Sounds of Language Readers Bill Martin, Charles Dean Miller, 1970 **Sounds of a Young Hunter** Bill Martin, Peggy Brogan, 1972 A collection of poems stories rhymes and songs illustrated by different artists *Visions of Sound* Beverley Diamond, M. Sam Cronk, Franziska von Rosen, 1994 The most comprehensive study ever undertaken of the musical instruments of native people in Northeastern North America *Visions of Sound* focuses on interpretations by elders and consultants from Iroquois Wabanati Innuat and Anishnabek communities Beverley Diamond M Sam Cronk and Franziska von Rosen present these instruments in a theoretically innovative setting organized around such abstract themes as complementarity twinness and relationship As sources of metaphor in both sound and image instruments are interpreted within a framework that regards meaning as emergent and that challenges a number of previous ethnographic descriptions Finally the association between sound and motion an association that illuminates the unity of music and dance and the life cycles of individual musical instruments is explored Featuring over two hundred photographs of instruments dialogues among the coauthors numerous interviews with individual music makers and an appended catalogue of over seven hundred instrument descriptions this is an important book for all ethnomusicologists and students of Native American culture as well as general readers interested in Native American mythology and religious life *Wired for Sound* Paul D. Greene, Thomas Porcello, 2012-01-01 Winner of the Society for Ethnomusicology's Klaus Wachsmann Award 2006 *Wired for Sound* is the first anthology to address the role of sound engineering technologies in the shaping of contemporary global music *Wired sound* is at the basis of digital audio editing multi track recording and other studio practices that have powerfully impacted the world's music Distinctions between musicians and engineers increasingly blur making it possible for people around the globe to imagine new sounds and construct new musical aesthetics This collection of 11 essays employs primarily ethnographical but also historical and psychological approaches to examine a range of new technology intensive musics and musical practices such as fusions of Indian film song rhythms heavy metal and gamelan in Jakarta urban Nepali pop which juxtaposes heavy metal Tibetan Buddhist ritual chant rap and Himalayan folksongs collaborations between Australian aboriginals and sound engineers the production of heaviness in heavy metal music and the production of the Austin sound This anthology is must reading for anyone interested in the global character of contemporary music technology CONTRIBUTORS Harris M Berger Beverley Diamond Cornelia Fales Ingemar Grandin Louise Meintjes Frederick J Moehn Karl Neunfeldt Timothy D Taylor Jeremy Wallach *The Sound of Navajo Country* Kristina M. Jacobsen, 2017-02-22 In this ethnography of Navajo Din popular music culture Kristina M Jacobsen examines questions of Indigenous identity and performance by focusing on the surprising and vibrant Navajo country music scene Through multiple first person accounts Jacobsen illuminates country music's connections to the Indigenous politics of language and belonging examining through the lens of music both the politics of difference and many internal distinctions Din make among themselves and their fellow Navajo citizens As the second largest

tribe in the United States the Navajo have often been portrayed as a singular and monolithic entity Using her experience as a singer lap steel player and Navajo language learner Jacobsen challenges this notion showing the ways Navajos distinguish themselves from one another through musical taste linguistic abilities geographic location physical appearance degree of Navajo or Indian blood and class affiliations By linking cultural anthropology to ethnomusicology linguistic anthropology and critical Indigenous studies Jacobsen shows how Navajo poetics and politics offer important insights into the politics of Indigeneity in Native North America highlighting the complex ways that identities are negotiated in multiple often contradictory spheres

The Triumph George Frederick Root, 1868 Dance Pedagogy for a Diverse World Nyama McCarthy-Brown, 2017-04-26 Issues of race class gender and religion permeate the study of contemporary dance resulting in cultural clashes in classrooms and studios The first of its kind this book provides dance educators with tools to refocus teaching methods to celebrate the pluralism of the United States The contributors discuss how to diversify ballet technique classes and dance history courses in higher education choreographing dance about socially charged contemporary issues and incorporating Native American dances into the curriculum among other topics The application of relevant pedagogy in the dance classroom enables instructors to teach methods that reflect students culture and affirm their experiences

Speech and Voice Leopold Stein, 2018-10-26 Originally published in 1942 this title was recognised as setting new standards in the scientific approach to speech problems Much speech therapy in the past had been unsatisfactory because of its emphasis upon the purely mechanical aspects of the condition while at the same time the purely psychological approach was not

sufficient to lead to satisfactory and radical treatment either In this title the author combines the two approaches and by setting out the basic pathology of the various conditions he throws new light upon them Today it can be read and enjoyed in its historical context The New Rolling Stone Album Guide Nathan Brackett,Christian David Hoard,2004 Publisher Description *Sounds of a Hound Dog* Bill Martin,1974 *Sounds of Resistance* Eunice Rojas,Lindsay W. Michie,2013-10-08 From the gospel music of slavery in the antebellum South to anti apartheid freedom songs in South Africa this two volume work documents how music has fueled resistance and revolutionary movements in the United States and worldwide Political resistance movements and the creation of music two seemingly unrelated phenomenon often result from the seed of powerful emotions opinions or experiences This two volume set presents essays that explore the connections between diverse musical forms and political activism across the globe revealing fascinating similarities regarding the interrelationship between music and political resistance in widely different geographic or cultural circumstances The breadth of specific examples covered in *Sounds of Resistance* The Role of Music in Multicultural Activism highlights strong similarities between diverse situations for example protest against the Communist government in Poland and drug discourse in hip hop music in the United States and demonstrates how music has repeatedly played a vital role in energizing or expanding various political movements By exploring activism and how music relates to specific movements through an interdisciplinary lens the authors document how music often enables powerless members of oppressed groups to communicate or voice their concerns *International Books in Print* ,1979 Minutes of State Board of Education California.
