

Myofascial Release

A woman with dark hair, wearing a light blue t-shirt, is standing and leaning her head back with her eyes closed. A male therapist in a white shirt is performing a myofascial release massage on her neck and shoulder area. His hands are placed on her upper trapezius and the back of her head. The background is a bright, modern interior with a large window, a blue exercise ball on a stand, and a white stool.

The myofascial release technique is a hands-on therapy in which a physiotherapist uses gentle, sustained pressure to release muscle and connective tissue tension.
