Wading Through Many Voices Harold Recinos, 2011-04-16. Wading through Many Voices brings together the voices of Latino, African American, Asian American, Native American, and Euro American scholars to produce a dialogue of public theology: how faith communities divided by race, class, ethnicity, and gender can find a common ground for life together. The authors articulate a multiethnic perspective on public theology that counters the divisive identity politics of U.S. public life with systematic thinking that strengthens the commitment to critically transform social relations in light of a shared vision of public good. The contributors develop a shared public theology that addresses social divisions while offering readers a broad vision to collaborate and struggle for an improved understanding of the common good for our pluralistic society. In light of emerging social issues, the contributors suggest that a fundamental respect for difference is a required first value for living together in a common social and political space.

Imitating Christ Luke Timothy Johnson, 2024-08-06. Is discipleship about personal sanctification or social reform? Believers are divided on a question central to Christian identity: what does it mean to follow Jesus? For centuries, imitating Christ meant the pursuit of holiness, conforming the self to Jesus through self-sacrifice in order to join him in eternal life. But some Christians today consider this model to be self-centered. Instead, they say true disciples ought to imitate Jesus in confronting corrupt social systems on behalf of the oppressed. In *Imitating Christ*, esteemed New Testament scholar Luke Timothy Johnson seeks the origin of this fissure. Surveying the New Testament, medieval mysticism, modern theology, and more, Johnson shows how twentieth-century social gospel and liberation theologies created a new model of discipleship. He then evaluates the theological implications of the two models and asks what we can learn from each. Inspired by Dietrich Bonhoeffer and Thomas Merton, Johnson puts forward a vision of discipleship that can revitalize Christian witness in the world today. Replete with keen exegesis and spiritual insight, *Imitating Christ* reorients Christian living toward pursuing sainthood. Pastors and interested lay readers alike will rediscover a rich heritage in these pages.
