The Mormon Way:

The Mormon Way Claton Silas Rice,1929 **The Mormon Way** James A. Warner,Styne M. Slade,1976 The Mormon Way of Doing Business Jeff Benedict,2007-01-03 An unprecedented look at how the Mormon faith has shaped some of today's most successful CEOs and businessmen The Founder of JetBlue The CEO of Dell Computers The CEO of Deloitte Touche The Dean of the Harvard Business School They all have one thing in common They are devout Mormons who spend their Sundays exclusively with their families never work long hours and always put their spouses and children first How do they do it Now critically acclaimed author and investigative journalist Jeff Benedict a Mormon himself examines these highly successful business execs and discovers how their beliefs have influenced them and enabled them to achieve incredible success With original interviews and unparalleled access Benedict shares what truly drives these individuals and the invaluable life lessons from which anyone can benefit The Mormon Way Claton Silas Rice,1929 **The Mormon Way of Doing Business** Jeff Benedict,2008 *Unveiling Grace* Lynn K. Wilder,2013-08-20 A gripping story of how an entire family deeply enmeshed in Mormonism for thirty years found their way out and found faith in Jesus Christ For thirty years Lynn Wilder once a tenured faculty member at Brigham Young University and her family lived in loved and promoted the Mormon Church Then their son Micah serving his Mormon mission in Florida had a revelation God knew him personally God loved him And the Mormon Church did not offer the true gospel Micah's conversion to Christ put the family in a tailspin They wondered Have we believed the wrong thing for decades If we leave Mormonism what does this mean for our safety jobs and relationships Is Christianity all that different from Mormonism anyway As Lynn tells her story of abandoning the deception of Mormonism to receive God's grace she gives a rare look into Mormon culture what it means to grow up Mormon and why the contrasts between Mormonism and Christianity make all the difference in the world Whether you are in the Mormon Church are curious about Mormonism or simply are looking for a gripping story *Unveiling Grace* will strengthen your faith in the true God who loves you no matter what **The Mormon Military Experience** Sherman L. Fleek,Robert C. Freeman,2023-04-12 The Mormon military experience is unique in American history The Church of Jesus Christ of Latter day Saints LDS is the only denomination to field military units for its own support and purpose rather than national interests an effort which began in Missouri in 1838 and lasted through the Spanish American War of 1898 From World War I onward however the military exceptionalism of the LDS Church faded and Mormon soldiers came to serve national interests as loyal citizens alongside their fellow Americans The Mormon Military Experience 1838 to the Cold War is the first book to present a historical overview of the Mormon military experience Sherman Fleek and Robert Freeman tell this unique story of how the Church of Jesus Christ of Latter day Saints has experienced war and military service and of their teachings concerning participation in armed conflict The LDS Church's distinct relationship between religious life and military service is rooted in its adherence to the Book of Mormon and its unique doctrine based in ancient and then modern revelations from church leaders Religious and

military exceptionalism went hand in hand during the nineteenth century when LDS Church leaders dictated when and how members would serve in armed conflict Mormon militiamen were often more loyal to church interests and the guidance of LDS leaders than they were to government policy from mustering of the Mormon Battalion during the Mexican War to orchestrating the armed effort during the Utah War of 1857 1858 to serving as Civil War volunteers in the West Similarly they followed Church leaders teachings not to serve in the Civil War s bloody campaigns in the East While LDS leaders adapted church practices and policies to support national objectives at times there were also occasions when Mormon militia units defied state and federal military forces sometimes to the point of open combat No other American denomination has done this This is a story about changing loyalties as the LDS Church transformed from a personalist religious movement on the edge of society to a mainstay of American religious and political life Mormons have moved from battling the US military to serving with distinction within it The Mormon Church Hartzell Spence,1958 **The Mormon Image in the American Mind** J.B. Haws,2013-12 What do Americans think about Mormons and why do they think what they do This is a story where the Osmonds the Olympics the Tabernacle Choir Evangelical Christians the Equal Rights Amendment Sports Illustrated and even Miss America all figure into the equation The book is punctuated by the presidential campaigns of George and Mitt Romney four decades apart A survey of the past half century reveals a growing tension inherent in the public s views of Mormons and the public s views of the religion that inspires that body The Mormon Way of Life Carole Hemard,1994
