Mission Mystique Charles T. Goodsell, 2011 In an era filled with mistrust for big government and big business Charles Goodsell goes against this grain to draw attention to public agencies admired for what they do and how well they do it In his groundbreaking new book Goodsell places renewed focus on organizational mission and its potential to be a strong energizing force in government one that animates a workforce internally and attracts admiration and talent externally He offers a normative template for the mystique that underlies this phenomenon and highlights in six rich case studies a driving sense of purpose a cultural and motivational richness and a capacity for tolerating dissent while still innovating and learning Analyzing what works best and what doesn't Goodsell provides a metric through which agency mystique can be evaluated and modeled Goodsell's fresh take on public agencies not only defines good public administration in terms of ethical conduct constitutional accountability and performance effectiveness but argues that the field must add the crucial standard of institutional vitality **Knowing and the Mystique of Logic and Rules** P. Naur, 2013-03-14 Human knowing is examined as it emerges from classical empirical psychology with its ramifications into language computing science and scholarship While the discussion takes empirical support from a wide range claims for the significance of logic and rules are challenged throughout Highlights of the discussion knowing is a matter of habits or dispositions that guide the person's stream of consciousness rules of language have no significance in language production and understanding being descriptions of linguistic styles statements that may be true or false enter into ordinary linguistic activity not as elements of messages but merely as summaries of situations with a view to action in computer programming the significance of logic proof and formalized description is incidental and subject to the programmer's personality analysis of computer modelling of the

The Mystique of Enlightenment U. G. Krishnamurti, 2022-01-04 People call me an enlightened man I detest that term they can't find any other word to describe the way I am functioning At the same time I point out that there is no such thing as enlightenment at all I say that because all my life I've searched and wanted to be an enlightened man and I discovered that there is no such thing as enlightenment at all and so the question whether a particular person is enlightened or not doesn't arise I don't give a hoot for a sixth century BC Buddha let alone all the other claimants we have in our midst They are a bunch of exploiters thriving on the gullibility of the people There is no power outside of man Man has created God out of fear So the problem is fear and not God

The Mystique Chronicles Tina Taylor, 2014-12-03 From beyond the boundaries of infinity and the vastness of immortal consciousness a prophecy had been conceived within the majestic expanse of the unbound universe As a result the Mystique have sprung from the womb of Mother Earth like the phoenix rising up from the still burning embers of The Desert of Reality Upon the death of his beloved Cortessa Demonno was literally drove beyond the brink of insanity and throughout the ageless millenniums he had taken it upon himself to single handedly wipe his own species off the face of the planet Violet nearly the last living Mystique in existence has finally come upon the end of her inevitable journey Despite the destruction of her species bitter betrayals and malignant diversities Violet has still managed to fulfill a prophecy that is perhaps as ancient as the universe herself Violet must ultimately pass Samantha Jean Doven the mothering host of a new breed of Mystique the proverbial scepter to continue the self sacrificing journey that she cannot continue However in the aftermath of Demonno's reign of terror he continues his contaminated trail of destruction and will stop at absolutely nothing to finish what he has started and destroy all Mystiques along with anything or anyone who is unfortunate enough to cross his path Samantha must stop this insane beast of hatred and rage and save humankind not only from themselves but Demonno as well Samantha must find the strength within to carry the Mystique and humankind alike into a new age and a new millennium because a new time

and existence is about to begin What is life Life is the decisions we choose to make woven among our destiny and in the end
all is as it should be Crime Fiction, 1749-1980 Allen J. Hubin, 1984
