Bardas Benetbunk has lived in the two socio political systems that polarized much of the world for the better part of the recently defunct century In this collection of maxims aphorisms and just plain thoughts and unanswered questions for nobody has all the answers with a sprinkling of poetry with rhyme and rhythm for a change he has attempted to lend coherence as only in writing do the inchoate broodings of the meditative soul achieve coherence to the thoughts that visited his mind and the reflections they occasioned over a great number of years Readers will find much that strikes a responsive chord and much with which their spirit does not share a common ground they will linger over some and remain unmoved by others and become aware perhaps that thoughts should not just be thought but thought about to sit alone Musing a deadly happiness Euripides Hyppolytus

"*Born in a Mighty Bad Land*" Jerry H. Bryant, 2003-04-03 The figure of the violent man in the African American imagination has a long history He can be found in 19th century bad man ballads like Stagolee and John Hardy as well as in the black convict recitations that influenced gangsta rap Born in a Mighty Bad Land connects this figure with similar characters in African American fiction Many writers McKay and Hurston in the Harlem Renaissance Wright Baldwin and Ellison in the 40s and 50s Himes in the 50s and 60s saw the bad nigger as an archetypal figure in the black imagination and psyche Blaxploitation novels in the 70s made him a virtually mythical character More recently Mosley Wideman and Morrison have presented him as ghetto philosopher and cultural adventurer Behind the folklore and fiction many theories have been proposed to explain the source of the bad man's intra racial violence Jerry H Bryant explores all of these elements in a wide ranging and illuminating look at one of the most misunderstood figures in African American culture
