Sweet Man The Real Duke Ellington:

The Real Duke Ellington Don George, 1982 *The Life of Duke Ellington* Wendie C. Old, 2014-09 Duke Ellington's brilliance as a jazz composer bandleader and pianist has never been equaled The winner of eleven Grammy Awards Duke Ellington achieved success in New York's Cotton Club wrote musical scores for stage plays movies and even composed his own short opera This book offers a fascinating look at the life and career of a music legend To allow republication of the original text into ebooks paperback and trade editions this book is developed from DUKE ELLINGTON GIANT OF JAZZ

Duke Ellington's Music for the Theatre John Franceschina, 2017-07-06 Duke Ellington's son Mercer has said that his father was frustrated in only one area of musical ambition his desire to do his own Broadway show Though Ellington wrote many theatrical pieces he was never able to achieve success as a composer for the stage and today his stage shows receive little attention from music historians Nevertheless these works occupied a significant place in Ellington's creative imagination and many of the ideas he employed in their composition found their way into his other work Here is the first book to acknowledge Duke Ellington's contribution to the stage It offers a survey of every theater piece Ellington is known to have worked on during his lifetime beginning with the 1925 revue *The Chocolate Kiddies* and ending with the unfinished street opera *Queenie Pie* This large body of work includes full length musicals African American revues ballets and incidental music The plot of each work is described and the score analyzed according to its dramatic function in the piece Musical phrases are reproduced in the text and associations with other well known Ellington compositions are noted An appendix provides a chronological listing of Ellington's shows with song titles conveniently listed under each **The Cambridge**

Companion to Duke Ellington Edward Green, 2015-01-08 Duke Ellington is widely held to be the greatest jazz composer and one of the most significant cultural icons of the twentieth century This comprehensive and accessible Companion is the first collection of essays to survey in depth Ellington's career music and place in popular culture An international cast of authors includes renowned scholars critics composers and jazz musicians Organized in three parts the Companion first sets Ellington's life and work in context providing new information about his formative years method of composing interactions with other musicians and activities abroad its second part gives a complete artistic biography of Ellington and the final section is a series of specific musical studies including chapters on Ellington and song writing the jazz piano descriptive music and the blues Featuring a chronology of the composer's life and major recordings this book is essential reading for anyone with an interest in Ellington's enduring artistic legacy *Lush Life* David Hajdu, 2013-04-26 Arguably the finest

biography yet written about a jazz musician It will fascinate readers who have never heard a note of Strayhorn's music Joel E Seigel Washington City Paper A finalist for the National Book Critics Circle Award Billy Strayhorn 1915-67 was one of the greatest composers in the history of American music the creator of a body of work that includes such standards as *Take the A Train* Yet all his life Strayhorn was overshadowed by his friend and collaborator Duke Ellington with whom he worked for

three decades as the Ellington Orchestra's ace songwriter and arranger A definitive corrective USA Today to decades of patchwork scholarship and journalism about this giant of jazz David Hajdu's *Lush Life* is a vibrant and absorbing account of the lush life that Strayhorn and other jazz musicians led in Harlem and Paris While composing some of the most gorgeous American music of the twentieth century Strayhorn labored under a complex agreement whereby Ellington took the bows for his work Until his life was tragically cut short by cancer and alcohol abuse the small shy composer carried himself with singular style and grace as one of the few jazzmen to be openly homosexual *Lush Life* has sparked an enthusiastic revival of interest in Strayhorn's work and is already acknowledged as a jazz classic A book as beautiful and intelligent as its subject David Hajdu has brought all my dear memories of Billy Strayhorn to life Lena Horne It is a mark of excellence of this biography that it leaves one wanting nothing so much as to listen to the music Jonathan Yardley *The Washington Post Book World*

Duke Ellington David Bradbury, 2005 Radio broadcasts from the Cotton Club from 1927 onwards brought national recognition to Duke Ellington and his band recordings of his compositions particularly *Saddest Tale* *Echoes of Harlem* *Black and Tan Fantasy* and *Mood Indigo* spread their fame internationally *The Music of Black Americans* Eileen Southern, 1997 Beginning with the arrival of the first Africans in the English colonies Eileen Southern weaves a fascinating narrative of intense musical activity As singers players and composers black American musicians are fully chronicled in this landmark book Now in the third edition the author has brought the entire text up to date and has added a wealth of new material covering the latest developments in gospel blues jazz classical crossover Broadway and rap as they relate to African American music

Hot from Harlem Bill Reed, 2010-03-08 From the early days of minstrelsy to Black Broadway this book is the story of African American entertainment as seen through the eyes of some of its most famous as well as others of its practitioners The book moves from the beginning of African American participation in show business up through the present age Will Marion Cook and Billy McClain are discovered in action at the very dawn of black parity in the entertainment field six chapters later the young Sammy Davis Jr breaks through the invisible ceiling that has kept those before him in their place In between the likes of Valaida Snow Nora Holt Billy Strayhorn Hazel Scott Dinah Washington and others are found making contributions to the fight against racism both in and out of the business

Synesthesia and the Arts Dani Cavallaro, 2013-10-16 This study explores the relationship between synesthesia the experience of a sensation in one perceptual domain triggering a sensation in another perceptual domain and the arts including painting photography music and literature Its aim is twofold to introduce readers as yet unfamiliar with synesthesia to this intriguing phenomenon by focusing on its impact on the creation and reception of art and to alert readers already conversant with synesthesia in its many manifestations to its potential to encourage fresh ways of approaching art of understanding the part played by our bodies in its production and receipt and by extension of reassessing our position in nature as humans

The 20th Century A-GI Frank N. Magill, 2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the

individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography

Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sweet Man The Real Duke Ellington books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sweet Man The Real Duke Ellington books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sweet Man The Real

Duke Ellington books and manuals for download have transformed the way we access information.
