the construction romanticization and socialization of the Victorian child within work read by and for children during the Victorian Era and early Edwardian period These authors use elements of religion death irony fairy worlds gender and class to illustrate the need for the ideal child and yet the impossibility of such a construct Malkovich contends that the imperfect child more readily reflects reality whereas the ideal child reflects an unattainable fantasy and while debates rage over how to define children s literature such children though somewhat changed can still be found in the most popular of literatures read by children contemporarily *Lemony Snicket (Daniel Handler)* Dennis Abrams,2013-11 In this new biography discover what makes Lemony Snicket s novels about the adventures of the three Baudelaire children so wildly popular and explore the curious relationship between Daniel Handler and his alter ego Lemony Snicket **The Book Publishing Industry** Albert N.
