Husband, Jonathan F. Husband, 2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series **Hurtin' Words** Ted Ownby, 2018-10-31 When Tammy Wynette sang D I V O R C E she famously said she spelled out the hurtin words to spare her child the pain of family breakup In this innovative work Ted Ownby considers how a wide range of writers thinkers activists and others defined family problems in the twentieth century American South Ownby shows that it was common for both African Americans and whites to discuss family life in terms of crisis but they reached very different conclusions about causes and solutions In the civil rights period many embraced an ideal of Christian brotherhood as a way of transcending divisions Opponents of civil rights denounced brotherhoodism as a movement that undercut parental and religious authority Others especially in the African American community rejected the idea of family crisis altogether working to redefine family adaptability as a source of strength Rather than attempting to define the experience of an archetypal southern family Ownby looks broadly at contexts such as political and religious debates about divorce and family values southern rock music autobiographies and more to reveal how people in the South used the concept of the family as a proxy for imagining a better future or happier past *Chick Lit* Suzanne Ferriss, Mallory Young, 2013-03-07 From the bestselling Bridget Jones s Diary that started the trend to the television sensation Sex and the City that captured it on screen chick lit has become a major pop culture phenomenon Banking on female audiences identification with single urban characters who struggle with the same life challenges publishers have earned millions and even created separate imprints dedicated to the genre Not surprisingly some highbrow critics have dismissed chick lit as trashy fiction but fans have argued that it is as empowering as it is entertaining This is the first volume of its kind to examine the chick lit phenomenon from a variety of angles accounting for both its popularity and the intense reactions positive and negative it has provoked The contributors explore the characteristics that cause readers to attach the moniker chick to a particular book and what if anything distinguishes the category of chick lit from the works of Jane Austen on one end and Harlequin romance novels on the other They critique the genre from a range of critical perspectives considering its conflicted relationship with feminism and postfeminism heterosexual romance body image and consumerism

The fourteen original essays gathered here also explore such trends and subgenres as Sistah Lit Mommy Lit and Chick Lit Jr as well as regional variations As the first book to consider the genre seriously Chick Lit offers real insight into a new generation of women s fiction **Southern Belle's Handbook** Loraine Despres,2001-01-01 In this sassy sexy survival manual women of all ages can learn to speak Southern no matter where they were born and raised With this fabulous scandalous and downright hilarious collection of wisdom any woman can navigate life and avoid the pitfalls that come along the way Two color *Jewish Book World* ,2006 *The Scandalous Summer of Sissy LeBlanc* Loraine Despres,2024-04-16 It s a steamy June afternoon in Louisiana circa 1956 and Sissy LeBlanc is sitting on her front porch wondering half seriously if she could kill herself with aspirins and Coca Cola She s been living in stifling old Gentry since the day she was born and trapped in a sham of a marriage to PeeWee LeBlanc since she was only seventeen In short she s fed up restless and ready for an adventure Sissy just never imagined temptation would come into her life that breathless summer day as she sat smoking on her porch swing For although she may have been fixated on the taut muscles of the lineman shimmying down the telephone pole across the street she hadn t allowed herself to imagine that he d be none other than her high school sweetheart Parker Davidson who left town fourteen years before without so much as a wave good bye But suddenly here he is leaning in for a kiss that will stir up more excitement than Sissy could ever have imagined Forthcoming Books Rose Army,2003 **Books in Print Supplement** ,2002 *The Bad Behavior of Belle Cantrell* Loraine Despres,2009-10-13 Belle Cantrell felt guilty about killing her husband and she hated that Feeling guilty that is A lady shouldn t do something she s going to feel guilty about later was a rule Belle kept firmly in mind So begins *The Bad Behavior of Belle Cantrell* a story of murder adultery and regular church attendance which introduces Belle Cantrell as a beautiful young widow with a rebellious streak years before she will become grandmother to Sissy LeBlanc the feisty main character of Loraine Despres s bestselling *The Scandalous Summer of Sissy LeBlanc* The year is 1920 prohibition is in full swing women are clamoring for the vote and a narrow minded intolerance is on the rise Life isn t easy for an unmarried woman not in a little town like Gentry Louisiana especially after she s sent to jail for swimming in an indecent bathing costume with a group of suffragists It s not as if Belle doesn t know how to behave She knows the rules She keeps the Primer of Propriety firmly in mind But sometimes most of the time she has to twist the rules a little or break them or give them a permanent kink because they all say the same thing Don t And a girl has got to live After a year and a half of mourning Belle decides to get on with her life and kicks off a season of tumult that will change her and Gentry forever Sexy sassy with laugh out loud humor and a cast of zany characters you won t forget *The Bad Behavior of Belle Cantrell* is a big comic love story and a page turner But it delves deeper as Belle struggles to find her moral center and stand up to forces that are determined to destroy the soul of a town and the people she loves
