A MOUNTAINTOP VIEW OF FAITH Charles E. Maldon Sr., 2011-10-27 *A Mountaintop View of Faith* is an anointed truthful and empowering book on God's promise your faith and victory over everyday adversity It is a hard hitting provocative and exhilarating work written to empower especially believers to deepen their faith and be encouraged even facing seemingly impossible adversities Maldon states that adversities will always be a part of life and he contends that Satan desires to ultimately crush our resolve hinder our promises from God and weaken our faith in the sufficiency of God He points out that adversities may be two fold trials appointed by God or those self inflicted resulting from our rebellion against God's spiritual instructions He skillfully teases out how self imposed crippers such as anger unforgiveness selfishness disobedience pride immorality worry and others can rob you of peace and promises from God Maldon encourages us to
