The Mufti Of Jerusalem Al Hajj Amin Al Husayni And The Palestinian National Movement:

The Mufti of Jerusalem Philip Mattar, 1988 The political biography of the Mufti of Jerusalem 1895 1974 the principal leader of the Palestinian national movement during most of the years of British rule over Palestine and one of the most controversial figures in the Arab Israeli conflict Arab nationalists have glorified him as the symbol of resistance to Zionism while Zionist and Western writers have vilified him This is the first serious and balanced study of the Mufti his views and his career It carefully sets forth Palestine's shift in political fortunes 3A splendidly written political biography that creates a balanced and convincing reinterpretation of its subject 2 Photos The Mufti of Jerusalem Philip Matar, 1988

Encyclopedia of the Palestinians Philip Mattar, 2005 Presents the history of modern Palestine and biographies of important Palestinians **Palestine's Christians and the Nationalist Cause** Erik Freas, 2024-12-23 This book provides an historical overview of Palestine's Christian communities and their role in the Palestinian nationalist movement during the late Ottoman and British mandatory periods More than being a history of Palestine's Christian Arabs the book focuses on Palestine's Christians during the formative period of Palestinian Arab national identity attentive to the broader topic of the relationship between nationalism and religion in this case between Arab identity and Islam Whereas until recently historians have tended to assume that national and religious identities are distinct and mostly mutually exclusive things more recent scholarship has addressed the fact that often there exists considerable overlap between the two though it should be noted often in ways that are not by any means inherently exclusive of those not belonging to the majority faith as is the case here The relationship is also an ever changing one hence the final chapter of the book which functions as something of an epilogue regarding the current status of Palestine's Christians vis vis their place in the nationalist cause and relationship with the broader Muslim population The book will be of interest to historians and scholars focused on the modern Middle East Palestinian history Muslim Christian inter communal relations and the relationship between nationalism and religion

Preparing the Mothers of Tomorrow Ela Greenberg, 2012-11-30 From the late nineteenth century onward men and women throughout the Middle East discussed debated and negotiated the roles of young girls and women in producing modern nations In Palestine girls education was pivotal to discussions about motherhood Their education was seen as having the potential to transform the family so that it could meet both modern and nationalist expectations Ela Greenberg offers the first study to examine the education of Muslim girls in Palestine from the end of the Ottoman administration through the British colonial rule Relying upon extensive archival sources official reports the Palestinian Arabic press and interviews she describes the changes that took place in girls education during this time Greenberg describes how local Muslims often portrayed as indifferent to girls education actually responded to the inadequacies of existing government education by sending their daughters to missionary schools despite religious tensions or by creating their own private nationalist institutions Greenberg shows that members of all socioeconomic classes understood the triad of girls education modernity

and the nationalist struggle as educated girls would become the mothers of tomorrow who would raise nationalist and modern children While this was the aim of the various schools in Palestine not all educated Muslim girls followed this path as some used their education even if it was elementary at best to become teachers nurses and activists in women s organizations

Britain's Moment in Palestine Michael J Cohen,2014-02-24 In 1917 the British issued the Balfour Declaration for military and strategic reasons This book analyses why and how the British took on the Palestine Mandate It explores how their interests and policies changed during its course and why they evacuated the country in 1948 During the first decade of the Mandate the British enjoyed an influx of Jewish capital mobilized by the Zionists which enabled them not only to fund the administration of Palestine but also her own regional imperial projects But in the mid 1930s as the clouds of World War Two gathered Britain s commitment to Zionism was superseded by the need to secure her strategic assets in the Middle East In consequence she switched to a policy of appeasing the Arabs In 1947 Britain abandoned her attempts to impose a settlement in Palestine that would be acceptable to the Arab States and referred Palestine to the United Nations without recommendations leaving the antagonists to settle their conflict on the battlefield Based on archival sources and the most up to date scholarly research this comprehensive history offers new insights into Arab British and Zionist policies It is a must read for anyone with an interest in Palestine Israel British Colonialism and the Middle East in general

Palestine Betrayed Efraim Karsh,2010-04-27 The 1947 UN resolution to partition Palestine irrevocably changed the political landscape of the Middle East giving rise to six full fledged wars between Arabs and Jews countless armed clashes blockades and terrorism as well as a profound shattering of Palestinian Arab society Its origins and that of the wider Arab Israeli conflict are deeplyrooted in Jewish Arab confrontation and appropriation in Palestine But the isolated occasions of violence during the British Mandate era 1920 48 suggest that the majority of Palestinian Arabs yearned to live and thrive under peaceful coexistence with the evolving Jewish national enterprise So what was the real cause of the breakdown in relations between the two communities In this brave and groundbreaking book Efraim Karsh tells the story from both the Arab and Jewish perspectives He argues that from the early 1920s onward a corrupt and extremist leadership worked toward eliminating the Jewish national revival and protecting its own interests Karsh has mined many of the Western Soviet UN and Israeli documents declassified over the past decade as well as unfamiliar Arab sources to reveal what happened behind the scenes on both Palestinian and Jewish sides It is an arresting story of delicate political and diplomatic maneuvering by leading figures Ben Gurion Hajj Amin Husseini Abdel Rahman Azzam King Abdullah Bevin and Truman over the years leading up to partition through the slide to war and its enduring consequences Palestine Betrayed is vital reading for understanding the origin of disputes that remain crucial today

Shi'i Sectarianism in the Middle East Elisheva Machlis,2014-09-17 The eruption of violent sectarianism in Iraq following the US invasion in 2003 brought the question of Sunni Shi i relations in the country to the forefront of the international public agenda It also strengthened the popular belief that contemporary Shi ism

is inherently sectarian Yet several decades earlier Ayatollah Khomeini had declared an Islamic revolution and downplayed its Shi i origins and links So what is the true orientation of Shi i Islam in the contemporary era and how did modernisation alter its sectarian affiliation This book contends that early Shi i reformist thought set the foundations for a more universal oriented Shi ism Prominent reformists in the first half of the twentieth century from the holy cities of Karbala and Najaf in Iraq and from the Shi i centres in Southern Lebanon played a significant role in the renewal of Shi ism and laid the groundwork for its reinvention in the modern era Exploring this shift towards a more ecumenical perception of Islam Elisheva Machlis here provides a fresh perspective on inter sectarian relations in contemporary Iraq and illuminates the intellectual roots of the Islamic revolution by examining networks of Shi i scholars such as Mu ammad usayn K shif al Ghi and Mu sin al Am n al mil operating within a more globalised Muslim world Drawing on the experiences of early Shi i reformists such as Abd al usayn Sharaf al D n al M saw in Lebanon and Mu ammad Jaw d Mughniyya in Damascus this book gives new insight on the future of inter Muslim relations at a time of growing inter sectarian contention from the Iran Iraq war to the post 2003 Sunni Shi i conflict in Iraq and al Qa ida s anti Shi i message taking into account questions of theology historiography jurisprudence and politics which all played a vital role in the transition to the contemporary era The author here analyses the broad scholarly connections between Iran Iraq and Lebanon in the twentieth century while debating paramount questions of leadership identity and group membership in the development of modern Shi ism Examining the relationship between intellectual thought and socio political development in the region this book provides a new perspective concerning the future of an increasingly globalised Muslim world and will prove essential reading for students and specialists *From Heart of Stone to Heart of Flesh: Evolutionary Journey from Extremism to Moderation* Zeina M. Barakat, 2017-08-24 This book examines the forces of human transformation from extremism to moderation It analyzes the ethical indicators which determine making the choice of the path to take when one is faced with crucial decisions to make The author focuses on three central values namely a moderation reflecting balance in dealing with individual and group issues b reconciliation reflecting willingness to heal wounds and repair broken relationships by showing respect for the personal and collective narrative of the other and feeling empathy and compassion for the pain and suffering of other and viewing the perspective of the other by putting oneself in the shoes of the other c peace coexisting with the other reflecting tolerance for the beliefs and views of other These three concepts are linked together in consequential sequence with each leading to the other and eventually resulting prosperity and security [Hamas and the Media](#) Wael Abdelal, 2016-06-10 The Islamic resistance movement Hamas is arguably one of the most important Palestinian organizations in recent decades Since Hamas establishment it has extensively utilized media as a means of mobilization for its political and ideological agendas and its tactics have undergone a remarkable evolution from graffiti art to satellite broadcasting This book presents the first systematic and historical contextualization of the development of Hamas media strategy It determines three key phases in Hamas development and

explores the complex and important relationship at work between its politics and use of media Assessing four elements of the Hamas media strategy the media message discourse the media objectives the infrastructure and the target audience this book tracks how Hamas grew its media infrastructure and looks at how the idea of resistance has permeated the media discourse Determining both tactical and strategic objectives and detailing the various layers to the target audience it offers the first in depth academic study of the Hamas media strategy This book s exploration of the key role the media plays in the Palestinian issue makes it a timely and relevant contribution to the study of the Israeli Palestinian Conflict and a valuable resource for students scholars and policymakers working in Middle Eastern studies
