

What is a **Historical Source**?

A **historical source** is any type of material or evidence that provides us with information about the past.

It can be a written document, such as letters, diaries, or official records, which tell us about historical events from the perspective of those who lived them.

They can also be physical objects, such as archaeological artifacts or monuments, that reveal aspects of the culture and society of previous eras.

Historical sources allow us to reconstruct and understand the past, analyze events, and draw conclusions about how humanity has evolved over time.
