Second edition Richard Chenevix TRENCH (Archbishop of Dublin.), 1847 *The Miracles of Jesus the Messiah* E. Keith Howick, 2003 The Life of Jesus the Messiah is a five volume set that discusses the life of Jesus Christ topically In volume 1 the miracles performed by Jesus are discussed Their nature is explained and both the historical impact they had on the Jews living at the time of Jesus and their significance to us today is discussed The volume's organization makes it an ideal resource for both students and instructors The volume includes complete scriptural references to the King James Bible footnotes a complete index and a scripture index allowing readers to quickly find relevant commentary **The Miracles of Jesus** Vern S. Poythress, 2015-11-17 Christians often view Jesus's miracles simply as proofs of his divinity However as prolific author Vern Poythress shows in this new book they also serve as signs of redemption foreshadowing the salvation that Christ accomplished through his cross and resurrection This means that the stories of Jesus's miracles like the calming of the storm or the feeding of the 5 000 are relevant for both Christians and non Christians alike clearly pointing to the gospel After setting forth a framework for viewing all of Jesus's miracles through this lens Poythress then reflects on the meaning and significance of 26 distinct miracles recorded in the Gospel of Matthew helping modern readers understand and apply them to their own lives today
