A Visit to the South Seas Charles Samuel Stewart, 1833 *A Visit to the South Seas* Samuel Stewart Charles Samuel Stewart, 2009-10 New Culture in a New World David Kenley, 2004-06 During the 1920s China's intellectuals called for a new literature system of thought and orientation towards modern life the May Fourth Movement or the New Culture Movement spilled beyond China to the overseas Chinese communities This work analyzes the New Culture Movement from a diaspora perspective of the overseas Chinese in Singapore East Caroline Islands United States. Office of the Chief of Naval Operations, 1944 **Antarctica** David Day, 2013-06-03 Since the first sailing ships spied the Antarctic coastline in 1820 the frozen continent has captured the world's imagination David Day's brilliant biography of Antarctica describes in fascinating detail every aspect of this vast land's history two centuries of exploration scientific investigation and contentious geopolitics *The Japanese in Colonial Southeast Asia* Takashi Shiraishi, Saya S. Shiraishi, 2018-05-31 This collection of essays by Japanese scholars deals with the role played by the Japanese in colonial Southeast Asia particularly the economic impact of Japan on these nations before and after World War II The introductory essay provides an overview of the Japanese presence in this region **The World, The Flesh and the Devil** Andrew Sharp, 2016-10-24 New Zealanders know Samuel Marsden as the founder of the CMS missions that brought Christianity and perhaps sheep to New Zealand Australians know him as the flogging parson who established large landholdings and was dismissed from his position as magistrate for exceeding his jurisdiction English readers know of Marsden for his key role in the history of missions and empire In this major biography spanning research and the subject's life across England New South Wales and New Zealand Andrew Sharp tells the story of Marsden's life from the inside Sharp focuses on revealing to modern readers the powerful evangelical lens through which Marsden understood the world By diving deeply into key moments the voyage out the disputes with Macquarie the founding of missions Sharp gets us to reimagine the world as Marsden saw it always under threat from the Prince of Darkness in need of a bold reprover of vice a world written in the words of the King James Bible Andrew Sharp takes us back into the nineteenth century world and an evangelical mind to reveal the past as truly a foreign country **Nan'yō** Mark R. Peattie, 1992-07-01 Peattie's remarkably readable narrative goes far beyond military and diplomatic history Choice Peattie's comprehensive and fascinating book adds greatly to our knowledge of colonial governments in general the Japanese empire in particular and the global significance of the Pacific Islands The Contemporary Pacific The significance of this book by Peattie a lifelong scholar of the Japanese empire is that it brings Japan's 30 year imperial adventure in the Pacific out of the shadows at last While indispensable for those who have a special interest in the vast part of Micronesia that Japan ruled the author's contribution has an importance for others as well It offers a carefully researched and penetrating look into the heart and soul of one of the very few non Western colonial powers in the Pacific Francis Hezel Journal of Pacific History **The Congregational Year Book 1856 : Containing the Proceedings of the Congregational Union for 1855 and General**

Statistics of the Denomination ,1856 *Indigenous Enlightenment* Stuart McKee,2023-12 In *Indigenous Enlightenment* Stuart D McKee examines the methodologies tools and processes that British and American educators developed to inculcate Indigenous cultures of reading Protestant expatriates who opened schools within British and U S colonial territories between 1790 and 1850 shared the conviction that a beneficent government should promote the enlightenment of its colonial subjects It was the aim of evangelical enlightenment to improve Indigenous peoples welfare through the processes of Christianization and civilization and to transform accepting individuals into virtuous citizens of the settler colonial community Many educators quickly discovered that their teaching efforts languished without the means to publish books in the Indigenous languages of their subject populations While they could publish primers in English by shipping manuscripts to printers in London or Boston books for Indigenous readers gained greater accuracy and influence when they stationed a printer within the colony With a global perspective traversing Western colonial territories in the U S Mexico borderlands the South Pacific Madagascar India and China *Indigenous Enlightenment* illuminates the challenges that British and American educators faced while trying to coerce Indigenous children and adults to learn to read Indigenous laborers commonly supported the tasks of editing printing and dissemination and in fact dominated the workforce at most colonial presses from the time printing began Yet even in places where schools and presses were in synchronous operation missionaries found that Indigenous peoples had their own intellectual systems and most did not learn best with Western methods **Bibliography of Micronesia** Huzio Utinomi,O. anyone who would not love this book It is an extraordinary true story beautifully written Richard Osman A cracking yarn Grann s taste for desperate predicaments finds its fullest expression here Observer From the international bestselling author of KILLERS OF THE FLOWER MOON and THE LOST CITY OF Z a mesmerising story of shipwreck mutiny and murder culminating in a court martial that reveals a shocking truth On 28th January 1742 a ramshackle vessel of patched together wood and cloth washed up on the coast of Brazil Inside were thirty emaciated men barely alive and they had an extraordinary tale to tell They were survivors of His Majesty s ship the Wager a British vessel that had left England in 1740 on a secret mission during an imperial war with Spain While chasing a Spanish treasure filled galleon the Wager was wrecked on a desolate island off the coast of Patagonia The crew marooned for months and facing starvation built the flimsy craft and sailed for more than a hundred days traversing 2 500 miles of storm wracked seas They were greeted as heroes Then six months later another even more decrepit craft landed on the coast of Chile This boat contained just three castaways and they had a very different story to tell The thirty sailors who landed in Brazil were not heroes they were mutineers The first group responded with counter charges of their own of a tyrannical and murderous captain and his henchmen While stranded on the island the crew had fallen into anarchy with warring factions fighting for dominion over the barren wilderness As accusations of treachery and murder flew the Admiralty convened a court martial to determine who was telling the truth The stakes were life and death for whomever the court found guilty could hang
