A Short History of South East Asia Sixth Edition is an abbreviated history of south east Asia written with business readers in mind **A Short History of South-East Asia** Joginder Singh Jessy,1985 **A Short History of Sino-Soviet Relations, 1917-1991** Zhihua Shen,2019-10-31 Drawing on the rich trove of recently declassified Russian and Chinese archival materials this history of Sino Soviet relations in the 20th century sheds new light on key events during this period It offers fresh insights into the role of ideology and national interests in the evolution of the complex and turbulent relationship between not just the two countries but also their respective Communist Parties The chapters on the normalization of bilateral ties provide an in depth analysis of divisions in the socialist camp that culminated in both its collapse and the disintegration of the Soviet Union The book argues that 20th century Sino Soviet relations reflected both long standing and emerging political and geopolitical challenges facing members of the Cold War socialist camp in particular tensions between the ideal of internationalism and national aspirations between commitment to the principle of sovereignty and commitment to that of equality in international relations and between inter party relations and inter state relations This makes for a valuable addition to the reading lists of all those interested in the development of the relationship between two of the world s most important countries

A Short History of the Twentieth Century John Lukacs,2013-10-07 The great themes woven through John Lukacs s spirited concise history of the twentieth century are inseparable from the author s own intellectual preoccupations the fading of liberalism the rise of populism and nationalism the achievements and dangers of technology the continuing democratization of the globe and the limitations of knowledge

India: A Short History (A Short History) Andrew Robinson,2014-05-20 India s unfolding story from the ancient Hindu dynasties to the coming of Islam from the Mughal Empire to the present day India has always been a land of great contradictions To Alexander the

Great the country was a place of clever naked philosophers and massive armies mounted on elephants which eventually forced his army to retreat To ancient Rome it was a source of luxuries mainly spices and textiles paid for in gold hence the enormous numbers of Roman gold coins excavated in India At the height of the Mughal empire in 1700 India boasted 24 percent of the world economy a share virtually equal to Europe s 25 percent But then its economy declined Colonial India was known for its extremes of wealth and poverty epitomized by the Taj Mahal and famines maharajas and untouchables and also for its spirituality many armed Hindu gods and Buddhist philosophy Mahatma Gandhi and Rabindranath Tagore India A Short History places as much emphasis on individuals ideas and cultures as on the rise and fall of kingdoms political parties and economies Anyone curious about a great civilization and its future will find this an ideal introduction at times controversial written by an author who has been strongly engaged with India for more than three decades

Southeast Asia James R. Rush,2018-05-17 James R Rush traces the history of Southeast Asia from the earliest mandala kingdoms to the colonial era and the present day Synthesizing the ideas of leading scholars he provides an analysis of contemporary Southeast Asia that accommodates its bewildering ethnic religious and political complexities while exposing the underlying patterns that make it a unified world region

Brief History of Vietnam Bill Hayton,2022-10-25 A comprehensive guide to understanding Vietnam s long and tumultuous history A Brief History of Vietnam explores the turbulent history of a land that has risen from the ashes of war to become the newest Asian tiger economy This book expertly examines the history of a people and a nation with ancient roots which only took its current shape in the 19th century under French colonial rule and its current name in 1945 Before that Vietnam was known by many names under many rulers Located in the geographic center of Southeast Asia the country we call Vietnam was ruled by China then by a series of Vietnamese emperors and by the French A devastating decades long conflict for independence ensued ending with the conclusion of the Vietnam War in 1975 Key topics discussed in this fascinating book include China s ancient conquest of Vietnam and the millennia long struggle of the Vietnamese for independence from their powerful neighbor to the north The reign of the Nguyen dynasty the last dynasty to rule Vietnam with its capital at the ancient city of Hue today a UNESCO World Heritage Site The story of Ho Chi Minh educated in France who attended the Treaty of Versailles to advocate for independence and became Vietnam s first president after the French were defeated The country s miraculous emergence from three decades of war and how it has embarked on the path to becoming one of the world s fastest growing economies today Journalist Bill Hayton s accessible prose makes A Brief History of Vietnam an essential study of a complex culture at the heart of Southeast Asia and the roots of its current economic dynamism

A Short History of Progress Ronald Wright,2004-10-23 Each time history repeats itself so it s said the price goes up The twentieth century was a time of runaway growth in human population consumption and technology placing a colossal load on all natural systems especially earth air and water the very elements of life The most urgent questions of the twenty first century are where will this growth lead can it be consolidated or sustained and what kind of

world is our present bequeathing to our future In his 1 bestseller *A Short History of Progress* Ronald Wright argues that our modern predicament is as old as civilization a 10 000 year experiment we have participated in but seldom controlled Only by understanding the patterns of triumph and disaster that humanity has repeated around the world since the Stone Age can we recognize the experiment s inherent dangers and with luck and wisdom shape its outcome *A Short History of Medicine* F. González-Crussi,2008-11-11 In this lively learned and wholly engrossing volume F Gonz lez Crussi presents a brief yet authoritative five hundred year history of the science the philosophy and the controversies of modern medicine While this illuminating work mainly explores Western medicine over the past five centuries Gonz lez Crussi also describes how modern medicine s roots extend to both Greco Roman antiquity and Eastern medical traditions Covered here in engaging detail are the birth of anatomy and the practice of dissections the transformation of surgery from a gruesome art to a sophisticated medical specialty a short history of infectious diseases the evolution of the diagnostic process advances in obstetrics and anesthesia and modern psychiatric therapies and the challenges facing organized medicine today Gonz lez Crussi s approach to these and other topics stems from his professed belief that the history of medicine isn t just a continuum of scientific achievement but is deeply influenced by the personalities of the men and women who made or implemented these breakthroughs And as we learn this field s greatest practitioners were like the rest of us human beings with flaws weaknesses and limitations including some who were scoundrels Insightful informed and at times controversial in its conclusions *A Short History of Medicine* offers an exceptional introduction to the major and many minor facets of its subject Written by a renowned author and educator this book gives us the very essence of humankind s search to mitigate suffering save lives and unearth the mysteries of the human animal Praise for F Gonz lez Crussi What Oliver Sacks does for the mind Gonz lez Crussi does for the eye in this captivating set of philosophical meditations on the relationship between the viewer and the viewed Publishers Weekly on On Seeing Gonz lez Crussi fuses science literature and personal history into highly civilized artifacts The Washington Post on There Is a World Elsewhere **A Short History of the Future** W. Warren Wagar,1999-08 Narrated by a far future historian Peter Jensen leaves an account of the world from the 1990s to the opening of the 23rd century as a gift to his granddaughter A combination of fiction and scholarship this third edition of Wagar s speculative history of the future alternates between descriptions of world events and intimate glimpses of this historian s family into the first centuries of the new millennium *A Short History of Laos* Grant Evans,2002 Chronicles the history of Laos discussing such topics as its early kingdoms French rule the Royal Lao Government and the impact of the Vietnam War *A Short History of Biological Warfare* W. Seth Carus,National Defense University (U S),National Defense University.
