The Missing Jesus Rabbinic Judaism And The New Testament:

The Missing Jesus Bruce David Chilton, Craig Alan Evans, Jacob Neusner, 2002 How can Jesus be said to be missing What is missing is not by any means reference to Jesus what is missing is rather an entire dimension of his identity The missing Jesus is Jesus within Judaism This publication has also been published in paper please click here for details Judaism and Christianity Alan Jeffery Avery-Peck, Jacob Neusner, 2009 This volume treats the interrelationship between Judaism and Christianity from the first centuries and into modern times paying particular attention to these faiths' social cultural and theological interactions The issues covered range from the formation of Jewish and Christian ideology in the context of Roman paganism to the ways in which Christian culture and theology of the medieval and modern periods form a backdrop to the creation of Jewish identity While the historical periods and issues discussed are diverse the result is to suggest the importance of our recognizing the close development of Judaism and Christianity Written by top scholars in Judaic and Christian studies these essays reflect on how the two faiths related to and were shaped by each other as they evolved in shared historical and cultural contexts even as each maintained its own distinctive ideologies and beliefs *The New Testament and Rabbinic Literature* Reimund Bieringer, 2010 This book brings together the contributions of the foremost specialists on the relationship of the New Testament and Rabbinic Literature They present the history of scholarship and deal with the main methodological issues and analyze both legal and literary problems *A Four-Column Parallel and Chronological Harmony of the Gospels of Matthew, Mark, Luke and John*: Robert M. Sutherland, 2020-06-30 The author Robert M Sutherland is an accomplished Canadian criminal and civil trial lawyer with 34 years at the bar in five provinces having had some notable successes changing the law nationally and provincially at various points in time He is philosophically a moderate realist and a natural law thinker in the tradition of the three great Western thinkers Aristotle Thomas Aquinas and Mortimer J Adler and a former Canadian director of the Chicago based think tank Mortimer J Adler's Centre for the Study of the Great Ideas He is an evangelical Christian and a member of the United Church of Canada This is how he would format the testimonial evidence of the various gospel writers in the court of public opinion for the purpose of assessing their individual and collective credibility and reliability and ultimately their three basic historical claims namely 1 Jesus of Nazareth claimed to be divine 2 He died for that claim 3 He rose again from the dead to establish the truth of that claim These are purely historical matters knowable and provable on a balance of probabilities And to assist the reader he has provided some helpful methodologies for understanding the nature of truth the nature of the natural moral law and the nature of historical inquiry **The Historical Jesus and the Temple** Michael Patrick Barber, 2023-04-13 Investigates Jesus's teaching about the temple through a fresh methodology drawing also from new developments in Matthew research

Petrine Studies Douglas W. Kennard, 2022-10-18 Using a similar method to Kennard's biblical theology of Jesus Hebrews Isaiah and Peter Kennard's Petrine Studies fills out background issues narrative biographical theology and practical

life concerns from Mark The companion volume Petrine Theology makes contributions to Peter's theology including Peter's Jewish heritage bridging from Jesus to Paul expressing compatible sovereignty and free will high Christology missional Trinity Hebraic anthropology Jewish atonement redemption and new exodus gospel as allegiance to Christ contextual sociological ecclesiology suffering and spiritual warfare in a narrow virtuous way to kingdom and nuanced consistent eschatology Following a combination of Mark Peter's sermons in Acts and Petrine epistles Gene Green claims that Petrine Theology makes unique contributions to Christian theology Pheme Perkins concurs Peter is the universal foundation for all the churches There is no figure who compasses more of that diversity than Peter F J Foakes Jackson concluded the very fact that Peter was singled out by the unanimous voice of the writers of the NT for pre eminence is sufficient reason why he should demand our serious attention James Dunn celebrated Peter was probably in fact and effect the bridge man pontifex maximus who did more than any other to hold together the diversity of first century Christianity

The Gospel of Matthew and Judaic Traditions Herbert Bassler, Marsha B. Cohen, 2015-03-10 In The Gospel of Matthew and Judaic Traditions Herbert W Bassler with the editorial help of Marsha Cohen utilizes his encyclopaedic knowledge of Judaism to navigate Matthew's Gospel This close original reading explicates Matthew's use of Jewish concepts and legal traditions that have not been fully understood in the past Bassler highlights Gospel sources that are congruent with a wide swath of extant Jewish writings from various provenances Matthew affirms Jesus end of days the coming of the Kingdom salvation message initially meant for Jews it is the Gentiles who embraced his message and teachings that encouraged their faith and simple trust Matthew's literary art manages to preserve the Jewish details in his sources while disclosing an anti Jewish and pro Gentile bias

The Eschatological Implications of Isa 65 and 66 as the Conclusion of the Book of Isaiah Emmanuel Uchenna Dim, 2005 What can one say about eschatology in the Old Testament For a number of scholars there is no eschatology in the Old Testament and for many others eschatology only occurs at the fringes of that section of the Bible Biblical Studies have tried to clarify the issues around eschatology but different views remain It is from this general background that this book examines the eschatology of the unit of Isa 65 and 66 The author throws new light on what Old Testament eschatology really is and offers a practical view of the unit of Isa 65 and 66 situating it within the larger Isaian tradition

Challenging Colonial Discourse, 2005 This first comprehensive analysis of the relationship between Jewish Studies and Protestant theology in Wilhelmine Germany challenges accepted opinions and contributes to a differentiated image of Jewish intellectual history as well as Jewish Christian relations before the Holocaust

[In Quest of the Historical Pharisees](#) Jacob Neusner, Bruce Chilton, 2007 This work sketches the many portraits of the Pharisees that emerge from ancient sources Based upon the Gospels the writings of Paul Josephus the Mishnah the Tosefta and archeology the volume profiles the Pharisees and explores the relationship between the Pharisees and the Judaic religious system foreshadowed by the library of Qumran A great virtue of this study is that no attempt is made to homogenize the distinct pictures or

reconstruct a singular account of the Pharisees instead by carefully considering the sources the chapters allow different pictures of the Pharisees to stand side by side
