Wilhelm Reich

The Murder Of Christ:

The Murder of Christ Wilhelm Reich, 1953 In this profound and moving work the scientist Wilhelm Reich explores the meaning of Christ's life and reveals the hidden universal scourge that caused his agonizing death *The Emotional Plague of Mankind* Reich contends that man is faced with full responsibility for the murder of Christ all through the ages for the murder of fellow human beings no matter what the circumstances Here is the blunt truth about people's true ways of being acting and emotional reacting Here also the lesson of the murder of Christ is applied to the contemporary social scene The tragedy of Reich's own death points up the fact that the problems presented in *THE MURDER OF CHRIST* are acute

MacArthur, 2004-03-30 The pieces are in place The curtain rises for the final act God is about to die An unprecedented conspiracy of injustice cruelty and religious and political interests sentenced a man guilty of no crimes to the most barbaric method of execution ever devised The victim was no mere man Jesus was God in the flesh The Creator of life died How did such a thing come to be Who were the onlookers the players the fakes frauds and heroes What was it like in the Upper Room that night in the shadows of Gethsemane or in the Praetorium awaiting Pilate's verdict What is the meaning of the last words Jesus uttered as He gasped for breath on the cross What if all the facts you now so well could come alive in your mind and heart as a living story rather than as a 2000 year old ancient account By piecing together the narrative from the perspective of the participants John MacArthur invites you to relive the most awesome injustice in the history of man the unparalleled triumph of the sovereignty of God and the passion of Christ *The Complete Works* graf Leo Tolstoy, 1904

Loving evil into goodness Gerd Reuter, 2025-03-17 Before you is an autobiographical work that describes the author's journey to becoming a believer It is also a philosophical excursion Gerd Reuter takes the reader with him on his journey allowing him to share in the experiences and adventures that describe pretty much all facets of a seeker What is evil what is good How can I imagine God What does devilish mean Doesn't everyone have both good and evil within them How do we manage to accept and integrate both equally and embrace both light and shadow within ourselves Gerd Reuter also sees himself as part of global society as part of a greater whole In his book he attempts to paint pictures of a healed world
