 independence from the British government in 1980 have led to economic collapse It highlights how corruption has resulted in
 the gap between the rich and the poor widening while at the same time there was a lot of disruption in the lives of ordinary
 people which saw them moving to different countries because of the dismal conditions that were a result of the corruption It
 also touches on the issue of human trafficking and disregard of proper environmental practices that have led to ecological
 disasters and encouraged the outbreak of diseases such as cholera in certain areas
