that the curia which is largely unaccountable illegitimately moves into that gap and tries to run the church The book proposes a new role for cardinals to remedy this and outlines a new structure for the curia reorienting it towards its proper functions Things can and should change if the church is to show the world the light within it *The Divorced Catholic's Guide to Parenting* Lynn Cassella-Kapusinski,2020-03-13 In *The Divorced Catholic's Guide to Parenting* Catholic author speaker and licensed clinical

professional counselor and pastoral counselor Lynn Cassella Kapusinski herself a child of divorce takes parents step by step through these challenges Drawing on her own story and professional experience she helps Catholic parents walk with their children through the heartbreak of divorce into the healing peace and even joy that is possible in their lives In this groundbreaking work readers will Uncover the emotional effects and challenges that divorce or separation may have on children and find concrete developmentally appropriate ways to address them Understand common problems children face as a result of coparenting difficulties or a parent s personal issues and learn how to communicate constructively about them Navigate circumstances that arise in the later stages of divorce when a parent is absent or when one or both parents date or remarry Explore ways to use the divorce as a Catholic teaching tool on God forgiveness and the beauty of the Sacrament of Matrimony Find outside resources and additional support Throughout this book Lynn s thoughtful advice reveals how the Catholic Faith and its teachings are the key to loving your children through divorce and preparing them to live full joyful lives I commend Lynn Cassella Kapusinski for shining light on a common but difficult to address topic She offers wisdom for parents on how with God s grace to raise their children after the pain of separation Not only does she communicate the teaching of the Church but she also offers insightful practical details stemming from her own experience as a counselor that will greatly benefit divorced parents in supporting and guiding their children Archbishop Samuel J Aquila Archdiocese of Denver The Divorced Catholics Guide to Parenting is a welcome follow up to Lynn s earlier works Drawing from the best of the psychological sciences the Church s teachings and her own experiences this newest addition demonstrates a thoughtful coincidence of wisdom with approachability and practicality Lynn s book and ministry are great gifts to the Archdiocese of Baltimore and beyond Archbishop William E Lori Baltimore Lynn Cassella Kapusinski s book The Divorced Catholic s Guide to Parenting is an answer to the calling of the whole Christian community to accompany with attention and care those who have endured the effects of divorce Offering professional and personal insights it is a timely resource particularly to help treat and heal the wounds suffered by the most innocent and vulnerable the children of divorce Archbishop Wilton D Gregory Archdiocese of Washington D C A very impressive easy to use guide for divorced parents to help with their children s journey Lynn shares her experience as a child of divorce and counselor to families and provides specific tools and the gifts of our Catholic Church to minimize the trauma of divorce for children This guide addresses any stage your family is struggling through and can be revisited as dynamics change As a Family Therapist I recommend this book for parents who are looking for answers and support to ease the pain Kelly Klaus MA LMFT Executive Director of Catholic Divorce Ministry A remarkable book to aid divorced parents in pastorally walking with their child who has been affected by divorce Lynn once more writes a great resource for families who seek healing She provides practical and poignant steps that divorced parents can take to aid their child Lynn captures the reality that it is faith in God that will be an anchor for all dealing with loss and pain Michael Donaldson MTS Parish Development Director Saint Oscar Romero Catholic Community Eastvale CA ABOUT THE AUTHOR

Lynn Cassella Kapusinski LCPC NCC is a licensed clinical professional counselor pastoral counselor and a leading figure in Catholic pastoral care of children from divorced or separated families Her work has been recognized by Pope Emeritus Benedict XVI the Pontifical John Paul II Institute for Studies on Marriage and the Family the Knights of Columbus and various dioceses She has appeared on EWTN and Relevant Radio and speaks at conferences around the country
