Swords And Covenants:

Covenants Without Swords Jeanne Morefield, 2016-06-28 Covenants without Swords examines an enduring tension within liberal theory that between many liberals professed commitment to universal equality on the one hand and their historic support for the politics of hierarchy and empire on the other. It does so by examining the work of two extremely influential British liberals and internationalists Gilbert Murray and Alfred Zimmern. Jeanne Morefield mounts a forceful challenge to disciplinary boundaries by arguing that this tension on both the domestic and international levels is best understood as frequently arising from the same source.

Swords and Covenants Adrian W. Preston, 1976 *Covenants Without the Sword* Patrick Kyba, 1983-03-09 This book constitutes a major and comprehensive reevaluation of British defence policy in the early 1930s. The author traces the evolution of British opinion toward rearmament from opposition to approval between 1931 and 1935 and assesses the impact of this opinion on the formation of the Government's defence policy. He places public opinion among the many factors which determined the extent and timing of British rearmament during this period and concludes that the leaders of those Governments were not Guilty Men who let political considerations overrule their responsibility for national security but rather prudent men who decided on rearmament before it was publicly acceptable. Documented from such sources as newspaper editorials, cabinet papers, speeches of Members of Parliament and results of by-elections, the book will be of interest to historians, students of policy decisions and public opinion and persons interested in the events leading to World War II.

The Covenant-Avenging Sword Brandished John Arrowsmith, 2012-04-12 Arrowsmith preached many times before the House of Commons but this sermon *The Covenant-Avenging Sword Brandished* is one of his most popular. Its text is taken from Leviticus 26:25: "I will bring a sword upon you that shall avenge the quarrel of my Covenant." He outlines and expounds three main points, namely: 1. War is a judgment of God's own bringing; I will bring a sword. 2. The sword is an instrument of vengeance: A sword that shall avenge. And 3. That which the sword comes to avenge is some quarrel of God's Covenant: Avenge the quarrel of my Covenant. This is a newly typeset publication, not a facsimile. This is not a scan or facsimile and contains an active table of contents for electronic versions.

The Covenant Avenging Sword Brandished: in a Sermon Before the Honorable House of Commons, at Their Solemn Fast, January 25. 1642. [With a Preface by James Reid.] John ARROWSMITH (Regius Professor of Divinity, Cambridge.), 1797

The Covenant and the Sword Earl Berger, 2023-05-31 In January 1949 the first Arab-Israeli war ended. In October 1956 the second began with Israel's invasion of Egypt. What happened in those intervening seven years to persuade the Israelis to attack is the subject of this book. First published in 1965, Israel's relations with the Arab countries formed only a sub-plot in a complex, many-layered drama. The main characters were the Arabs and the Great Powers. The story moved in three main themes: the argument amongst the Great Powers over who would have what in the Middle East; the Arabs' struggle against the West for independence and self-respect; and the dispute amongst the Arabs themselves over who should lead that struggle. These themes were well developed

long before the Balfour Declaration was put in the mail and the Palestine Question became an important world issue

Reports of Cases Adjudged and Determined in the Court of Chancery of the State of New York: Clarke's Chancery and Sanford's Chancery, v. 1-4 New York (State). Court of Chancery,1889 **Reports of Cases Adjudged and Determined in the Court of Chancery of the State of New York [1814-1850]**. New York (State). Court of Chancery,Robert Desty,1889 Not Peace But a Sword Stephen Baskerville,2018-08-21 Not Peace But a Sword provides a case study in religious radicalism as exemplified by the Puritanism of the English Revolution Based on sermons preached to the Long Parliament and other political bodies Stephen Baskerville demonstrates how Puritan religious and political ideas transformed the English Civil War into the world s first great modern revolution To understand why Baskerville analyzes the underlying social changes that gave rise to Puritan radicalism The Puritan intellectuals developed the sermon into a medium that conveyed not only popular political understanding but also a sophisticated political sociology that articulated a new social and political consciousness In the process they challenged the traditional political order and created a new order by appealing to the needs and concerns of a people caught up in the problems of rapid social and economic change The book explores the social psychology behind the rise of Puritanism as the Puritan ministers themselves presented it through textual criticism of their own words placing them in the mental context of their time and offers a new understanding of the link between religious ideas and revolutionary politics **Covenant of Peace** Willard M. Swartley,2006 One would think that peace a term that occurs as many as one hundred times in the New Testament would enjoy a prominent place in theology and ethics textbooks Yet it is surprisingly absent Willard Swartley s *Covenant of Peace* remedies this deficiency restoring to New Testament theology and ethics the peace that many works have missed In this comprehensive yet accessible book Swartley explicates virtually all of the New Testament relating peace and the associated emphases of love for enemies and reconciliation to core theological themes such as salvation christology and the reign of God No other work in English makes such a contribution Swartley concludes by considering specific practices that lead to peacemaking and their place in our contemporary world Retrieving a historically neglected element in the Christian message *Covenant of Peace* confronts readers anew with the compelling New Testament witness to peace
