## **South Of Reason A Novel:**

**South of Reason** Cindy Eppes, 2002-03-13 Everybody in Rosalita Texas wondered why the Sanders family had come back to town and bought the house next door to Lou Jean Perry It was the absolute last place they should want to be Now Kayla Sanders looks back on that sizzling summer of her childhood when the secrets of the past cast long shadows over two families lives In June 1967 Lou Jean Perry s husband the first and only person from Rosalita killed in Vietnam had been dead for more than a year When thirteen year old Kayla first met her a laughing Lou Jean executed a perfect backbend right there on her sparkling clean kitchen floor It stood to reason that this bright spirited woman the complete opposite of Kayla s brittle churchgoing mother Sarah Jo would become Kayla s new best friend As the heat and madness of summer intensified Sarah Jo s motives for moving next to Lou Jean would become clear but not before a family s foundation cracks and crumbles a woman is driven to the brink of madness and a young girl discovers that passion listens not to the mind s reason but to the heart s demands Writing about family with a poignant intensity Cindy Eppes draws on her Southern roots to create a coming of age story told by a narrator straight out of Eudora Welty yet indelibly stamped with a distinctive contemporary style Beautifully crafted South of Reason shows Eppes to be an extraordinary storyteller weaving a shimmering web shot through with the rainbow colors of life

**Legal Realisms** Christine Holbo, 2019-08-01 The Civil War Reconstruction and the post war Amendments revolutionized American intellectual life compelling new discussions of inequality and difference Legal Realisms explores how a new kind of American novel emerged in relation to contemporary aesthetic legal and political debates about the meaning of social representation in literature and public life

**Black Professional Women in Recent American Fiction** Carmen Rose Marshall, 2015-01-24 The last three decades of the 20th century have marked the triumph of many black professional women against great odds in the workplace Despite their success few novels celebrate their accomplishments Black middle class professional women want to see themselves realistically portrayed by protagonists who work to achieve significant productivity and visibility in their careers desire stability in their personal lives aspire to accrue wealth and live elegantly though not consumptively The author contends that most recent American realistic fiction fails to represent black professional women protagonists performing their work effectively in the workplace Identifying the extent to which contemporary novels satisfy the readerly desires of black middle class women readers this book investigates why the readership wants the texts as well as what they prefer in the books they buy It also examines the technical and cultural factors that contribute to the lack of books with self empowered black professional female protagonists and considers *The Salt Eaters* by Toni Cade Bambara and *Waiting to Exhale* by Terry McMillan two novels that function as significant markers in the development of contemporary black women writers texts

An Interdisciplinary Perspective* Jessica Aliaga Lavrijsen, Michael Bick, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2013 The 20th century has been characterised by an unprecedented violence that seems to have left an imprint in contemporary societies from the two World Wars or the terrorist attack of 9/11 to natural catastrophes or sexual abuse All of these terrible experiences have been collected represented and communicated by many different people especially in the last few decades as seen in the high number of books and films dealing with traumatic experiences As a result an interdisciplinary trauma studies field has emerged At the 2nd Global Conference Trauma Theory

and Practice an interdisciplinary conference hosted in Prague in the spring of 2012 academics and professionals met to explore and debate issues surrounding the experience of individual and collective traumas their representations in art and some theoretical approaches to trauma This book is a collection of the papers presented at the conference a snapshot of the current work in the field of trauma studies      **The Japanese Discovery of Chinese Fiction** William C.

Hedberg,2019-10-15 The classic Chinese novel The Water Margin Shuihu zhuan tells the story of a band of outlaws in twelfth century China and their insurrection against the corrupt imperial court Imported into Japan in the early seventeenth century it became a ubiquitous source of inspiration for translations adaptations parodies and illustrated woodblock prints There is no work of Chinese fiction more important to both the development of early modern Japanese literature and the Japanese imagination of China than The Water Margin In The Japanese Discovery of Chinese Fiction William C Hedberg investigates the reception of The Water Margin in a variety of early modern and modern Japanese contexts from eighteenth century Confucian scholarship and literary exegesis to early twentieth century colonial ethnography He examines the ways Japanese interest in Chinese texts contributed to new ideas about literary canons and national character By constructing an account of Japanese literature through the lens of The Water Margin s literary afterlives Hedberg offers an alternative history of East Asian textual culture one that focuses on the transregional dimensions of Japanese literary history and helps us rethink the definition and boundaries of Japanese literature itself      **The Publishers' Circular and Booksellers' Record** ,1927

Select Novels ,1865      Speak So I Shall Know Thee William J. Walsh,2012-02-29 A R Ammons was asked if he agreed that the United States has not produced a major poet in the last 30 years I agree The poetry in the country has become sort of a company affair where support for the arts has just about ruined the arts and the system of bureaucrats managing the funds being developed here and there is turning into trade unionism which may be the best way to write poetry but it is unfamiliar to me This comprehensive collection contains 31 interviews in which Southern writers talk about their craft the Southern literary scene and themselves Poets short story writers and novelists include firmly established writers side by side with emerging talent Lee Smith James Dickey Harry Crews Pat Conroy Doris Bett Pulitzer Prize winner Donald Justice and 25 others      **Faith and Fiction** Anita Gandolfo,2007-08-30 In recent years there has been an explosion in the market for fiction on religious topics and themes most notably Dan Brown s The Da Vinci Code The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications it is emblematic of the contemporary American Zeitgeist Traditionally literature is both mirror and lamp reflecting the society that produces it and illuminating the values and interests of that society Recognizing both of those perspectives Gandolfo examines Christian literature s place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available The phenomenon surrounding Dan Brown s The Da Vinci Code has led to a cottage industry of interpretations attacks and commentaries but

one thing is certain the book has had an enormous impact on American society culture and religious understanding not to mention the publishing industry which scrambles to find similar religious books to feed to an eager public But The Da Vinci Code is not the only book of its type on the market today In recent years there has been an explosion in the market for fiction on religious topics and themes with an entire series devoted to the impending Rapture as described in the Left Behind series Some fiction does not take an explicitly religious theme as these books do Instead writers like Andre Dubus and Ron Hansen imbue their creative work with spiritual and religious themes embedded in the everyday lives and concerns of their characters Regardless of the specific approach what is not in doubt is that American readers have made the authors of these works wealthy as bookstores cannot stock their shelves with enough copies Why the recent surge of interest in Christian fiction How does it reflect trends in our culture and our lives How has it changed our society and our understanding of spirituality and religion How accurate are these books in terms of the theology they espouse The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications it is emblematic of the contemporary American Zeitgeist Traditionally literature is both mirror and lamp reflecting the society that produces it and illuminating the values and interests of that society Recognizing both of those perspectives Faith and Fiction examines Christian literature's place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available

Emotions and Contingencies in Conrad's Fiction Yoko Okuda, 2024-10-18 This

book sets out to elucidate Conrad's unique insight into the workings of human emotions for a readership of scholars and graduate students engaged in Conrad studies. It argues that the originality of Conrad's conception of human emotions lies in his comprehensive grasp of emotions in the broad framework of a contingent world; he regards emotions as fundamentally a manifestation of human defiance towards reality. The book takes up seven of Conrad's works which are of significance from the perspective of emotions and contingencies including *Heart of Darkness* and *Nostromo*. *J. M. Coetzee's Politics of Life and Late Modernism in the Contemporary Novel* Marc Farrant, 2024-03-05. Surveying the full breadth of J. M. Coetzee's career as both academic and novelist, this book argues for the necessity of rethinking his profound indebtedness to literary modernism in terms of a politics of life. Isolating a particular strain of late modernism epitomised by Kafka and Beckett, Farrant claims that Coetzee's writings consistently demonstrate an agonistic engagement with the concept of life that involves an entanglement of politics and ethics which supersedes the singular theoretical frameworks often applied to Coetzee such as postcolonialism, posthumanism and animal studies. Running throughout his engagement with questions of modernity and colonialism, storytelling and life writing, human and non-human life, religion and post-Enlightenment subjectivity, Coetzee's politics of life yield a new literary cosmopolitanism for the twenty-first century, a powerful commentary on our interrelatedness that emphasises finitude and contingency as fundamental to the way we live together. *J. M. Coetzee and the Ethics of Reading* Derek Attridge, 2021-04-10. Nobel Prize-winning novelist J. M. Coetzee is one of the most widely taught contemporary writers but also one of the most elusive. Many critics who have addressed his work have devoted themselves to rendering it more accessible and acceptable, often playing down the features that discomfort and perplex his readers. Yet it is just these features, Derek Attridge argues, that give Coetzee's work its haunting power and offer its greatest rewards. Attridge does justice to this power and these rewards in a study that serves as an introduction for readers new to Coetzee and a stimulus for thought for those who know his work well. Without overlooking the South African dimension of his fiction, Attridge treats Coetzee as a writer who raises questions of central importance to current debates both within literary studies and more widely in the ethical arena. Implicit throughout the book is Attridge's view that literature, more than philosophy, politics or even religion, does singular justice to our ethical impulses and acts. Attridge follows Coetzee's lead in exploring a number of issues such as interpretation and literary judgment, responsibility to the other, trust and betrayal, artistic commitment, confession and the problematic idea of truth to the self. *The Publishers Weekly*, 1926 **Hilaire Belloc - Premium Collection: Historical Works, Writings on Economy, Essays & Fiction** Hilaire Belloc, 2023-11-14.
