Sovereignty And Good Of God Volume 1:

For the Love of God (Vol. 1) D. A. Carson, 2006-07-10 In a world that views absolute truth right and wrong and salvation as being subject to individual interpretation the Bible's unwavering proclamations and miraculous stories seem obsolete in modern times But it is not God's Word that has changed Indeed its relevancy and its power to transform lives are intact What has changed is the number of people who consult it Now more than ever the need to read the Bible to understand the big picture of its storyline and to grasp the relevance this has for your life is critical As with its companion volume *For the Love of God Volume 2* this devotional contains a systematic 365 day plan based on the M Cheyne Bible reading schedule that will in the course of a year guide you through the New Testament and Psalms twice and the rest of the Old Testament once In an effort to help preserve biblical thinking and living D A Carson has also written thought provoking comments and reflections regarding each day's scriptural passages And most uniquely he offers you perspective that places each reading into the larger framework of history and God's eternal plan to deepen your understanding of his sovereignty and the unity and power of his Word

The Attributes of God Volume 1 A. W. Tozer, 2007-02-14 The most important question For A W Tozer no question is more important than What is God like The desire to know God consumed his entire life and ministry That's why those who read him come to know God more intimately Originally preached as sermons at Southside Alliance Church in Chicago this first volume of *The Attributes of God* examines ten attributes of God It also includes a study guide for an in depth look at each attribute Infinite Immense Good Just Merciful Gracious Omnipresent Immanent Holy Perfect Steeped in Scripture and filled with the Spirit Tozer preached with striking clarity and power The sense of his sermons comes through on every page bringing the Word of God to bear upon you If a sermon can be compared to light then A W Tozer released a laser beam from the pulpit a beam that penetrated the heart Warren Wiersbe former pastor of The Moody Church

Reformed Systematic Theology, Volume 1 Joel Beeke, Paul M. Smalley, 2019-03-14 The church needs good theology that engages the head heart and hands This four volume work combines rigorous historical and theological scholarship with application and practicality characterized by an accessible Reformed and experiential approach In this volume Joel R Beeke and Paul M Smalley explore the first two of eight central themes of theology revelation and God *The Existence and Attributes of God, Volume 7 of 50 Greatest Christian Classics, 2 Volumes in 1* Stephen Charnock, 2008-09 The *Existence and Attributes of God* comprises the first two volumes of the works of Stephen Charnock 1628-1680 an English puritan divine who was highly skilled in philosophy patristics Reformed theology and Biblical languages These volumes are his abiding monument They are worthy of being compared with the finest in theology When the existence and attributes of God are called into question to whom else can we better go than to Stephen Charnock those things revealed belong to us and to our children forever The material that Charnock discusses is firmly founded in the Word of God Both the Old Testament and the New emphasize these two things First we should study the whole revelation not just some easy or favorite parts of it

secondly the study of God's attributes is not dry as dust theology but is practical that is it leads to righteousness Dr Gordon H Clark from a preface to this great work in a Sovereign Grace edition 1958 One of the greatest tragedies in these spiritually starved times is the sad fact that most Christians know so very little about their God It is often said that this is simply because these volumes are exhaustive on the subject Yet it is clearly filled with sublime expositions of the truth regarding God's existence and attributes Charnock displays God's attributes not as impersonal abstractions for the mind to juggle with but as qualities observable in the concrete actions of the living God of which the Bible speaks The technical terms and sometimes arguments of scholastic theology are employed but always with a Biblical orientation Charnock has no desire to speculate but only to declare the works and ways the nature and character of the God of the Bible The substance of his doctrine is characteristically Puritan and representatively Reformed Dr James I Packer in The Encyclopedia of Christianity Volume II p 410 The possessor of these rare volumes will be blessed by getting acquainted with the incomparable God and thereby will reach a higher plane of spiritual enjoyment never attained before To know Him better is to love Him more

The Complete Sermons of C. H. Spurgeon, Book 1 (Vol. 1-3) C. H. Spurgeon, 2015-03-22 The story of Charles Haddon Spurgeon's life is nothing less than titanic Within 2 years and 6 months of accepting the pastorate of the New Park Street Chapel as a boy of 19 the Sunday service grew from 242 to over 7 000 in attendance What can account for the meteoric rise in popularity Why did so many wish to hear his sermons It is the same reason why one ought to study the sermons of Spurgeon to this day in a famished land of moralism he preached the bread of Jesus Christ Containing the first three volumes of the sixty three volumes published from the Metropolitan Tabernacle pulpit this book holds 164 sermons as plump as a partridge and as full of meat as an egg David A Attebury is currently pursuing a Masters of Divinity from The Southern Baptist Theological Seminary in Louisville Kentucky
