The More Excellent Way

Perry Noble

The More Excellent Way:

The More Excellent Way; Or, Links in Love's Chain ... More excellent way, Way, 1862 *The More Excellent Way*, 2006-10 This book investigates why unlike in the early centuries the ethical behavior of Christians today is so little different from that of non Christians It does this by first reviewing the teachings of Jesus about how Christians are to live and the positive response of early Christians to these teachings The major portion of the book then documents how the rise of asceticism and the proliferation of church law came to eclipse Jesus teachings of serving others through unselfish love It reviews how Chrysostom Augustine Luther and others tried to return the church to the New Testament way of life The book reaches two conclusions Christians today prefer to live by only avoiding the gross evils forbidden by the Ten Commandments rather than by Jesus all inclusive New Commandment of loving one another as he loved us They are also willing to offer God the piety of churchly activity but what God also asks a life of goodness serving one s fellowman they feel is just asking too much *The More Excellent Way, Or the Religion of Principle and the Religion of Feeling Compared. A Sermon, Etc* William TROTTER (of York.), 1840 *The Light of Christ Exalted, Or The More Excellent Way, Briefly Set Forth* J. S. Joseph SUTTON, 1835 *The More Excellent Way; Or, Links in Love's Chain. By the Author of "the British Soldier in India," Etc*, 1862 *The Better Gifts, and the More Excellent Way. A Farewell Sermon [on 2 Cor. Xii. 31, Xiv. 1].* Charles Wordsworth, 1846 *A More Excellent Way* Minister Bill, 2020-08-06 Purpose of book Inspiration of the Heart and Mind A better understanding of how faith in God can enrich life *The Most Excellent Way to Lead* Perry Noble, 2016-03-01 Speakers often use the words vision boldness and influence to describe the characteristics of effective leaders Perry Noble in *The Most Excellent Way to Lead* makes the case that the heart of great leadership lies elsewhere Perry despite winning the label least likely to succeed in high school beat the odds against him Today he inspires thirty five thousand people every weekend to live for something greater than themselves He credits this achievement to the leadership principles he has learned from the Bible Surprisingly the essence of leadership that produces genuine growth is buried in a Bible chapter often read at weddings In this groundbreaking book Perry walks us through that leadership chapter describing the fifteen qualities of an inspirational leader Whether you are an entrepreneur or a new parent this book will encourage you to see every opportunity in life as a chance to lead in the most excellent way **A Most Excellent Way** Christophe Chalamet, 2019-11-21 Faith hope and love are the three core realities of Christian existence Far from being self grounded they are rooted in God s action and being in the gospel of Jesus Christ Reflecting on the meaning these three realities have for us today Christophe Chalamet argues that we gain a deeper understanding of them as we consider them in their interrelation rather than separately The first disciples sometimes described their burgeoning tradition as the Way The apostle Paul who reflected on faith hope and love in his epistles praised love as a most excellent way This book in constructive theology drawing from a wealth of thinkers from the Christian tradition broadly conceived presents faith hope and love as the abiding response to God

s faithfulness God's justice and God's love for the sake of this world A Still More Excellent Way Alexander Ross, 2020-07-10

A Still More Excellent Way presents a comprehensive account of the development and nature of metropolitan authority and the place of the province within Anglican polity with an emphasis on the contemporary question of how international Anglicanism is to be imagined and take shape. The first comprehensive historical examination of the development of metropolitan authority and provincial polity within international Anglicanism, the book offers hope to those wearied by the deadlock and frustration around questions of authority which have dogged Anglicanism.
