The Mountains Are The Story A History Of Telluride For Children:

The Mountains are the Story Duke Richey, Telluride Elementary School (Telluride, Colo.), 2000 *Coach Robert Louis Sepulveda The Early Days™ Book 1* Chris Edwards, Rene Sepulveda, 2020-06-14 Our son Todd was once asked which coach he admired most in Jr High High School and as a College Athlete without hesitation he immediately said Coach Sepulveda. Notice not his dad. However I totally agree with Todd. Gary Hveem Athletic Director Rio Rancho Coach Sepulveda is definitely on the top five of most admired men in my life. Scott Hutt Tiger Track 1972 Everything I do in track and field as a coach from organization to training of athletes I learned from my years with Coach Bob Sepulveda. Dale Lindley Coach Chaparral Junior High I can think of no better word to describe Coach Sepulveda's character than Mana. In the New Zealand Maori culture one who has Mana carries with them a great deal of honor, presence, or prestige. This is Coach Sepulveda, hugely respected and able to bring the best out of his athletes. Coach Lorne Singer Kiwi Tiger Track 1994 This book series beginning with book 1 is an Alamogordo Tiger Tale of the Historical Crossroads of Football Track. Chris Edwards it is national in scope as many associated coaches and athletes had a national or international influence in athletics, politics, and world events with the common theme of all being touched by the Alamogordo Track that is what I felt when I read Coach Robert Louis Sepulveda The Early Days. During these dark and down days in sports due to political unrest and the public health issues, this book is a refreshing look at a positive sports history with detailed research and great inspirational stories of each sports season covered. A history lesson with records dating back to the start of interscholastic sports in the early 1900's, part inspirational story with tales of NFL and Olympic heroes, this book gives us hope for better days ahead by reflecting on an inspirational past. Coach Sepulveda rekindles my belief in the athletes and the coaches that make up interscholastic sports. Buy this book to learn and to be entertained. David Andres Sportsman Continental North America Bureau From the Author About the Authors Chris Edwards 3 Track focused around fitness, sports history, and healthy life balance. The current endeavor is a book series beginning with book 1 of a 3 part series. The book series is titled Coach Robert Sepulveda the Historical Crossroads of Football Track. It is national in scope as many associated coaches and athletes had a national or international influence in athletics, politics, and world events with the common theme of all being touched by the Alamogordo Track. We are the blessed ones. Michael Jordan once said Life is often compared to a marathon but I think it is more like being a sprinter, long stretches of hard work punctuated by brief moments in which we are given the opportunity to perform at our best. Many people debate who should receive the credit for Michael Jordan's success. Is it Coach Phil Jackson or is it Michael Jordan? These two things are not mutually exclusive. This author team of Chris he is just a good, hard working coach and a good, responsible person who cares about the kids in his charge. That for anyone who is paying attention is all the message that is necessary. For anyone who is not paying attention, no message is possible. Interscholastic Sports programs, rather in the small town of Alamogordo, New Mexico or in the large cities such as Manhattan, have had a history of controversy with loud and outspoken proponents.

and equally loud critics Alamogordo High School began an organized sports program in 1912 for Caucasian boys offering PE Track Field Basketball and Football In 1941 Alamogordo Track and Field sent another athlete to the state meet named John Bud Wilborn who medaled John Bud Wilborn Factoid
