Beyond Market Value Annette Campbell White, 2019-09-03 Beyond Market Value chronicles Annette Campbell White's remarkable life from a childhood spent in remote mining camps throughout the British Commonwealth where books created an imaginary home to her early adulthood in London where she first discovered a vocation as a book collector to Silicon Valley where she built a pioneering career as a formidable venture capitalist She recalls the impulsive purchase of the first book in her collection T S Eliot's A Song for Simeon and her pursuit of rare editions of all one hundred titles listed in Cyril Connolly's The Modern Movement Campbell White's collecting and career peaked in 2005 when she acquired the last of the Connolly titles and was first named to Forbes Midas List the annual ranking of the most successful dealmakers in venture capital In 2007 out of concern for their preservation Campbell White rashly sold the Connolly titles she had spent more than twenty years assembling leading to a new appreciation of what remained of her collection and going forward a broader focus on collecting modernist letters manuscripts and ephemera Beyond Market Value is both a loving tribute to literary collecting and a telling account of the challenges of being a woman in the male dominated world of finance

Journals: 1928-1939 André Gide, 2000

Beginning with a single entry for the year 1889 when he was twenty and continuing intermittently but indefatigably through his life the Journals of Andr  Gide constitute an enlightening moving and endlessly fascinating chronicle of creative energy and conviction Astutely and thoroughly annotated by Justin O Brien in consultation with Gide himself this translation is the definitive edition of Gide s complete journals The complete journals representing sixty years of a varied life testify to a disciplined intelligence in a constantly maturing thought These pages contain aesthetic appreciations philosophic reflections sustained literary criticism notes for the composition of his works details of his personal life and spiritual conflicts accounts of his extensive travels and comments on the political and social events of the day from the Dreyfus case to the German occupation Gide records his progress as a writer and a reader as well as his contacts and conversations with the bright lights of contemporary Europe from Paul Valry Paul Claudel Lon Blum and Auguste Rodin to Marcel Proust Stephen Mallarm Oscar Wilde and Nadia Boulanger Devoid of affectation alternately overtaken by depression and animated by a sense of urgency and hunger for literature and beauty Gide read voraciously corresponded voluminously and thought profoundly always questioning and doubting in search of the unadulterated truth The only drama that really interests me and that I should always be willing to depict anew he wrote is the debate of the individual with whatever keeps him from being authentic with whatever is opposed to his integrity to his integration Most often the obstacle is within him And all the rest is merely accidental
