**Modern Student's Life of Christ** Philip Vollmer, 1980-01-01 *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease The Master's Way of Personal Evangelism Robert E. Coleman, 1997 From the author of the bestselling book *The Master Plan of Evangelism* comes this study manual on the personal evangelism style of the Son of God An interactive guide this work includes insights 12 examples drawn from the life of Jesus suggestions for small group meetings an action plan personal questions and observations from each chapter

**China Sunday School Journal**, 1913 **60 Days That Shook the World** Roy G. Pittman, 2008 As the man and his followers arrived in the city the air was palpable with intrigue and danger along with a sense of expectation as to what would unfold in the coming days Thus begins the story of 60 Days That Shook the World *The Last Days of Jesus Christ* by Roy G. Pittman In the historical and chronological study of Jesus last week on Earth until the gift of Holy Spirit was given on Pentecost many traditional beliefs are challenged and questioned Did Jesus make one triumphal entry into Jerusalem or two Did Peter deny Jesus three times as traditionally believed or six Did Judas hang himself the day Jesus was crucified or was he still with the other Apostles after Jesus was resurrected How many times was Jesus actually buried All of those questions and many more are studied with answers from the Word of God provided to return serious students of the Bible back to the truth and accuracy of the Word The author has utilized the research and expertise of many Biblical scholars in his search for the truth a search he hopes others are willing to seriously undertake If you are desiring to be challenged and motivated to study the Word of God with a more critical and interpretive understanding then 60 Days That Shook the World is a must read
