The Mummers Curse:

The Mummers' Curse Gillian Roberts, 1996 Here's the Dorothy Parker of mystery writers giving more wit per page than most writers give per book Nancy Pickard In her new novel starring Philadelphia schoolteacher Amanda Pepper Gillian Roberts once again mixes mystery and mirth This time Roberts explores Philadelphia's unique flesh and blood historical monument the Mummers who live and perhaps are willing to die for a few hours of glory every New Year's Day The famous Mummers Parade is an extravaganza that draws enormous crowds who cheer through chattering teeth as more than thirty thousand clowns string bands and fancy brigades strut their stuff up Broad Street But this year while the music blares and the Mummers dance a reveling Pierrot suddenly sinks to the ground shot dead Amanda is at first only a horrified spectator But when the prime suspect her friend and fellow teacher at Philly Prep falsely claims to have been with her at the time of the murder Amanda can no longer stay on the sidelines Is the murder a flare up of deadly rivalries Is it connected with the disappearance the week before Christmas of another Mummer the heir to a meat packing family Does someone disapprove of the Mummers feathers sequins and string bands And why is no one in the tight knit world Amanda investigates willing to tell the truth about anything With Amanda on the scene the who in whodunit doesn't stay secret for long In **The Mummers Curse** Gillian Roberts is as always at the head of the parade

The Mummer's Curse Gillian Roberts, 2022-07-12 In her new novel starring Philadelphia schoolteacher Amanda Pepper Gillian Roberts once again mixes mystery and mirth This time Roberts explores Philadelphia's unique flesh and blood historical monument the Mummers who live and perhaps are willing to die for a few hours of glory every New Year's Day The famous Mummers Parade is an extravaganza that draws enormous crowds who cheer through chattering teeth as more than thirty thousand clowns string bands and fancy brigades strut their stuff up Broad Street But this year while the music blares and the Mummers dance a reveling Pierrot suddenly sinks to the ground shot dead Amanda is at first only a horrified spectator But when the prime suspect her friend and fellow teacher at Philly Prep falsely claims to have been with her at the time of the murder Amanda can no longer stay on the sidelines Is the murder a flare up of deadly rivalries Is it connected with the disappearance the week before Christmas of another Mummer the heir to a meat packing family Does someone disapprove of the Mummers feathers sequins and string bands And why is no one in the tight knit world Amanda investigates willing to tell the truth about anything *All's Well That Ends* Gillian

Roberts,2007-01-30 Barring the usual teenage pranks all seems peaceful at Philly Prep the private school in Philadelphia where Amanda Pepper teaches English No doubt the money that appears to be missing from funds collected to aid victims of a catastrophic hurricane Down South will turn up Probably the rumor that some of Amanda s students have discovered the thrills of gambling is totally unfounded In any case Amanda has other things to think about Her husband private investigator C K MacKenzie is struggling to help his Louisiana kinfolk reconstruct their post hurricane lives Her friend Sasha s stepmother has just committed suicide although according to Sasha Phoebe Ennis would never have killed herself especially not while having a drink and wearing a red silk blouse and red sandals with four inch heels Amanda isn t persuaded but reluctantly agrees to help investigate the woman s demise though the evidence for foul play is slim True the middle aged compulsive collector of knickknacks wasn t universally loved Phoebe s own son hated her and she bored her friends to death with hints of her royal lineage And with four marriages behind her she was already preparing to announce her renewed availability on the Net But when another woman is found dead in Phoebe s house it becomes clear that something is indeed murderously amiss and much closer to home than Amanda or anyone else could have imagined All s Well That Ends is the final novel in Gillian Roberts s acclaimed Amanda Pepper series It s also the best irresistibly intelligent and richly entertaining Amanda s farewell adventure brings the genius of the Dorothy Parker of mystery writers Nancy Pickard into full flower and the bloom is sweet and a wonder to behold From the Hardcover edition **Mystery Women, Volume Two**
