**Southwestern Journal of Anthropology** ,1967      *Cultures of the Pacific* Thomas G. Harding,Ben J. Wallace,1970-04  
Cultures of the Pacific offers a selection of 28 readings representing anthropological research interests cultural variation in the Pacific The selections emphasize anthropological significance and relevance rather than substantive and geographical coverage The articles are divided into 6 topical areas of major importance Culture History Technology Economics Social Life Politics Social Control Religion Culture Change Among the selections included are The Kon Tiki Myth by Robert C Suggs The Primitive Economics of the Trobriand Islanders by Bronislaw Malinowski and The Rights of Primitive Peoples by Margaret Mead Many of the selections including 4 previously unpublished papers have not been readily available to the reader Editors introductions to each section indicate the place of the individual contributions in Pacific studies in particular and in anthropology in general Illustrations tables complement the text Cultures of the Pacific is designed primarily for undergraduate graduate courses in the anthropology of Pacific peoples cultures It will also find application in courses dealing with the cultural geography history of the Pacific as well as those concerned with the political science economic development of the area      *Human origin sites and the World Heritage convention in the Americas, Volume II* UNESCO Office Mexico,2015-12-31      **Field Research** Robert G. Burgess,2003-09-02 First Published in 1982 Routledge is an imprint of Taylor Francis an informa company      *Gods of Flesh, Gods of Stone* Joanne Punzo Waghorne,Norman Cutler,Vasudha Narayanan,1996 Drawing from topics of religion in India such as bhakti puja rituals and spirit possessions these essays offer a close study of the physical representations of god as the central feature of Hinduism A valuable tool for students of anthropology and the philosophy and history of religion      *Peoples of the Pacific* Paul D'Arcy,2017-05-15 Presenting the history of the inhabitants of the Pacific Islands from first colonization until the spread of European colonial rule in the later 19th century this volume focuses specifically on Pacific Islander European interactions from the perspective of Pacific Islanders themselves A number of recorded traditions are reproduced as well as articles by Pacific Island scholars working within the academy The nature of Pacific History as a sub discipline is presented through a sample of key articles from the 1890s until the present that represent the historical evolution of the field and its multidisciplinary nature The volume reflects on how the indigenous inhabitants of the Pacific Islands have a history as dynamic and complex as that of literate societies and one that is more retrievable through multidisciplinary approaches than often realized      **Comparative Education Research** Mark Bray,Bob Adamson,Mark Mason,2007-07-20 Approaches and methods in comparative education research are of obvious importance but do not always receive adequate attention This book contributes new insights within the longstanding traditions of the field A particular feature is the focus on different units of analysis Individual chapters compare places systems times cultures values policies curricula and other units These chapters are contextualised within broader analytical frameworks which identify the purposes and strengths of the field The book includes a focus on intra national as

well as cross national comparisons and highlights the value of approaching themes from different angles The book will be of great value not only to producers of comparative education research but also to consumers who wish to understand more thoroughly the parameters and value of the field

Evolutionism In Cultural Anthropology Robert L. Carneiro, 2018-02-23 Examines the history of evolutionism in cultural anthropology beginning with its roots in the 19th century through the half century of anti evolutionism to its reemergence in the 1950s and the current perspectives on it today No other book covers the subject so fully or over such a long period of time Evolutionism and Cultural Anthropology traces the interaction of evolutionary thought and anthropological theory from Herbert Spencer to the twenty first century It is a focused examination of how the idea of evolution has continued to provide anthropology with a master principle around which a vast body of data can be organized and synthesized Erudite and readable and quoting extensively from early theorists such as Edward Tylor Lewis Henry Morgan John McLennan Henry Maine and James Frazer so that the reader might judge them on the basis of their own words Evolutionism and Cultural Anthropology is useful reading for courses in anthropological theory and the history of anthropology 0813337666 Evolutionism in Cultural Anthropology a Critical History

*Nigerian Gods* Erubu Ootobu, 2023-05-05 Nigerian Gods is an enlightening and sobering review of the impact of the introduction of the three main Abrahamic religions on Nigeria's traditional religions culture and way of life viewed through the prism of its eleven largest and two of the smallest ethnic groups Kome Ootobu gives here a factual and acute description and presentation of the main characteristics of the major ethnic groups in Nigeria historical background and socio political structures demography traditional religions differing impacts of Judaism Christianity Islam and major occupations and modes of existence which should serve to propel all to a fuller assessment of the complexities of the directions which a Post Covid 19 World is tending rapidly ethnically and racially exploited differences jumping to the fore

to question erstwhile dominant political ideologies and political arrangements based on them Achieving Brand Loyalty in China through After-Sales Services Alexander Fraß, 2016-06-08 This paper provides a guideline for how the entire process chain of automotive after sales services could be researched in China In addition Schwartz s individual level value theory is introduced as a beneficial operationalisation approach to cultural marketing So values are modelled as exogenous variables in order to show which ones are really causal A total of 301 Chinese workshop customers were surveyed to assess the critical success factors of after sales services via partial least squares structural equation modelling After sales services have become very important in the automobile industry However this area has not been sufficiently researched particularly with regard to China the most important car market globally **Aboriginal Ways of Using English** Diana Eades, 2013-06-14 This new collection by Professor Diana Eades addresses the way non traditional language Aboriginal speakers of English use and speak English Here she draws together some of her best writing over the past thirty years Older chapters are brought up to date with contemporary reflections informed by her many years experience in research and teaching as well as the practical applications of her scholarly work The introduction includes an overview about Aboriginal ways of speaking English and the implications for both education and the law as well as discussing the use of the term Aboriginal English To understand Aboriginal ways of speaking English leads to be better understanding Aboriginal identity a better engagement in intercultural communication and learning about the complexities of how English is used by and with Aboriginal people in the legal process This is invaluable reading for university undergraduates in a range of disciplines but also postgraduate courses where theres little information available Educated readers and students with or without a linguistics background will find the book accessible *Red Man's America* Ruth Murray Underhill, 2018-12-14 Red Man s America meets the great need for a comprehensive study of Indian societies from the first Stone Age hunters to the American citizens of today Beginning with the first migrations of primitive man from Siberia in the Old World to Alaska in the New probably during the latter part of the Pleistocene glaciations and his subsequent migration southward and eastward the author takes up in turn the tribes and cultures of the various regions of North America The material Professor Underhill has gathered from the fields of archaeology ethnology and history together with that drawn from her own experience in the United States Indian Service produces a fascinating narrative Red Man s America is an important contribution to our heritage of Indian life and lore A work for which both sociologist and historian will be forever grateful The author has combined a long period of study with actual field work in the service of the Indian to produce a work that gives a brief but well written and accurate sketch of the origins backgrounds and customs of the various North American tribes There is no other modern single volume that contains as much information on the subject E R Vollmar The Historical Bulletin Liveliness in style and illustration together with perspicacity in content makes this book a useful introduction to the civilization of the original inhabitants of the land Pacific Historical Review Publications in Archeology , 1974 **Contributions to Gran Quivira Archeology, Gran Quivira**

**National Monument, New Mexico** Alden C. Hayes, 1974      *Contributions to Gran Quivira Archeology* Alden C. Hayes, 1981      Quest for Equality Robert G. Gregory, 1993 A Study Of The Role Of Immigrants From The Indian Subcontinent In The Development Of Political Consciousness In Kenya Tanganyika Uganda And Zanzibar The Author Believes That With Their Great Economic Strength Industriousness And Ability To Articulate The Asians Played A Pivotal Role In The Transition Of These Countries From Colonies To Independent States This Is Apparently The First Book Which Comprehensively Covers The Role Of Asians In East African History Until Independence Came To These Territories      The Evolution of Culture Leslie A White, 2016-06-16 One of the major works of twentieth century anthropological theory written by one of the discipline s most important complex and controversial figures has not been in print for several years Now Evolution of Culture is again available in paperback allowing today s generation of anthropologists new access to Leslie White s crucial contribution to the theory of cultural evolution A new substantial introduction by Robert Carneiro and Burton J Brown assess White s historical importance and continuing influence in the discipline White is credited with reintroducing evolution in a way that had a profound impact on our understanding of the relationship between technology ecology and culture in the development of civilizations A materialist he was particularly concerned with societies ability to harness energy as an indicator of progress and his empirical analysis of this equation covers a vast historical span Fearlessly tackling the most fundamental questions of culture and society during the cold war White was frequently a lightning rod both inside and outside the academy His book will provoke equally potent debates today and is a key component of any course or reading list in anthropological or archaeological theory and cultural ecology      *The Neighbors of Casas Grandes* Michael E. Whalen, Paul E. Minnis, 2009 Casas Grandes or Paquim in northwestern Mexico was of one of the few socially complex prehistoric civilizations in North America Now based on more than a decade of surveys excavations and field work Michael Whalen and Paul Minnis provide a comprehensive new look at Casas Grandes and its surrounding communities in *The Neighbors of Casas Grandes* This volume provides a fascinating and detailed look into the culture of the Casas Grandes area involving not just the research of the architecture and artifacts left behind but also the ecology of the area The authors research reveals the complex relationship Casas Grandes had with its neighbors varying from very direct contact with some communities to more indirect links with others Important internal influences on the area s development come to light and population sizes throughout the period demonstrate the absorption of the surrounding populations into Casas Grandes as it reached the peak of its power in the region New discoveries suggest the need to revise the previously held beliefs about the age of Casas Grandes and the dates of its rise to power This ancient civilization may have developed as early as 1180 AD Such breakthroughs provide fresh insight about not only Casas Grandes but the nearby settlements as well *The Neighbors of Casas Grandes* is an important and vital piece of primary field research for all those interested in the Southwest s archaeology and history Its contribution to the knowledge of the Casas Grandes region is monumental in helping us better understand the

society that once flourished there      **The Origins and Character of the Ancient Chinese City, Volume 2** Paul Wheatley, These two volumes elucidate the manner in which there emerged on the North China plain hierarchically structured functionally specialized social institutions organized on a political and territorial basis during the second millennium b c They describe the way in which during subsequent centuries these institutes were diffused through much of the rest of North and Central China Author Paul Wheatley equates the emergence of the ceremonial center as evidenced in Shang China with a functional and developmental stage in urban genesis and substantiates his argument with comparative evidence from the Americas Mesopotamia Egypt Southeast Asia the Mediterranean and the Yoruba territories The Origins and Character of the Ancient Chinese City seeks in small measure to help redress the current imbalance between our knowledge of the contemporary Western style city on the one hand and of the urbanism characteristic of the traditional world on the other Those aspects of urban theory which have been derived predominantly from the investigation of Western urbanism are tested against rather than applied to ancient China The Origins and Character of the Ancient Chinese City examines the cosmological symbolism of the Chinese city constructed as a world unto itself It suggests with a wealth of argument and evidence that this cosmo magical role underpinned the functional unity of the city everywhere until new bases for urban life began to develop in the Hellenistic world Whereas the majority of previous investigations into the nature of the Chinese city have been undertaken from the standpoint of elites The Origins and Character of the Ancient Chinese City has adopted a point of view closer to that of the social scientist than the geographer Paul Wheatley was professor and chairman of the Committee on Social Thought at the University of Chicago He was most famous for his work dealing with comparative urban civilization Some of his books include The Places Where Men Pray Together Cities in Islamic Lands 7th to 10th Centuries Nagara and Commandery Origins of the Southeast Asian Urban Traditions and The Management of Success The Moulding of Modern Singapore with K S Sandhu
