Southwest Expedition Of Jedediah S Smith:

The Southwest Expedition of Jedediah S. Smith Jedediah Strong Smith, 1977 Recounts Smith's crossings of the Mojave Desert the Great Basin and the Sierra Nevada and contains the daybook of Harrison G Rogers Historical Atlas of the American West Warren A. Beck, 1989 The 78 maps in this atlas add significant information to the study of the development of the American West Defined for this resource as those 17 continental states west of the Missouri River The maps range in chronology from explorations in the sixteenth century to the location of World War II prisoner of war and Japanese internment camps The atlas includes maps of geographic flora and fauna data Maps are on the left pages and narratives about the maps are on the facing pages Maps are black and white clear and easily read An Appendix shows Spanish Mexican land grants and there is an index This is an excellent atlas for both middle and high schools Includes a section on Arkansas aboriginal setting and Native American tribes Describes European contacts and settlements Explorers of the American West Jay H. Buckley, Jeffery D. Nokes, 2016-03-28 With original primary source documents this anthology brings readers into the vast unknown 19th century American West through the eyes of the explorers who saw it for the first time This volume brings together book excerpts maps and illustrations from 12 explorers from the 19th century highlighting their lives and contributions Arranged chronologically the 10 chapters focus on individual explorers with biographies and background information about and document excerpts from each person The chapters offer analyses of each document's relevance to the historical period geographic knowledge and cultural perspective This guide shares the important contributions from explorers like Lewis and Clark Zebulon Pike Jedediah Smith James P Beckwourth John C Fremont Susan Magoffin and John Wesley Powell It also nurtures readers historical literacy by modeling historians methods of analyzing primary sources Readers will see new and familiar events from different perspectives including that of a woman traveling along the Santa Fe Trail one of the most famous African American mountain men and a Civil War veteran among many others **Literary Nevada** Cheryll Glotfelty, 2016-06-01 Over 200 writings about Nevada with selections from Native American tales to contemporary writings on urban experience and environmental concerns The state of Nevada embodies paradox and contradiction home to one of the fastest growing cities in the nation and to isolated ranches scattered across a sparsely populated backcountry Nevada is a place where the lust for sudden wealth has prompted both wild mining booms and glittering casinos and where forbidding atomic test sites coexist with alluring tourist meccas The variety and distinctiveness of Nevada's landscape and peoples have inspired writers from the beginning of immigrant contact with the region This contact has produced abundant literary wealth that includes the rich oral traditions of Native American peoples and an amazing spectrum of contemporary voices Literary Nevada is the first comprehensive literary anthology of Nevada It contains over 200 selections ranging from traditional Native American tales explorers and emigrants accounts and writing from the Comstock Lode and other mining boomtowns as well as compelling fiction poetry and essays from throughout the

state's history. There is work by well-known Nevada writers such as Sarah Winnemucca, Mark Twain, and Robert Laxalt, by established and emerging writers from all parts of the state, and by some nonresident authors whose work illuminates important facets of the Nevada experience. The book includes cowboy poetry, travel writing, accounts of nuclear Nevada, narratives about rural life and urban life in Las Vegas and Reno, poetry and fiction from the state's best contemporary writers, and accounts of the special beauty of wild Nevada's mountains and deserts. Editor Cheryll Glotfelty provides insightful introductions to each section and author. The book also includes a photo gallery of selected Nevada writers and a generous list of suggested further readings. Nevada has inspired an exceptionally rich panorama of fine writing and a dazzling array of literary voices. The selections in *Literary Nevada* will engage and delight readers while revealing the complex and exciting diversity of the state's history, people, and life.

The Proper Edge of the Sky Edward A. Geary, 1992. Edward Geary's collection of writings on the High Plateau country of central and southern Utah, a combination guidebook, travel narrative, personal essays, and natural, social, and literary history, encompasses each of those forms with a sweep as broad as the landscape it describes. It traces the progress of travelers to the region, including the historic Dominguez Escalante party in 1776 and trappers and explorers such as Jedediah Smith, John C. Fremont, and Kit Carson. Scandinavian and English descendants of the early Mormon pioneers sent to settle Manti and surrounding areas by Brigham Young in 1849 populate many of the pages and dominate the agrarian villages described by the author. The book also describes the multiethnic society of French, Basque, Greek, Slav, Italian, Chinese, Welsh, and Finnish laborers and coal miners that developed in the region. Geary writes of all these people with affection and a deep sense of place, of belonging to a distinctive landscape and its history. It is a book that will bring a rush of understanding to those who have lived in the High Plateaus and a greater depth of appreciation to visitors.

Man, Models and Management Jeffrey H. Altschul, 1989. **After Lewis and Clark** Robert M. Utley, 2004-01-01. In 1807, a year after Lewis and Clark returned from the shores of the Pacific, groups of trappers and hunters began to drift West to tap the rich stocks of beaver and to trade with the Native nations. Colorful and eccentric, bold and adventurous mountain men such as John Colter, George Drouillard, Hugh Glass, Andrew Henry, and Kit Carson found individual freedom and financial reward in pursuit of pelts. Their knowledge of the country and its inhabitants served the first mapmakers, the army, and the streams of emigrants moving West in ever greater numbers. The mountain men laid the foundations for their own displacement as they led the nation on a westward course that ultimately spread the American lands from sea to sea.

A Life Wild and Perilous Robert M. Utley, 2015-09-15. This richly documented book is the definitive study of the decisive role mountain men played in the exploration and expansion of the Western frontier. Jay P. Dolan, *The New York Times Book Review*. Early in the nineteenth century, the mountain men emerged as a small but distinctive group whose knowledge and experience of the trans-Mississippi West extended the national consciousness to continental dimensions. Though Lewis and Clark blazed a narrow corridor of geographical reality, the West remained largely terra incognita until

trappers and traders such as Jim Bridger Kit Carson Tom Fitzpatrick and Jedediah Smith opened paths through the snow choked mountain wilderness These and other Mountain Men opened the way west to Fremont and played a major role in the pivotal years of 1845 1848 when Texas was annexed the Oregon question was decided and the Mexican War ended with the Southwest and California in American hands thus making the Pacific Ocean America s western boundary

The Elusive Eden Richard B. Rice, William A. Bullough, Richard J. Orsi, Mary Ann Irwin, Michael F. Magliari, Cecilia M. Tsu, 2019-09-13

Tucson C. L. Sonnichsen, 1987 A history of Tucson Arizona traces the development of this great southwestern city from its beginning as a mud village in northern Mexico two centuries ago to its emergence as an American metropolis

Crow's Range David Beesley, 2017-04-04 John Muir called it the Range of Light the most divinely beautiful of all the mountain chains I ve ever seen The Sierra Nevada a single unbroken mountain range stretching north to south over four hundred miles best understood as a single ecosystem but embracing a number of environmental communities has been the site of human activity for millennia From the efforts of ancient Native Americans to encourage game animals by burning brush to create meadows to the burgeoning resort and residential development of the present the Sierra has endured and often suffered from the efforts of humans to exploit its bountiful resources for their own benefit Historian David Beesley examines the history of the Sierra Nevada from earliest times beginning with a comprehensive discussion of the geologic development of the range and its various ecological communities Using a wide range of sources including the records of explorers and early settlers scientific and government documents and newspaper reports Beesley offers a lively and informed account of the history environmental challenges and political controversies that lie behind the breathtaking scenery of the Sierra Among the highlights are discussions of the impact of the Gold Rush and later mining efforts as well as the supporting industries that mining spawned including logging grazing water resource development market hunting urbanization and transportation the

politics and emotions surrounding the establishment of Yosemite and other state and national parks the transformation of the Hetch Hetchy into a reservoir and the desertification of the once lush Owens Valley the roles of the Forest Service Park Service and other regulatory agencies the consequences of the fateful commitment to wildfire suppression in Sierran forests and the ever growing impact of tourism and recreational use Through Beesley's wide ranging discussion John Muir's divinely beautiful range is revealed in all its natural and economic complexity a place that at the beginning of the twenty first century is in grave danger of being loved to death Available in hardcover and paperback **Gold Rush Saints** Kenneth N.

Owens, 2005 Combines narrative history and firsthand Mormon accounts that cast light on the presence of Latter day Saints in California during the Gold Rush in the middle 1840s Reprint *Contest for California* Stephen G. Hyslop, 2019-07-23 California's early history was both colorful and turbulent After Europeans first explored the region in the sixteenth century it was conquered and colonized by successive waves of adventurers and settlers In *Contest for California* award winning author Stephen G Hyslop draws on a wide array of primary sources to weave an elegant narrative of this epic struggle for control of the territory that many saw as a beautiful sprawling land of promise In vivid detail Hyslop traces the story of early California from its founding in 1769 by Spanish colonists to its annexation in 1848 by the United States He describes the motivations and activities of colonizers and colonized alike Using eyewitness accounts he allows all participants Native American Spanish Mexican and Anglo American to have their say Soldiers settlers missionaries and merchants testify to the heroic and commonplace the colorful and tragic in California's pre American history Even as he acknowledges the dark side of this story Hyslop avoids a simplistic perspective Moving beyond the polarities that have marked late twentieth century California historiography he offers nuanced portraits of such controversial figures as Jun pero Serra and treats the Californios and their distinctive Hispanic culture with a respect lacking in earlier histories Attentive to tensions within the invading groups priests and the military during the Spanish era merchants and settlers during the American era he also never loses sight of their impact on the original inhabitants of the region California's Native peoples He also recounts the journeys of colonists from Russia England and other countries who influenced the development of California as it passed from the hands of Spaniards and Mexicans to Americans Exhaustively researched yet concise this book offers a much needed alternative history of early California and its evolution from Spanish colony to American territory **Building a House Divided** Stephen G.

Hyslop, 2023-09-26 By the time Abraham Lincoln asserted in 1858 that the nation could not endure permanently half slave and half free the rift that would split the country in civil war was well defined The origins and evolution of the coming conflict between North and South can in fact be traced back to the early years of the American Republic as Stephen G Hyslop demonstrates in *Building a House Divided* an exploration of how the incipient fissure between the Union's initial slave states and free states or those where slaves were gradually being emancipated lengthened and deepened as the nation advanced westward Hyslop focuses on four prominent slaveholding expansionists who were intent on preserving the Union but

nonetheless helped build what Lincoln called a house divided Presidents Thomas Jefferson Andrew Jackson and James K Polk and Senator Stephen A Douglas of Illinois who managed a plantation in Mississippi bequeathed by his father in law Hyslop examines what these men did collectively and individually to further what Jefferson called an empire of liberty though it kept millions of Black people in bondage Along with these major figures in all their conflicts and contradictions he considers other American expansionists who engaged in and helped extend slavery among them William Clark Stephen Austin and President John Tyler as well as examples of principled opposition to the extension of slavery by northerners such as John Quincy Adams and southerners like Henry Clay and Thomas Hart Benton who held slaves but placed preserving the Union above extending slavery across the continent The long view of the path to the Civil War as charted through the Jeffersonian and Jacksonian eras in this book reveals the critical fault in the nation s foundation exacerbated by slaveholding expansionists like Jefferson Jackson Polk and Douglas until the house they built upon it could no longer stand for two opposite ideas at once **Kaweah River Basin Investigation, California, Tulare County and King County** ,1996 **Kaweah River Basin Project, California** United States. Office of the Assistant Secretary of the Army (Civil Works),1997 Indian Survival on the California Frontier Albert L. Hurtado,1990-09-10 Looks at the Indians who survived the invasion of white settlers during the nineteenth century and integrated their lives into white society while managing to maintain their own culture **Utah Historians and the Reconstruction of Western History** Gary Topping,2003 Among historians of Utah and the American West few names have greater resonance than Bernard DeVoto Dale Morgan Juanita Brooks Wallace Stegner and Fawn Brodie Each of these writers made enduring contributions not only to our knowledge of the American West but also to our view of the region and its history In many ways their writing set the standard for scholarship and interpretation and their influence is still felt today Yet they were not flawless As Gary Topping explains in this the first comprehensive appraisal of their work each had serious shortcomings DeVoto and Stegner master storytellers distorted their histories with excessive use of literary and artistic techniques Morgan the thorough researcher failed to see larger contexts and interpretive possibilities Brooks courageous in finding damning new information on the Mountain Meadows massacre stopped short of drawing conclusions that might alienate her from her fellow Mormons and Brodie psychobiographer extraordinaire nonetheless succumbed to reading too much into the lives of her subjects based on her own emotions and conflicts All five writers experienced Mormon Utah in the formative stages of their lives and whether they wanted to or not fashioned their work on the American West under that indelible influence Topping shows ultimately how despite weaknesses each created exemplary models of diligent research and narrative elegance while establishing new traditions in western historical scholarship *Bookman's Guide to Americana* Joseph Norman Heard,Charles F.
