The Minor Prophets The Men And Their Messages:

The Minor Prophets George Campbell Morgan, 1960 **The Minor prophets; the men and their messages** George Morgan (1863- [from old cata.]), **The Minor Prophets. The Men and Their Messages. [By] G. Campbell Morgan. [With the Text.]**, 1960 The Minor Prophets James E. Smith, 1994 Grumpy Old Men Todd Pylant, 2018-09-27 The Bible promises us that the Minor Prophets are profitable to read God will use them to teach us truth convict us of our sins train us in righteousness and equip us for the good work He has created us to do However there is no denying the reality that the Minor Prophets are some of the hardest books of the Bible to both understand and to make profitable This short introduction to the Minor Prophets will help you understand their message so that you can hear God speak to you today through the Minor Prophets Grumpy Old Men looks at the historical setting of the Minor Prophets because God spoke in history and to history Grumpy Old Men examines the primary messages that the Minor Prophets spoke as a group but also introduces you to each of the Minor Prophets Grumpy Old Men also explores one particular Minor Prophet Micah to demonstrate how God still speaks to His people today through these prophets of old Grumpy Old Men will show you why you really need to read the Minor Prophets The Minor Prophets for Beginners Mike Mazzalongo, In this series Mike introduces the books of the Minor Prophets providing a summary of content history main features and information about each author as well as modern applications from each book *The Minor Prophets* Charles L. Feinberg, 1990-01-08 The Minor Prophets is a collection of expository essays on each of the twelve prophets Dr Feinberg s work illuminates the life times and major emphases of these men of God Dr Feinberg brings to this work an unusual combination of talents and background He has a thorough knowledge of biblical Hebrew having trained for the rabbinate That combined with his scholarship in New Testament Greek qualifies him for an expert study of the Scriptures in the original languages In this work he carefully presents his own views as well as dissenting views of other biblical scholars These studies include full treatment of the historical and cultural settings of each of the twelve prophets and their writings **The Expository Times**, 1892

Majoring in the Minors Neal Pollard, 2013-09 Here are six men Hosea Joel Amos Obadiah Jonah and Micah who stand shoulder to shoulder in the inspired canon of scripture They never would have been in the same room together separated by time travel and task They could each tell personal tales of heartache sacrifice and trial disappointment and disbelief Their message to the man was piercing and convicting We know almost nothing about the personal history of a couple of them A couple of the others have their personal lives intertwined in their message The diversity is more than fascinating It is proof of the Divine hand in their writing From these men we learn much about God man and man s relationship with his God Upon the pages of this volume you will find a thorough explanation of the biblical text as well as rich application for our lives in today s world Though ancient by date the material examined by these writers is thoroughly modern by way of relevance We invite you to read its contents and build your appreciation for the major messages of these minor prophets **The**
